Gwen,

You are really great, and I'm real happy for you and Jerry. I wish you all the best of everything. God Bless ya,

Kathy

Dear Gwen,

I really hate to see you go because we had some great times. Good Luck in the future.

Love,

Jim

Gwen—

Even tho' we didn't get to know each other real well, I enjoyed knowing you. Your friendliness helped make B.H.S. a more pleasant place.

Good Luck and God Bless you and Jerry.

Dianne

Gwen,

I can't believe we're out of school. I'll really had a lot of fun. Especially talking about "you know who" in homeroom. I hope you are happy in the future. (and Jerry are happy in the future. (and more)

Pam Kirksey

Gwen,

I'll miss you. Have a great summer. Good luck always.

LIFE . . . "I exist as I am, that

is enough,"

Who goes there?

. . .

What is a man anyhow? what am I? what are you?
All I mark as my own you shall offset it with your own,
Else it were time lost listening to me.
Whimpering and trucking fold with powders for invalids
Conformity goes to the fourth removed,
I wear my hat as I please indoors or out.

. . .

In all people I see myself, none more and not one a
barley-corn less,
And the good or bad I say of myself I say of them.

. . .

I know I am deathless,
I know this orbit of mine cannot be swept by a carpenter's
compass,
I know I shall not pass like a child's carlacue cut with a
burnt stick at night.

. . .

I exist as I am, that is enough,
If no other in the world be aware I sit content,
And if each and all be aware I sit content.

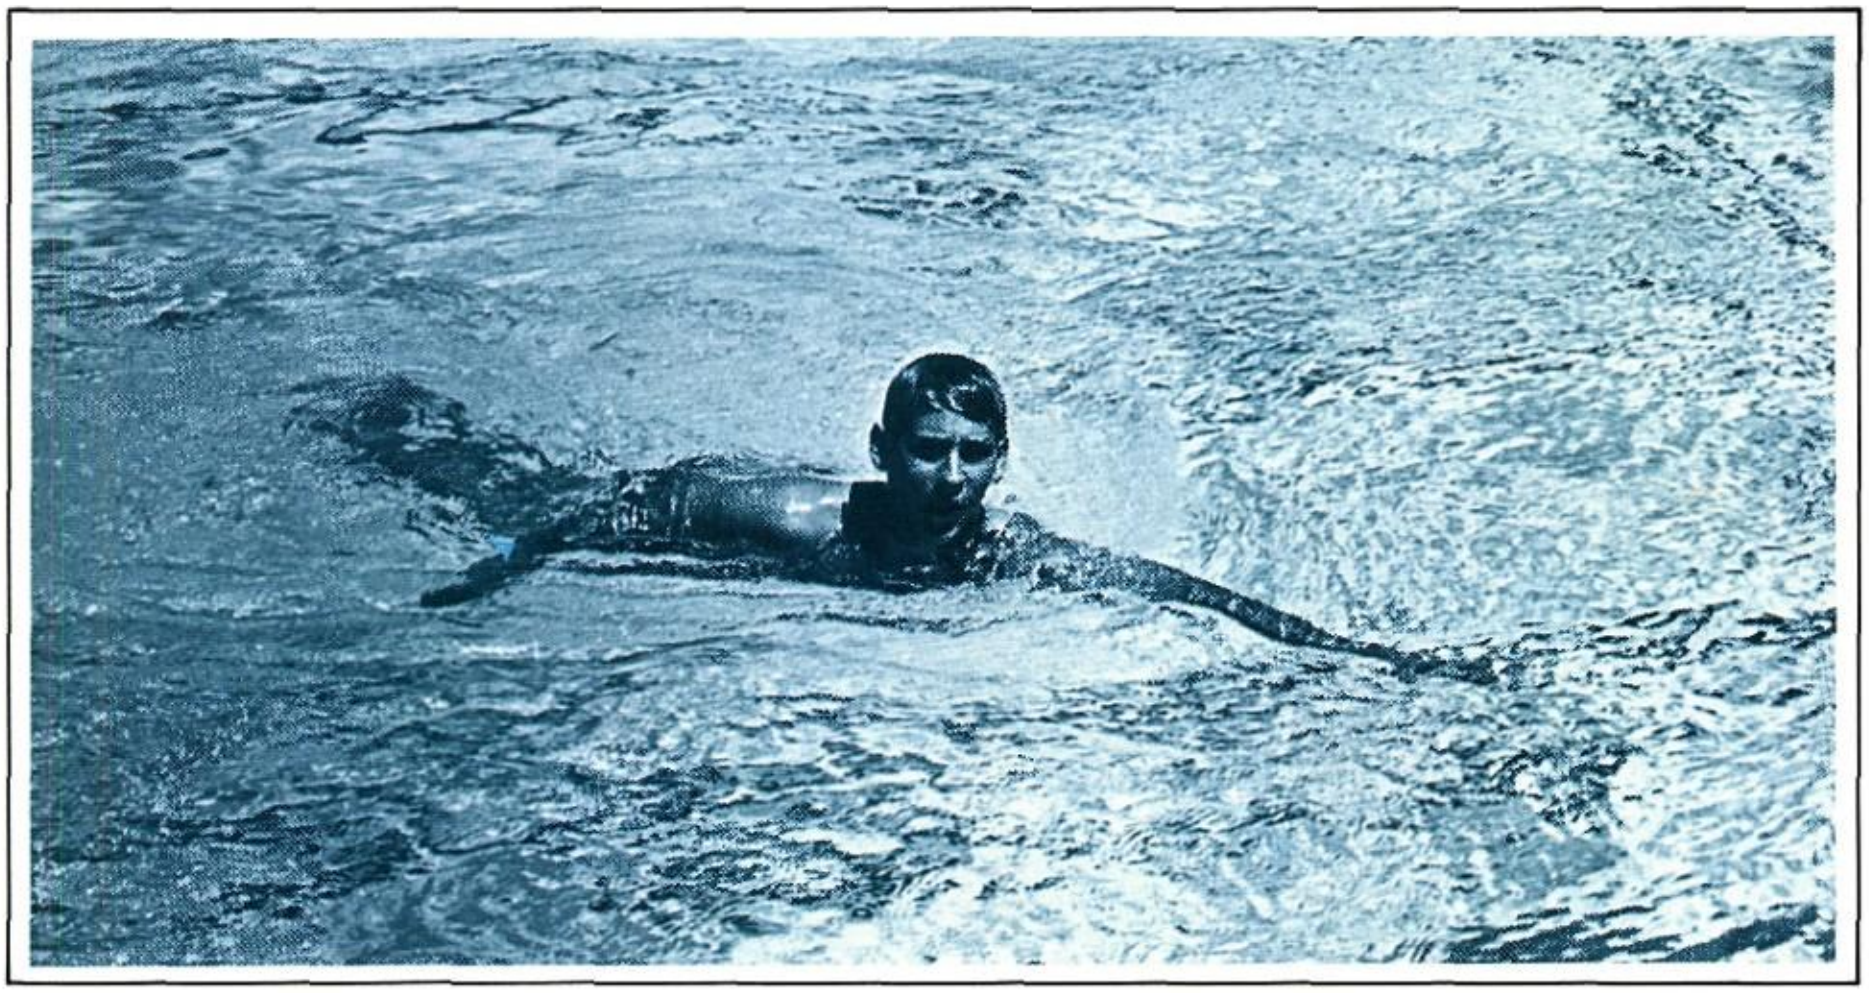
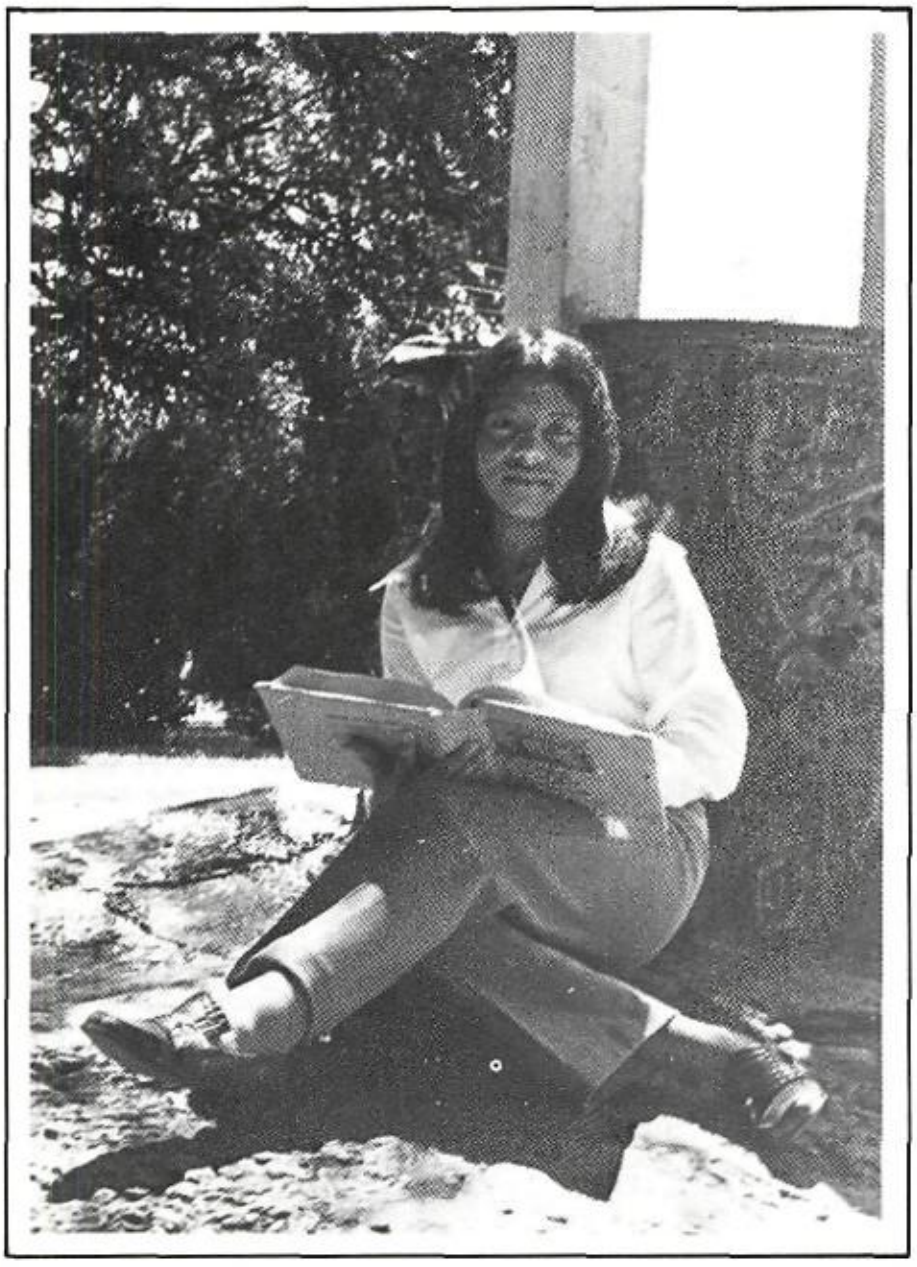
ABOVE Kim Norwood studies the 1970 *Pecan* at the August annual signing party. ABOVE RIGHT Foreign exchange student, Becky Carter, becomes a genuine Texan. RIGHT American Field Service student, Clive McClelland, prepares for a summer in Germany.

Summer Involvement Develops the Individual





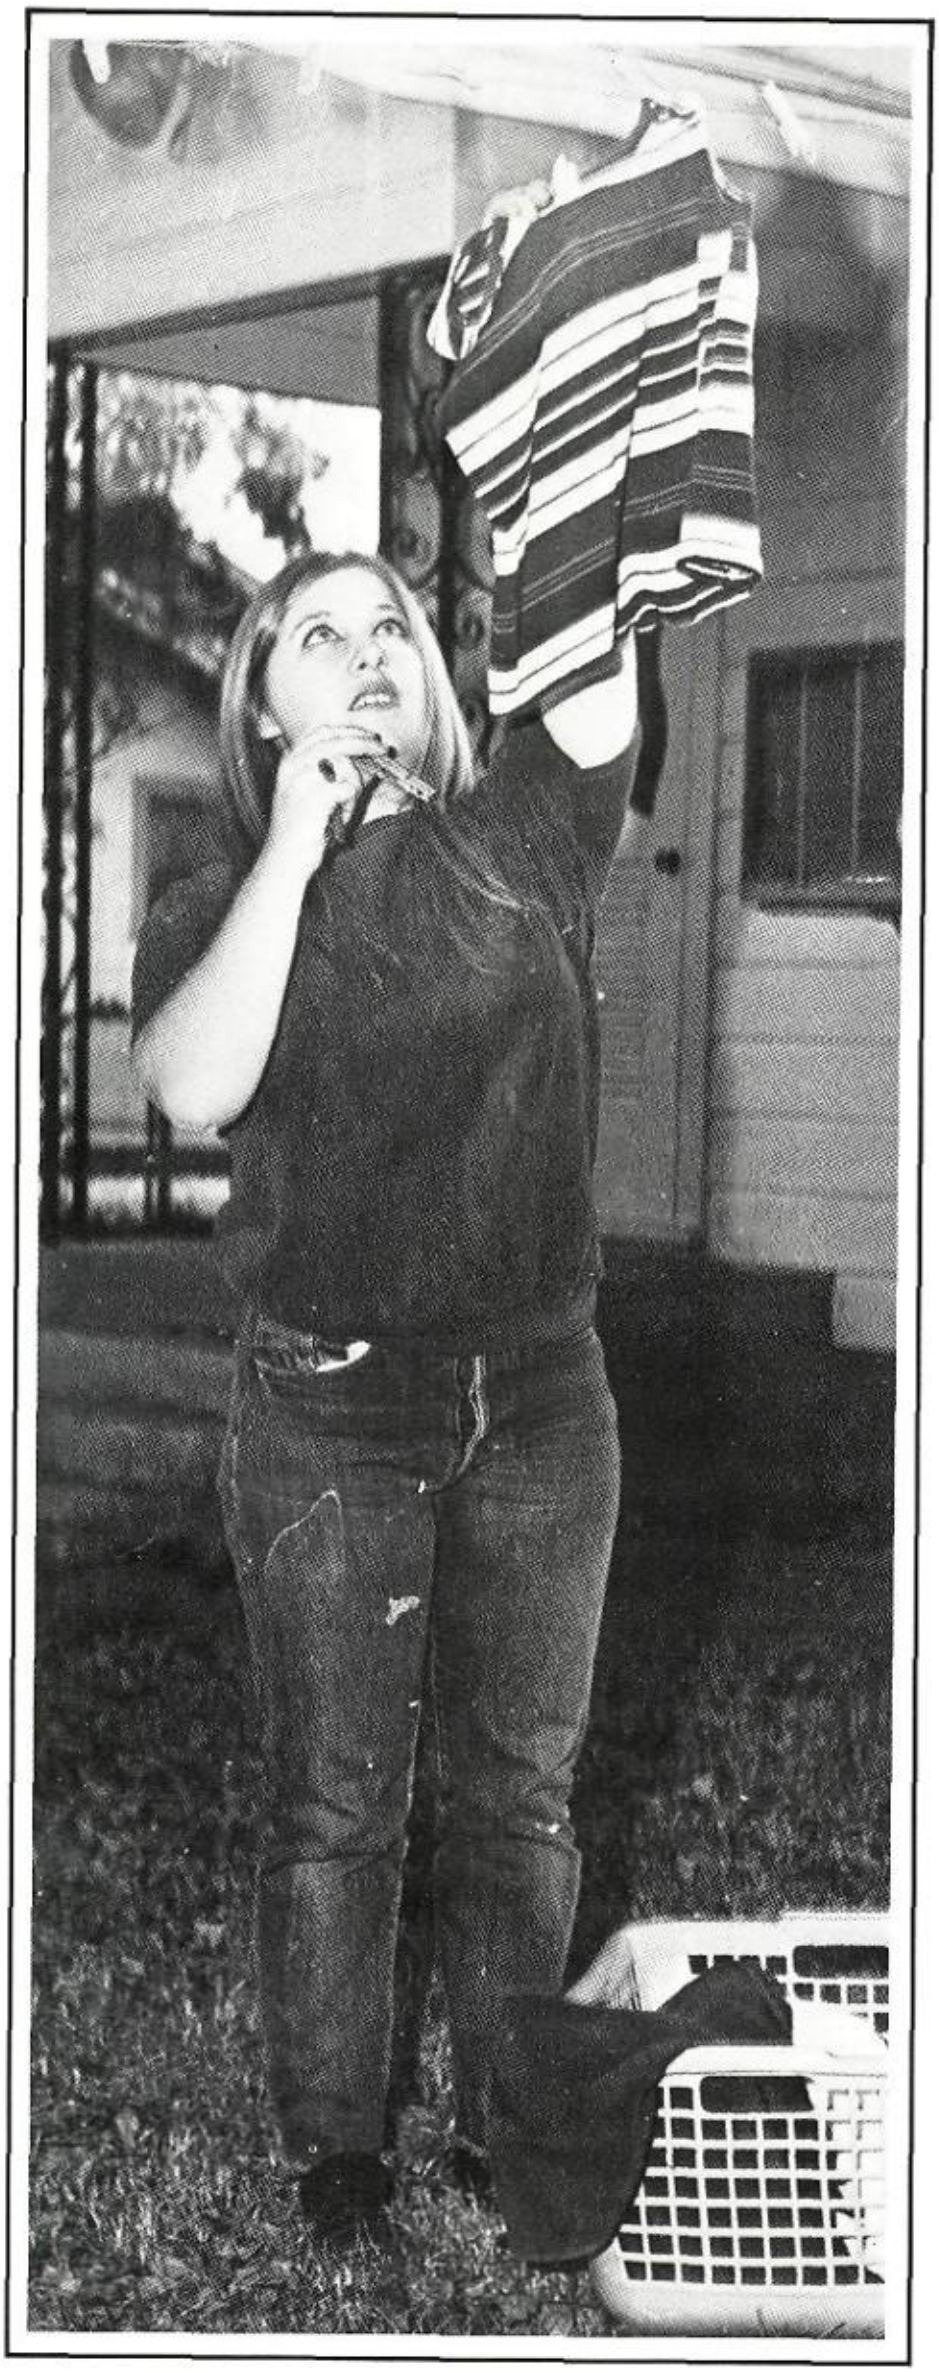
ABOVE To "beat the heat," Pat Aduddell takes a cooling dip. LEFT Rosemarie Ornelas enjoys the quietness of Coggin Park.

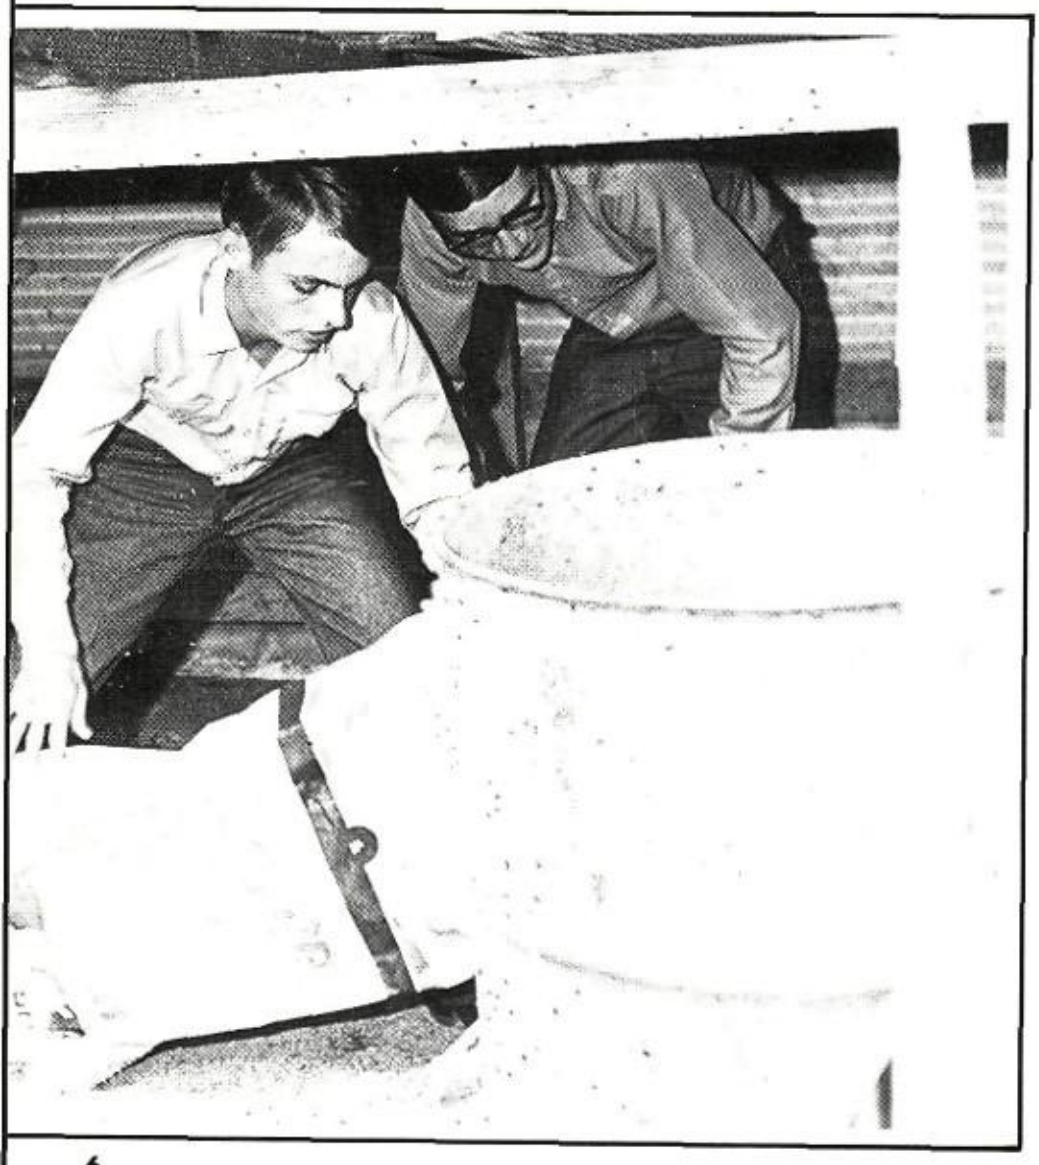
People, everywhere, of all ages, shapes, and colors are different. Each and every person has his own personality and special uniqueness. This is true of the BHS student. Whatever his endeavors are, he is constantly striving for the person within the person.

Even while school is out of session, this struggle is a continuous movement, from the exhausted student who attempts to repack his suitcase after a summer workshop to the student who eagerly prepares and anticipates studying abroad. Just as these two students' travels take them in different directions, two other students are also traveling in different directions. While one prefers the fast pace of a vigorous swim, another is perfectly content to sit in the sun.

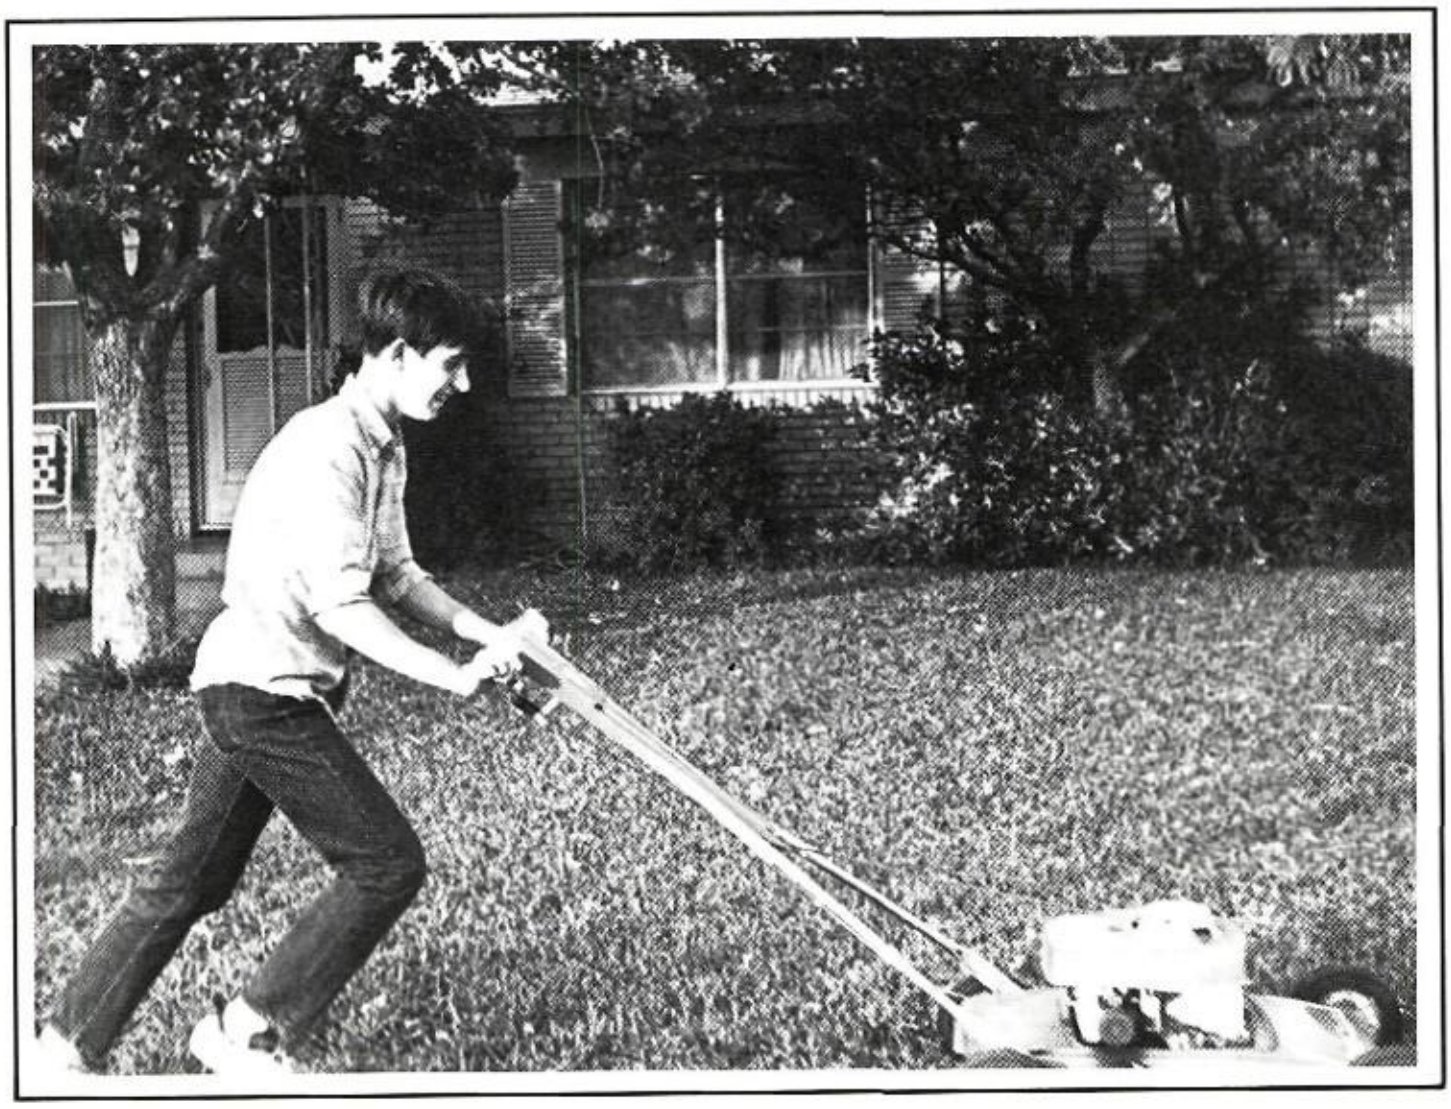
Desire and Drive Influence Summer Work

For many students, summer brings not only a time to play, but a time to work. The summer work done by BHS students can be just as varied and unusual as the activities they indulge in. The student's expression of work may bring him out into the summer sun while working on the farm, mowing the grass, or even hanging up clothes. Another student finds his expression of work in shelving stock in a store while others combine work with travel.





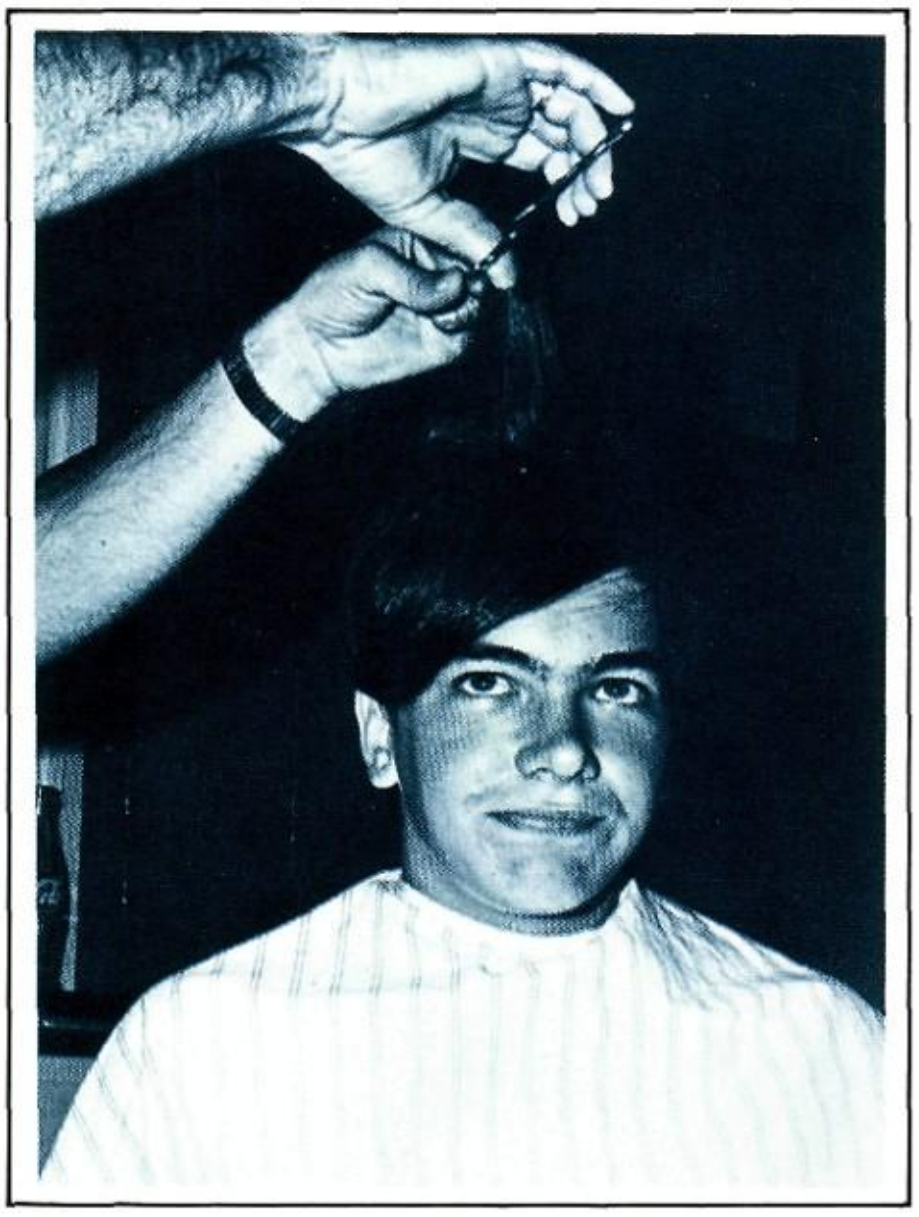
LEFT FFA boys, Bill Simmons and Carroll Jacobs "slave" at the ag barns. ABOVE Vanessa Butler helps eliminate family chores.



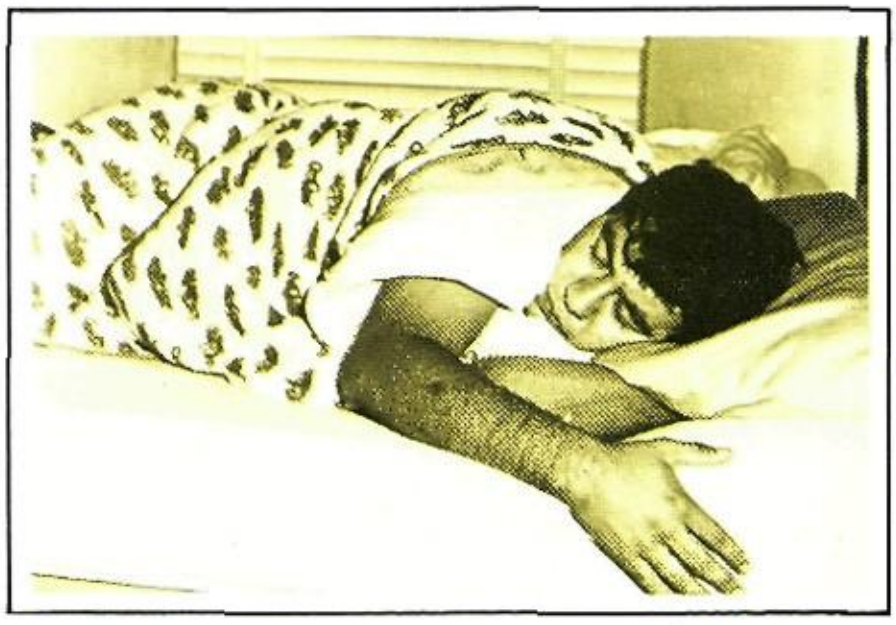
TOP Rodney Rountree finds that summer brings an opportunity for him to display his lawn mowing talents. LEFT One of Billy Rodriquez's duties while working in the grocery store is to shelve stock. ABOVE At journalism camp Patsy Donahoe, Vicki Kitner, Evelyn Ratliff, Pam Stevens, and Kala Carlisle receive two first place awards.

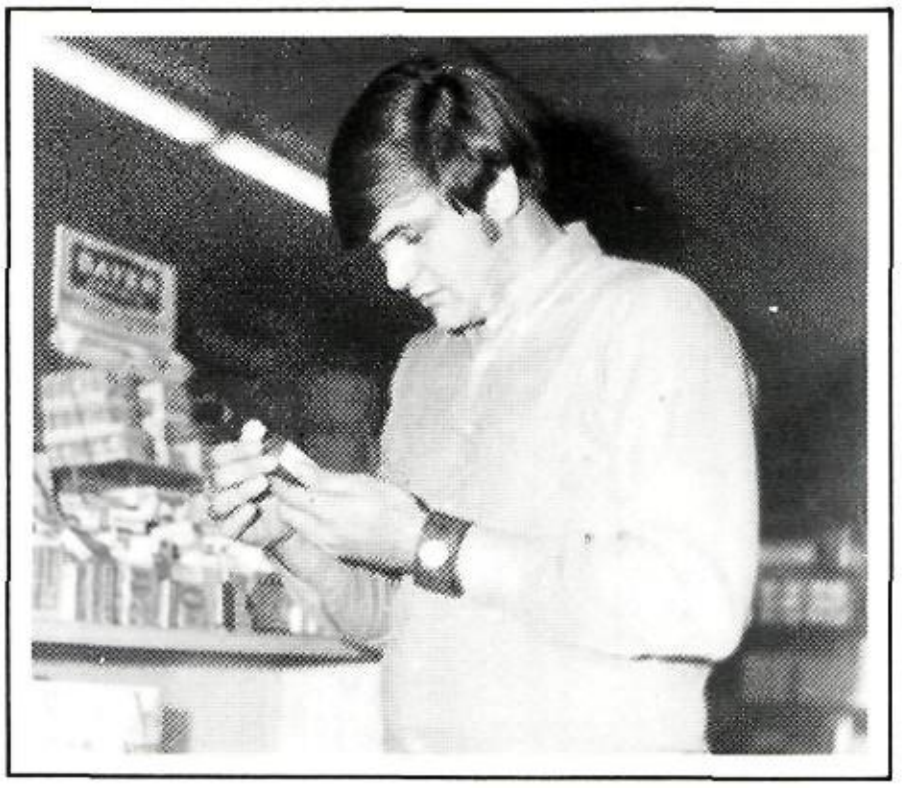
The Changing of Summer to Fall Brings Many Moods

As revolving and varied the summer activities and work of BHS students are, so are the emotions felt as a new school year approaches. One boy may feel anguish as he realizes that he must cut his long, summer growth of hair to conform with school policies. Another may feel sadness as thoughts of leaving the lake that brought him summer fun run through his mind. Many may feel reluctance and anticipation at the drowsy thought of getting up early or going back to the hard pace and the headaches of homework. Whether the emotion felt is sadness or enthusiasm, spiced with reluctance, it, as always, is continuously individualistic.



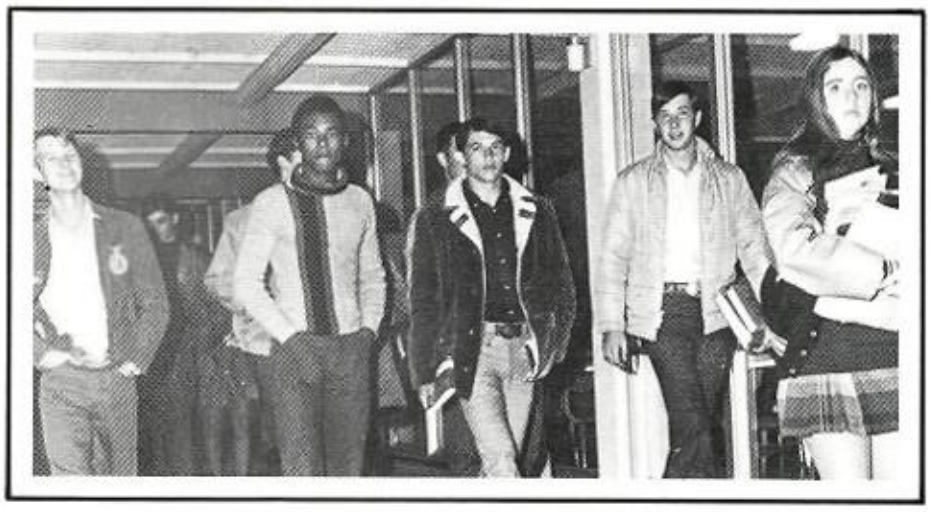
FAR LEFT Mike McShan gets a reluctant haircut before school begins. LEFT Barbara Ratliff gives a final yawn before arising. BELOW Freddy Delgado grabs one extra wink.

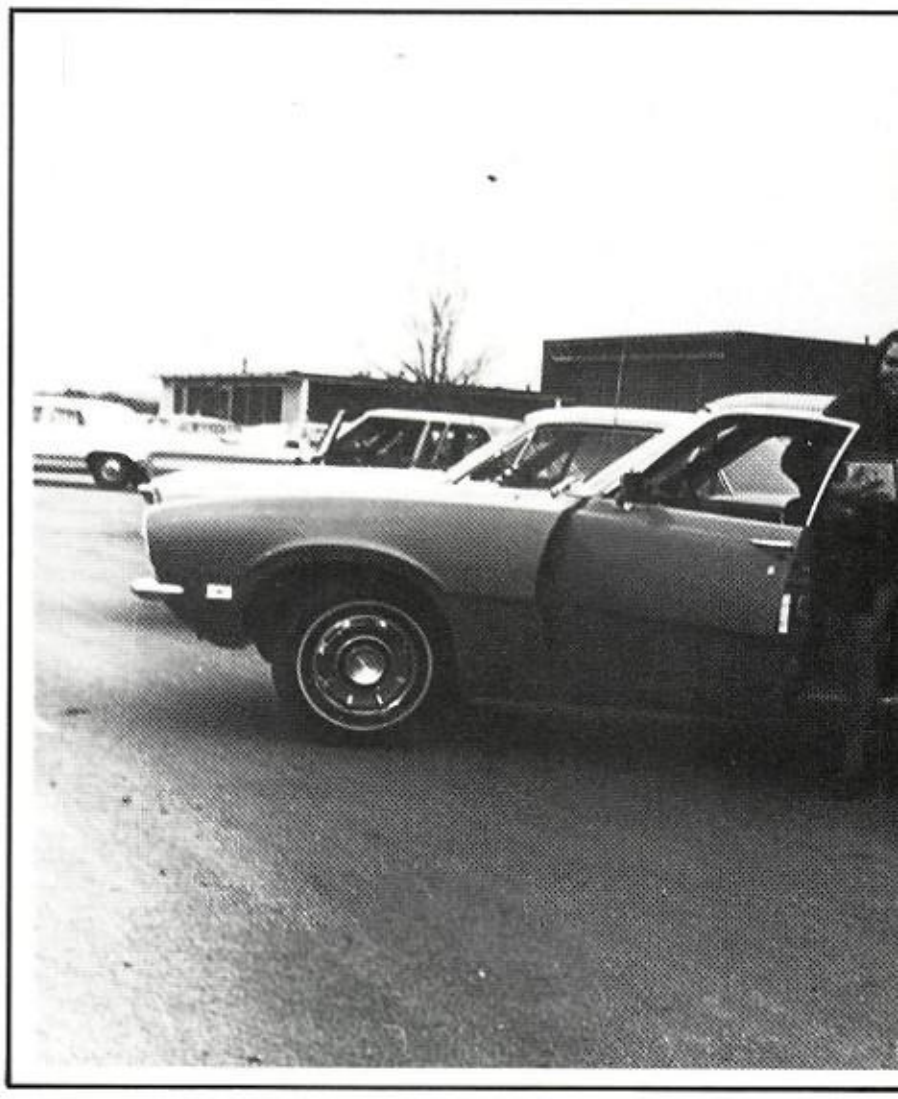




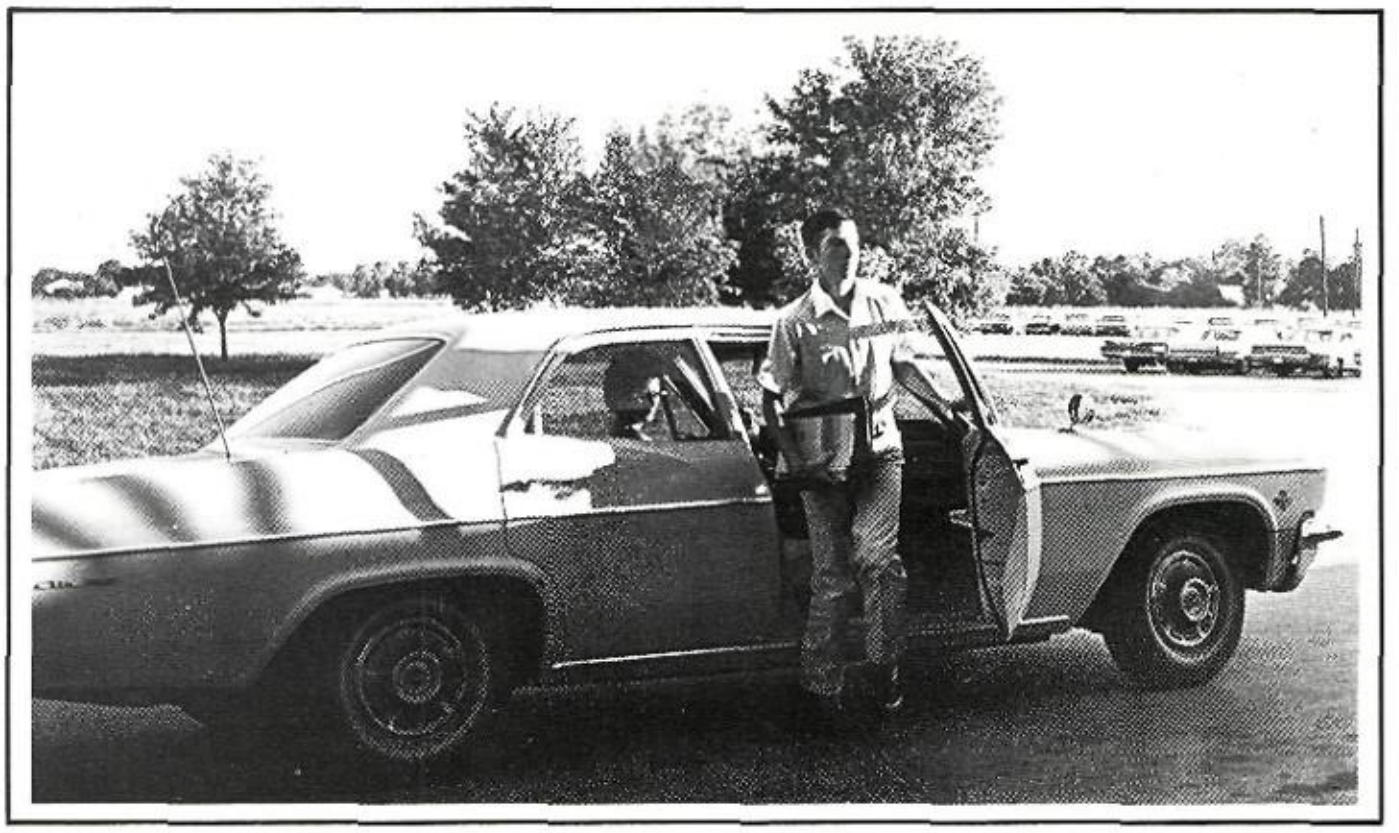
FAR LEFT John Ballejo and Gary Black take one last look at Lake Brownwood before school starts. LEFT Enthusiastically, Carla Gilmore chooses a dress for the first day. ABOVE Charles Thomas purchases a supply of aspirin for an apprehensive year of senior English.

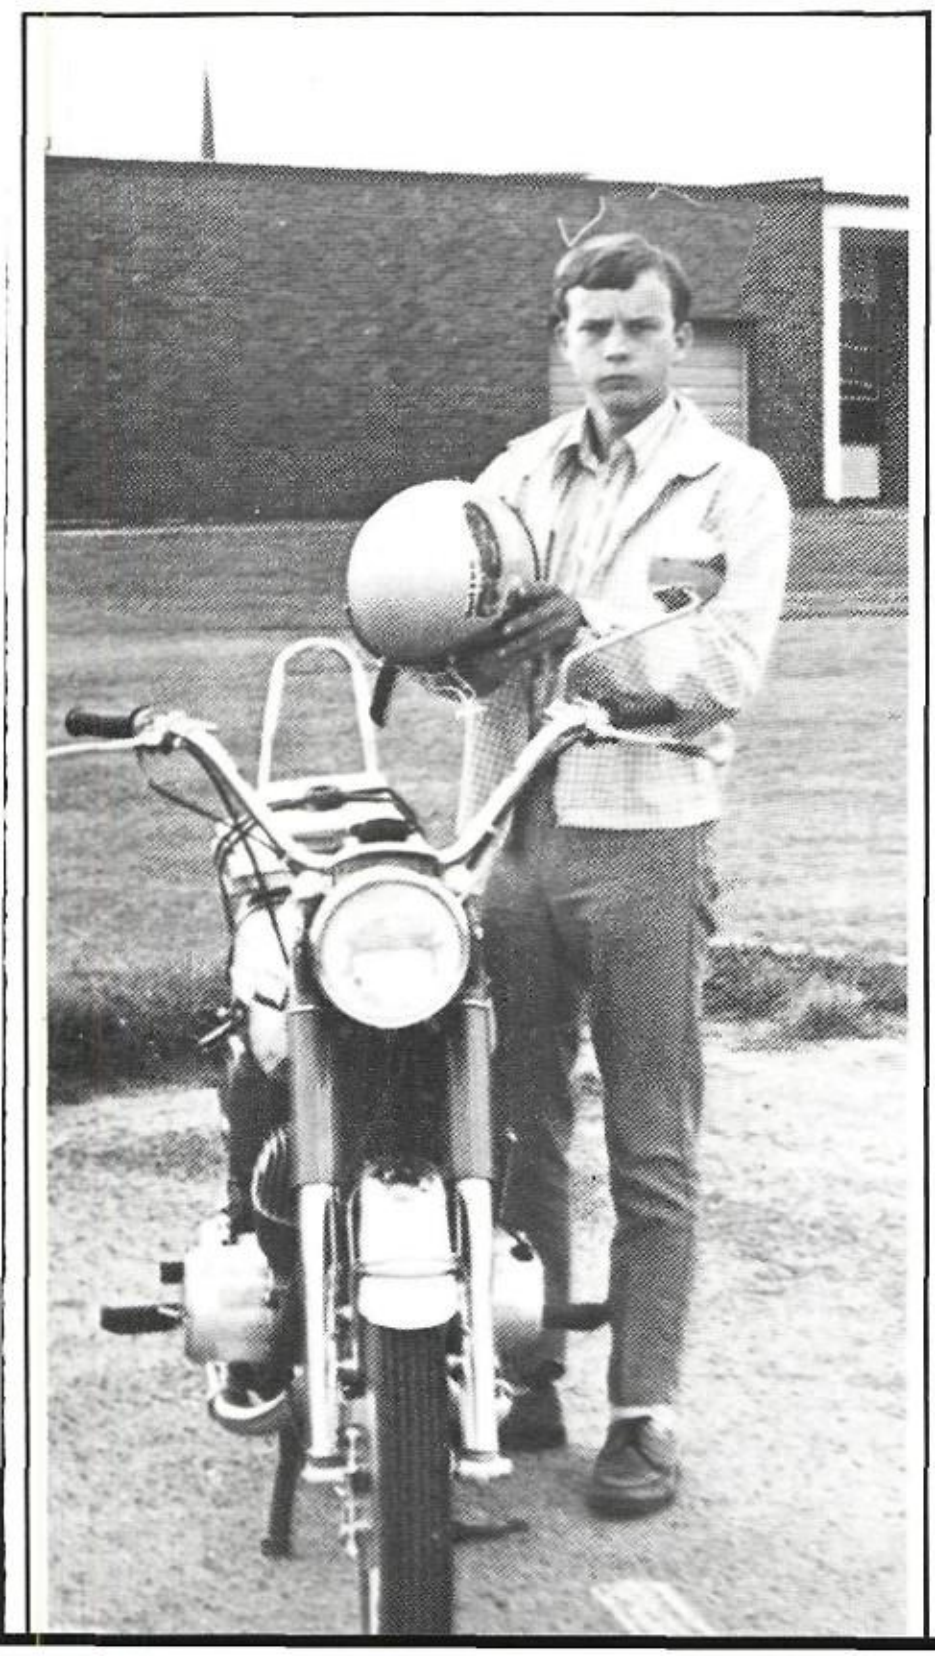
Students Arrive in Varied Modes of Transportation





ABOVE Jimmy Cornelius, Sam Hairston, Leland Cheairs, and Zan Slagle stroll enthusiastically up the walk as they arrive at school. ABOVE RIGHT "Hurry up, Pam, Donnie is already here," exclaims Becky Collier. RIGHT David Greer, Belinda Ward, and Sue Smith arrive by bus.



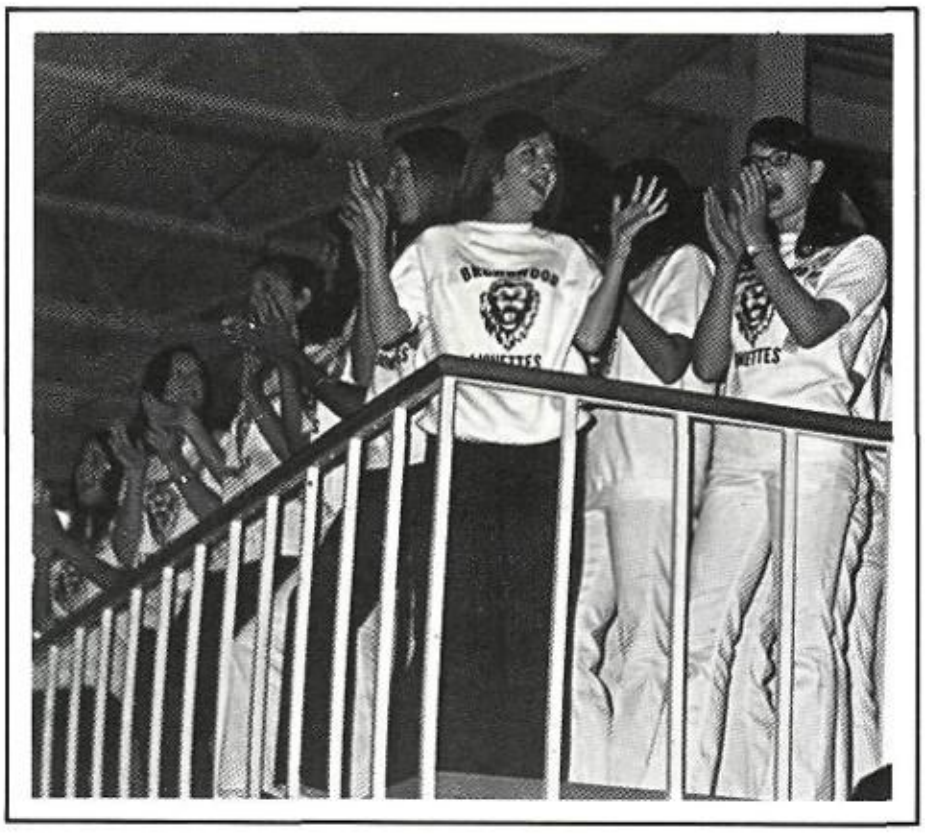


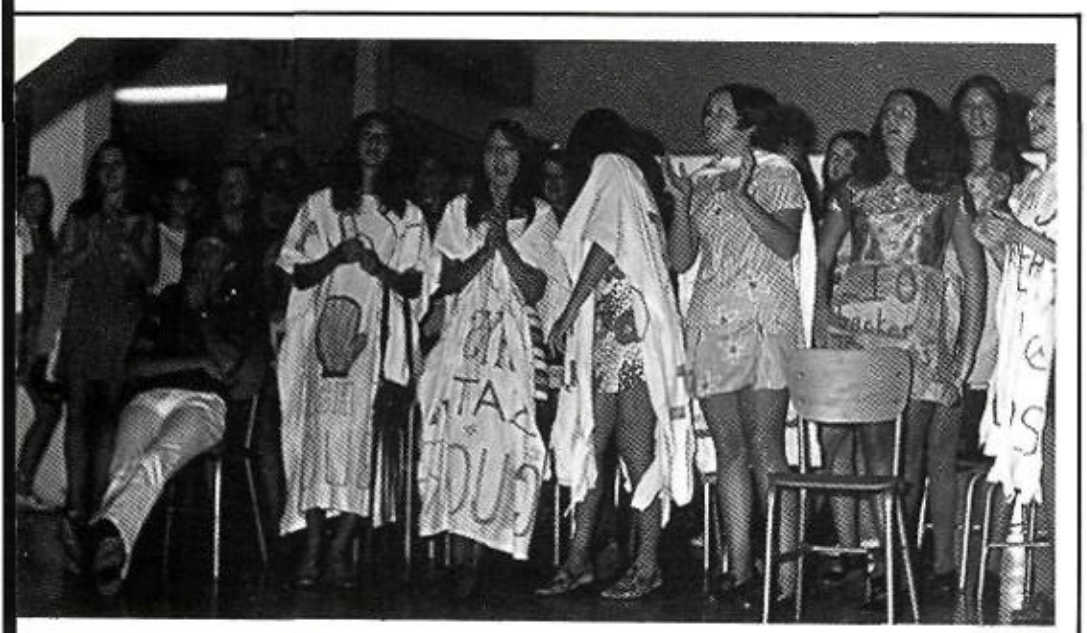
Someone once said, "Getting there is half the fun," and for BHS students getting to school is not only fun but diverse. BHS has many students who ride the infamous yellow buses and others are brought by their parents. Some prefer modes of transportation such as a motorcycle while others try to see how many can arrive in one carload, still breathing. Still, there are a host of students who turn to the old-fashioned, yet most reliable of all means of transportation — walking.

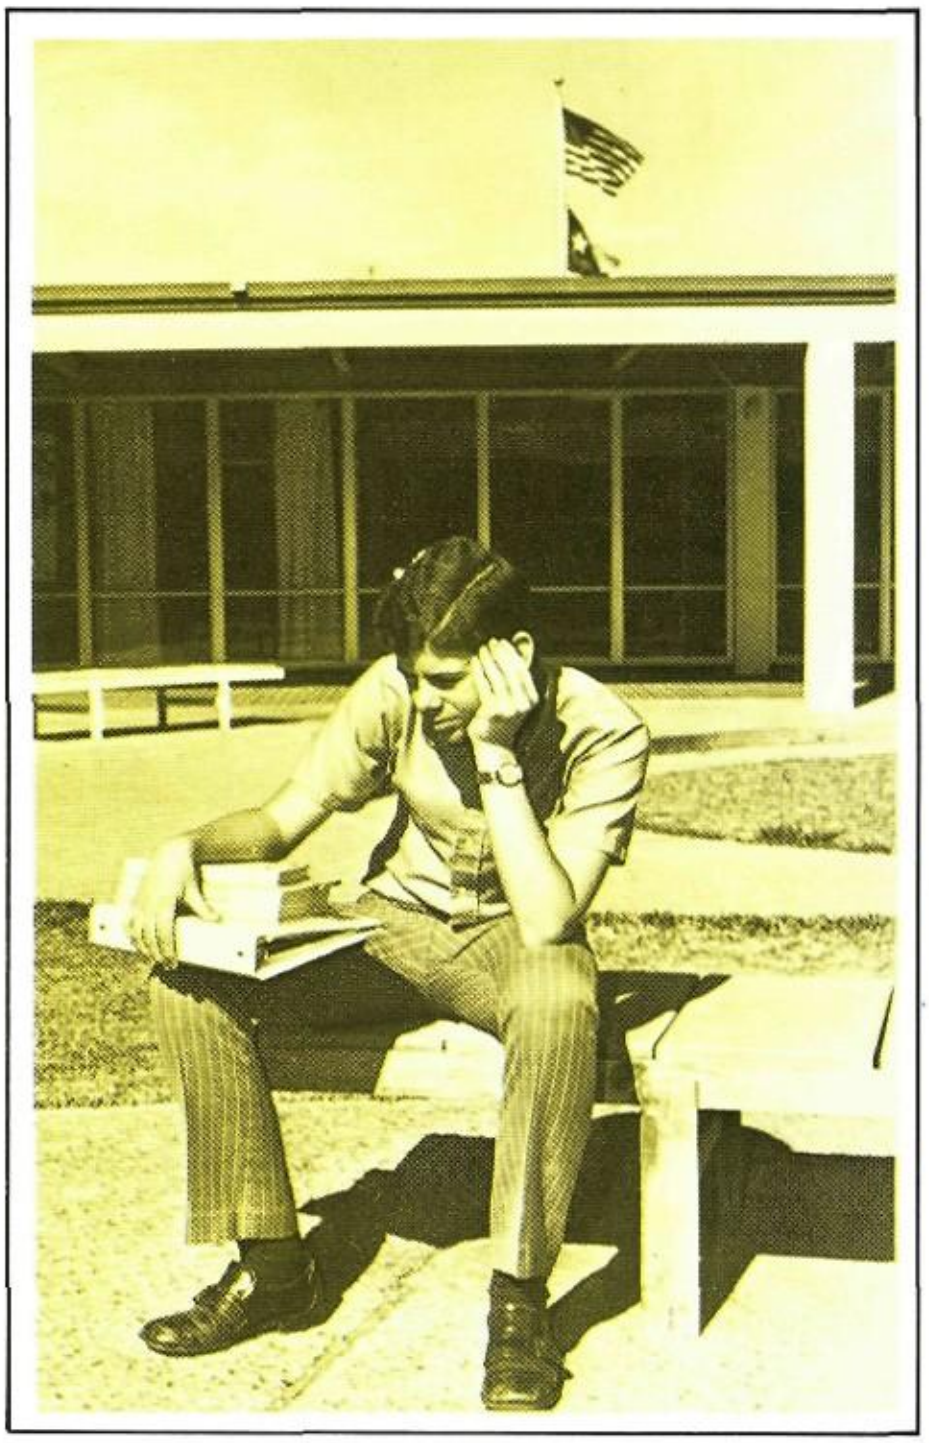
ABOVE Like the transportation used by many students, Carroll Jacobs is brought to school by his mother. LEFT Steve Tulcus travels by motorcycle.

Diverse Activities Accent Vacant Moments

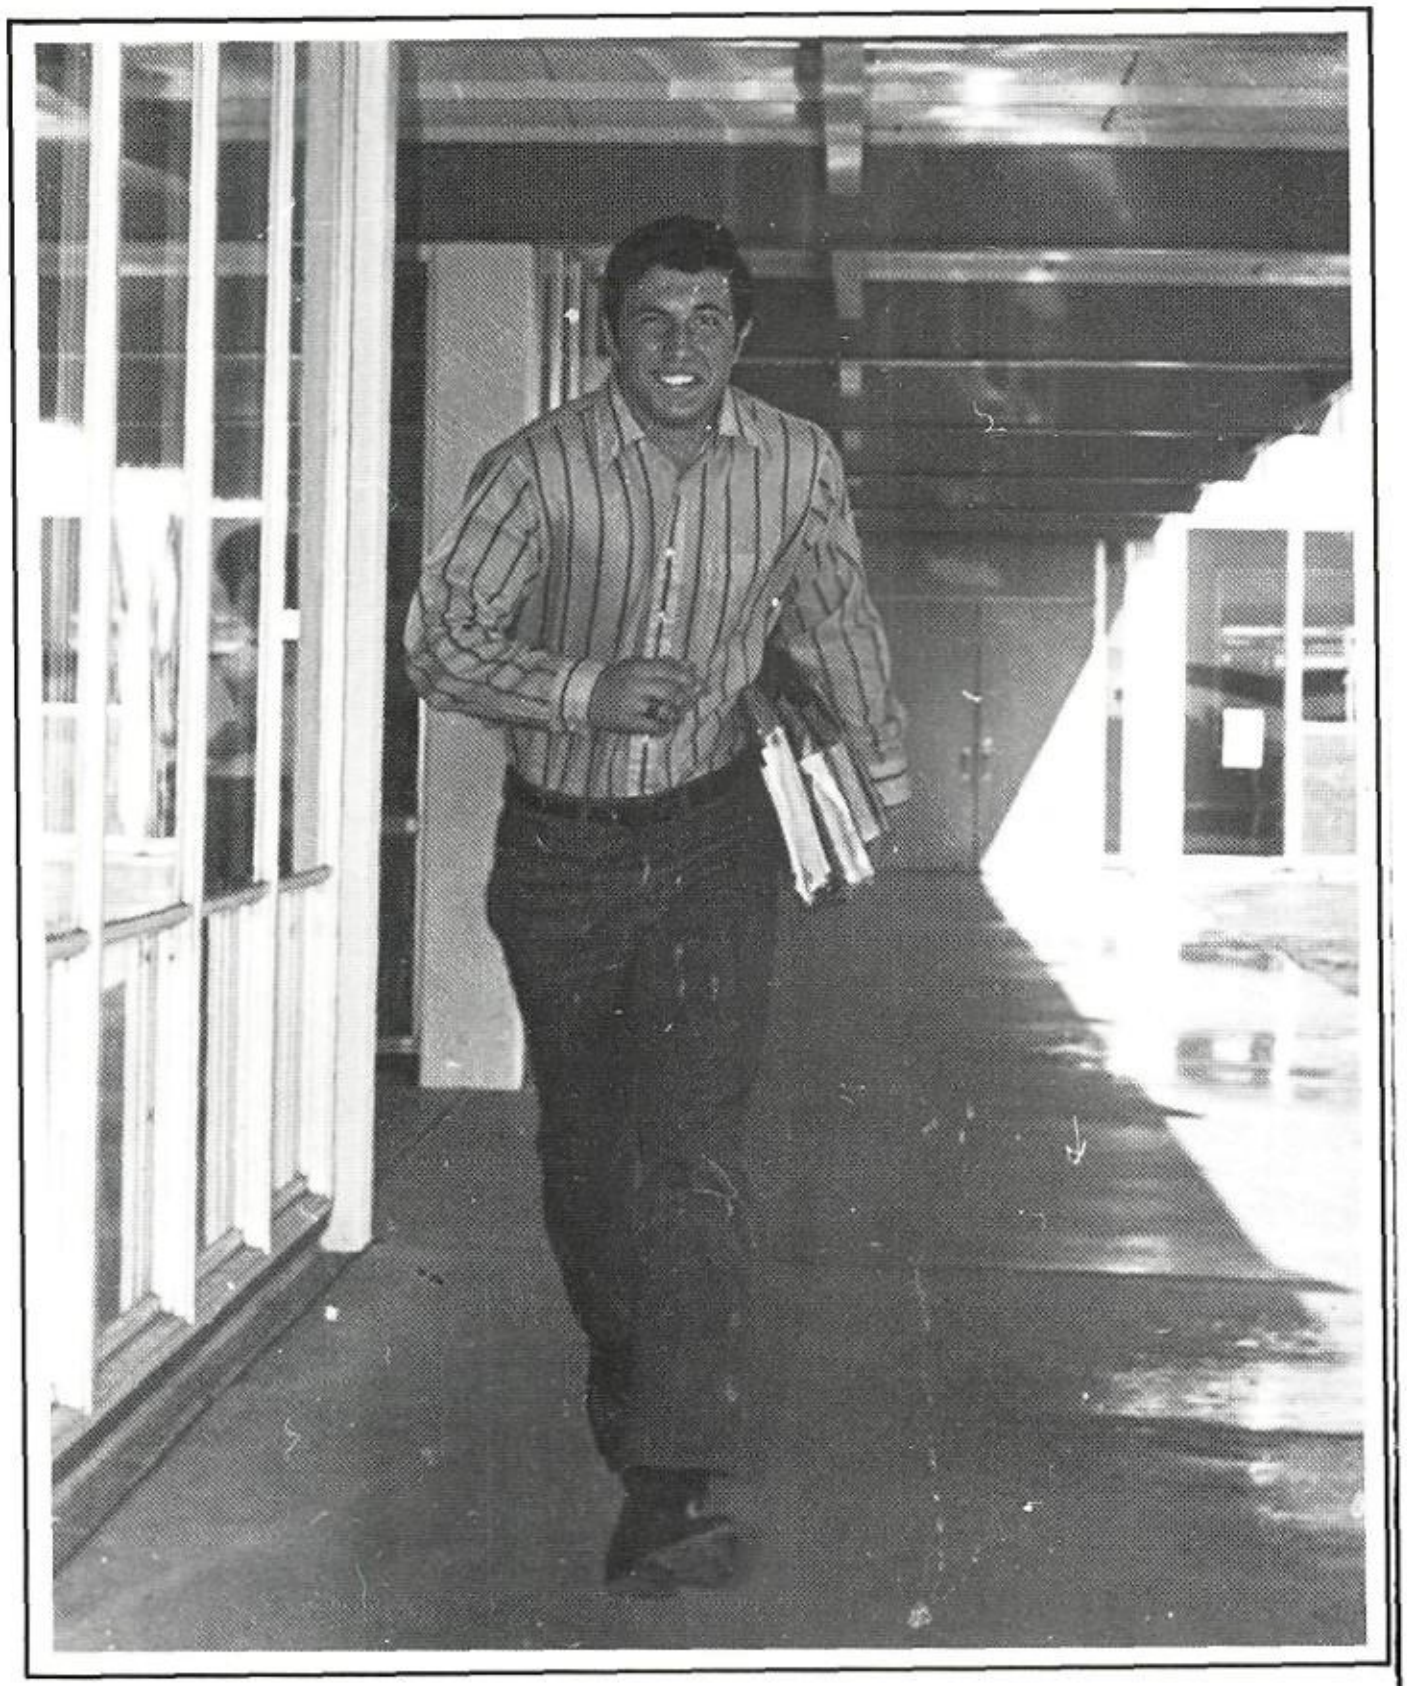
At BHS, school does not just begin with the 8:15 bell indicating for students to go to homeroom. There is a whole unique world existing that is known as "Before School." During these magical minutes wonderous accomplishments are brought forth as students gather in the student center. On many Friday mornings, enthusiastic students gather for an early Pep Rally. Finally, when all the excitement and confusion dies down, there can always be found one student who wishes simply to sit and mull over his thoughts for the approaching day.







ABOVE RIGHT The Drill Team's got morning spirit. ABOVE Sophomores come to BHS with little knowledge of current fashion. RIGHT Kirk Davis feels rather cowardly after realizing that watching television doesn't get homework done.

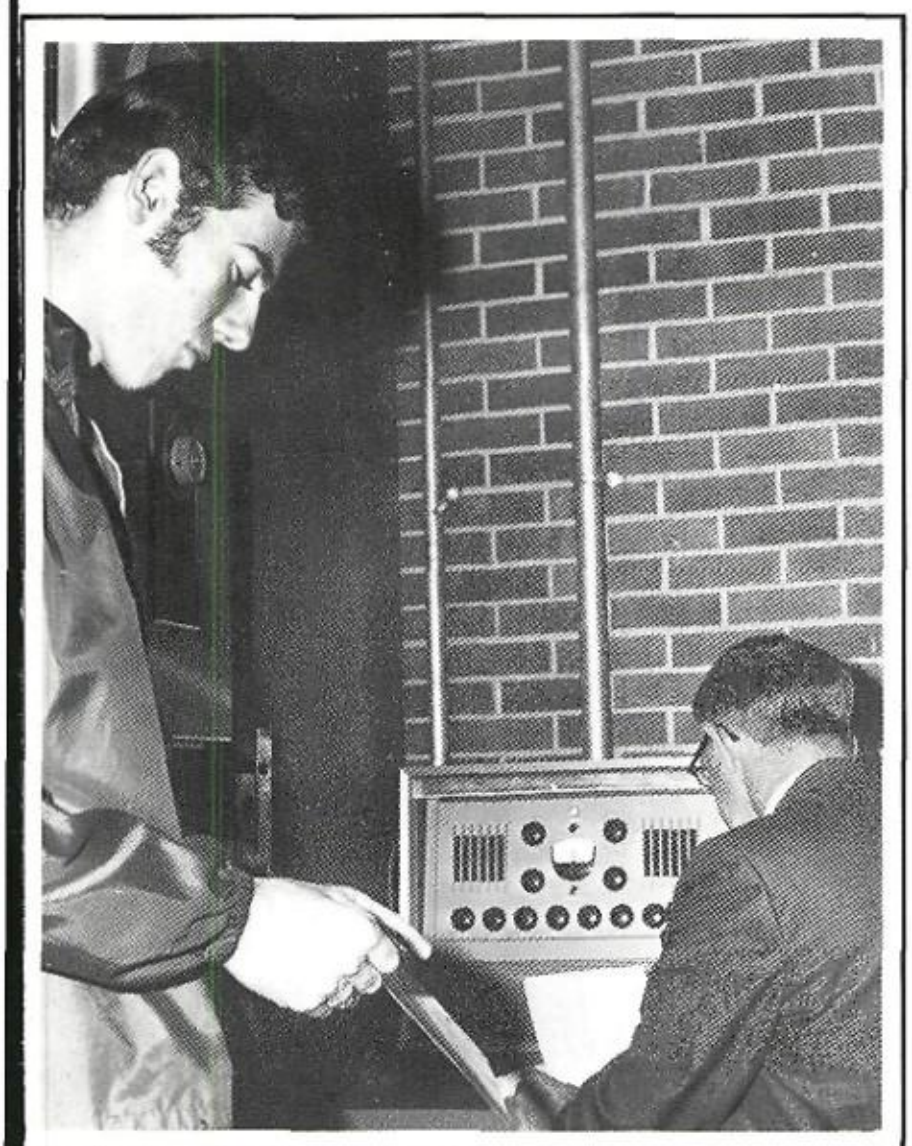


RIGHT Gary Moore finds that playing football keeps one in shape for changing classes. BELOW LEFT Foreign Exchange student, Becky Carter, is made an honorary citizen of Brownwood at a city council meeting.

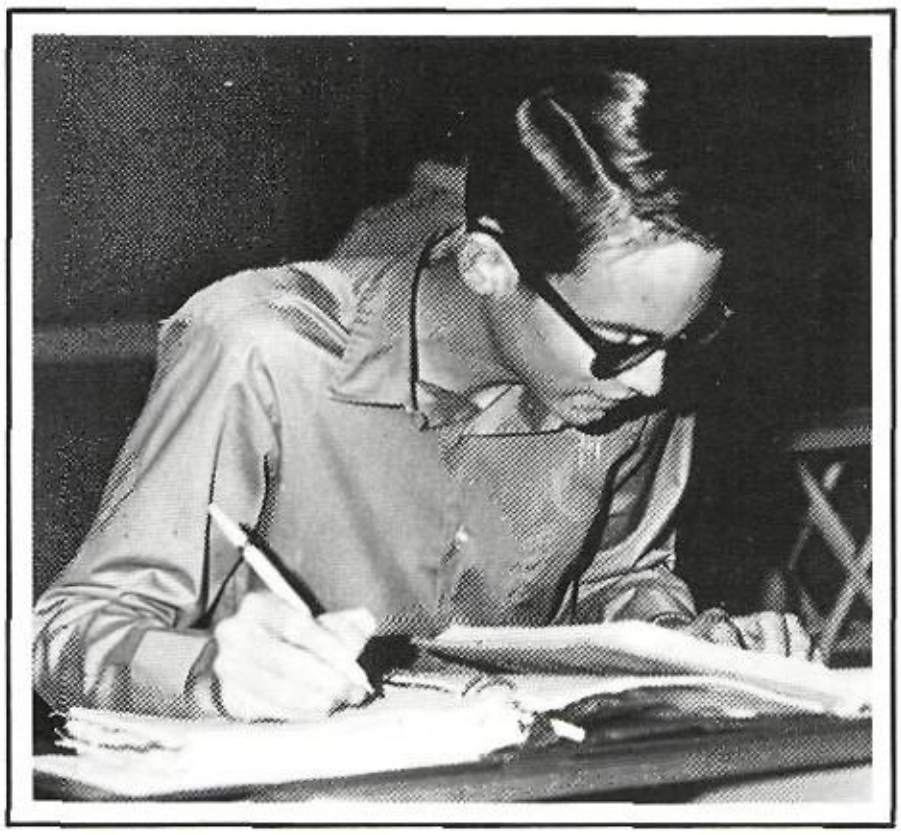
It's a bird

The Pace Quickens as the Day Begins

As the world of "Before School" turns into homeroom, the excitement is still evident on the student's face, and the involvement is carried on through homeroom as the student uses spare minutes to catch up on homework, the latest news, or make announcements. The student finds that the announcements are an important part of homeroom, because he is informed in this way of important events for the oncoming day. Still, there is always a student who finds himself running late and must make a "mad dash" for homeroom.

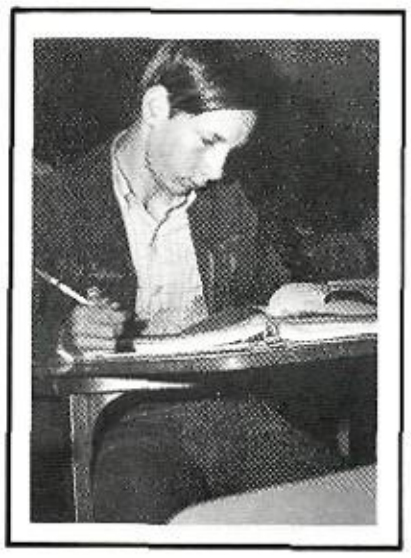


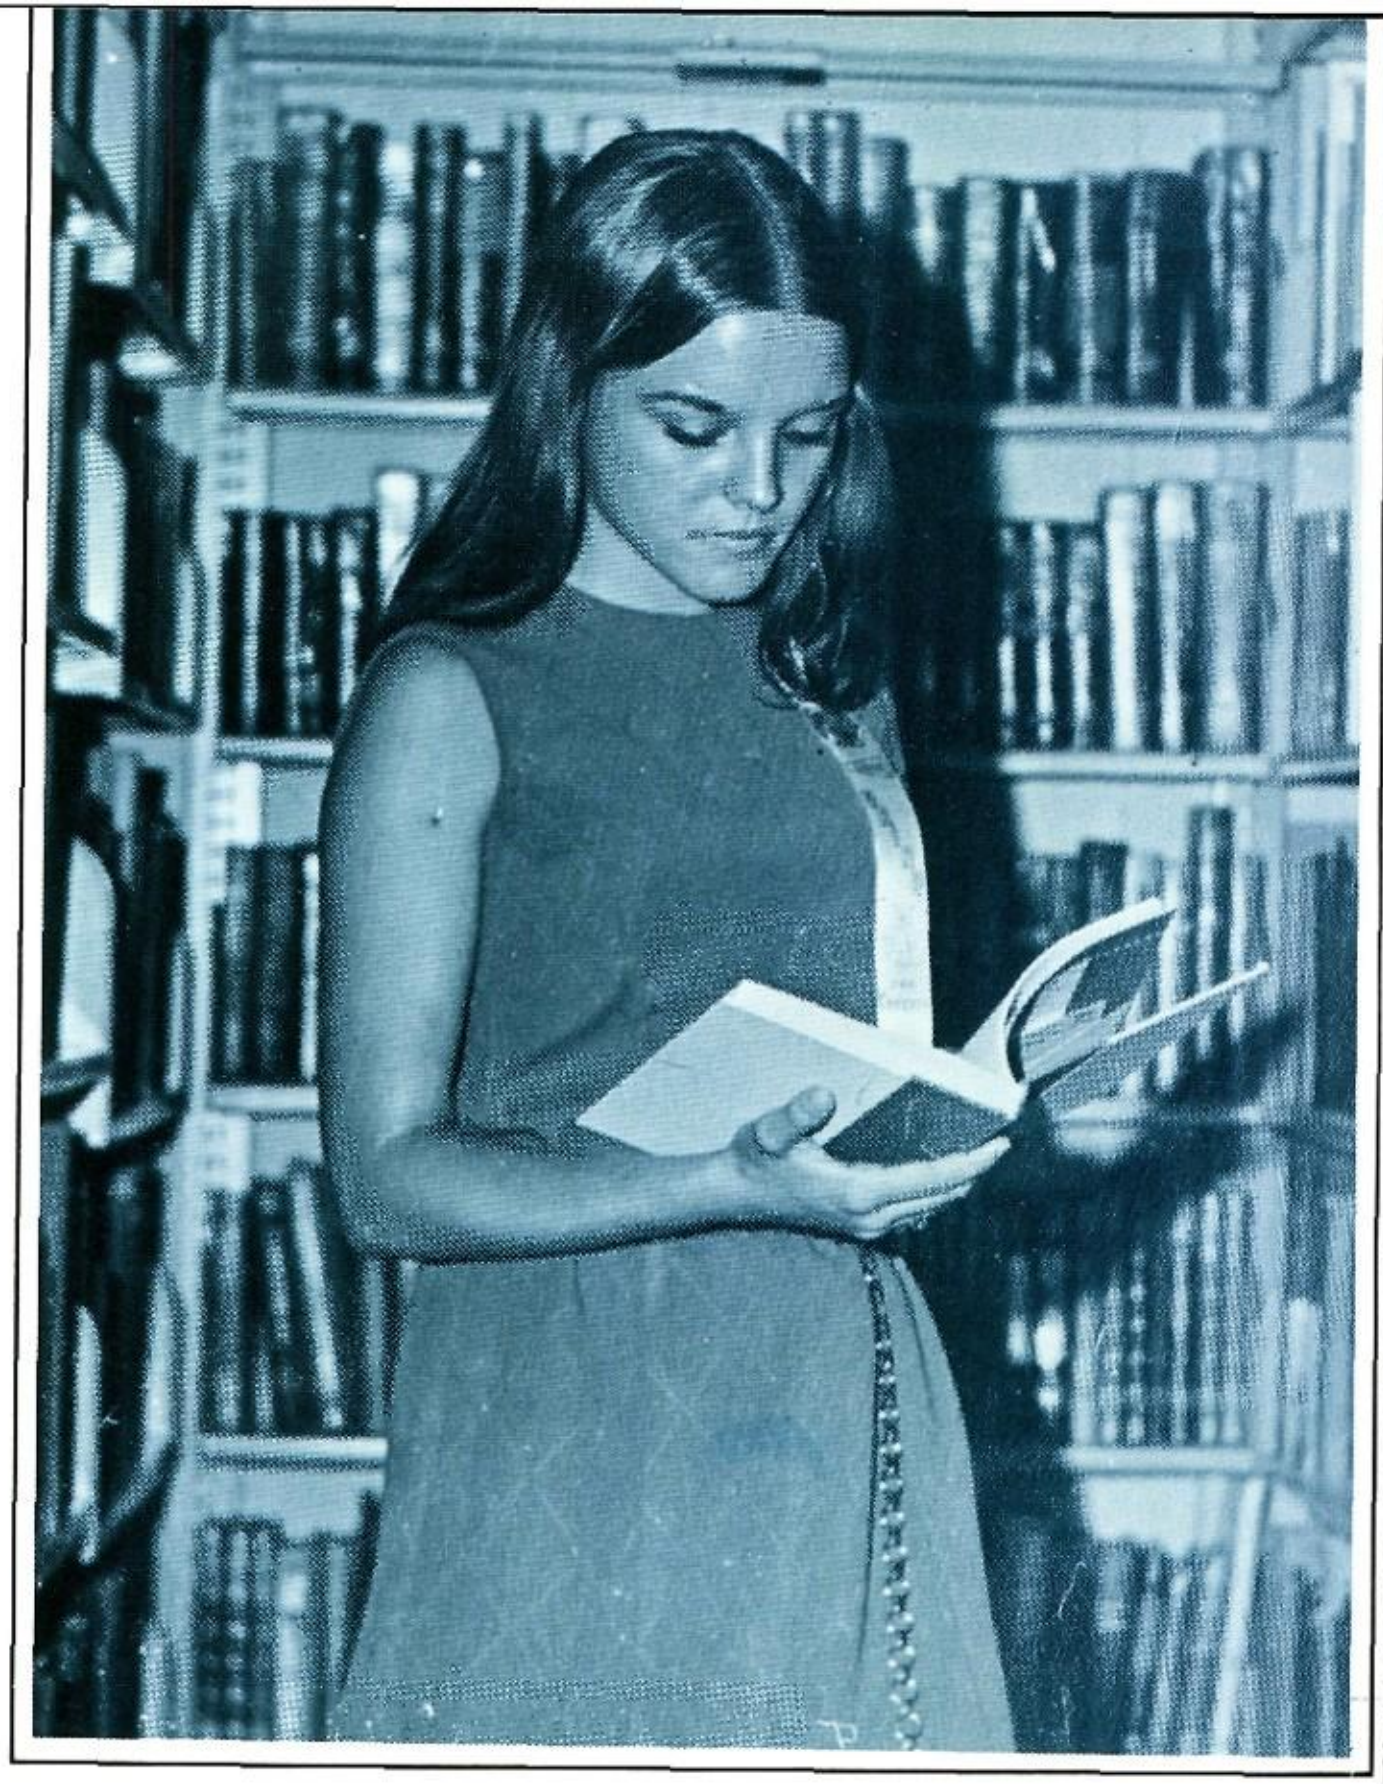
Tony Krischke advises Mr. Warren that it's best to turn the intercom on first.



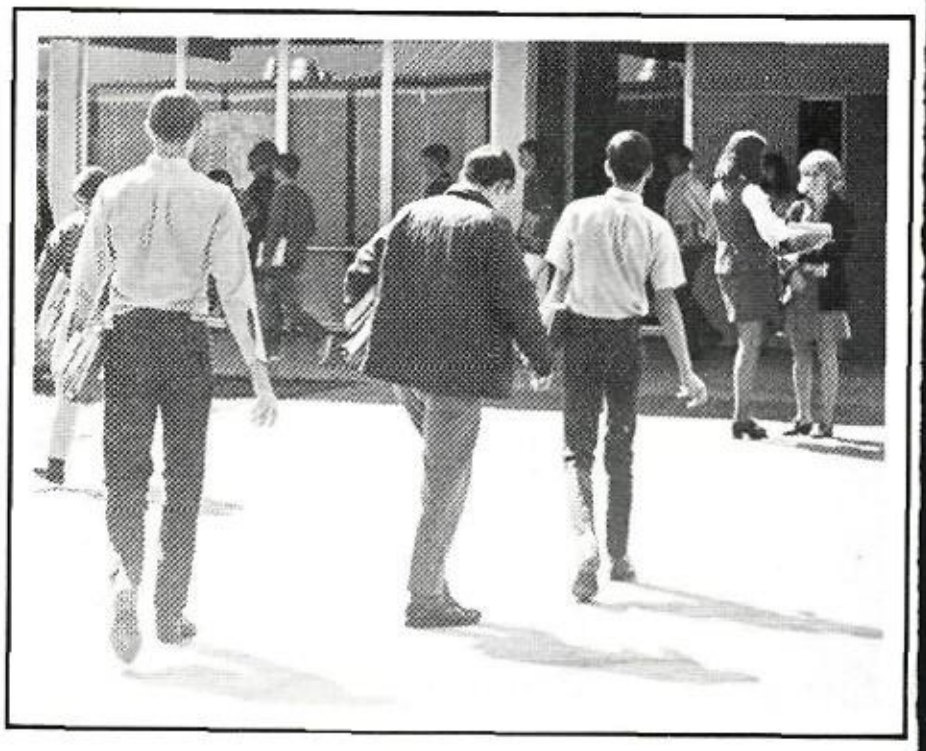
Stephen Burks utilizes extra time before school for studying.

ıne! No! It's senior rings!

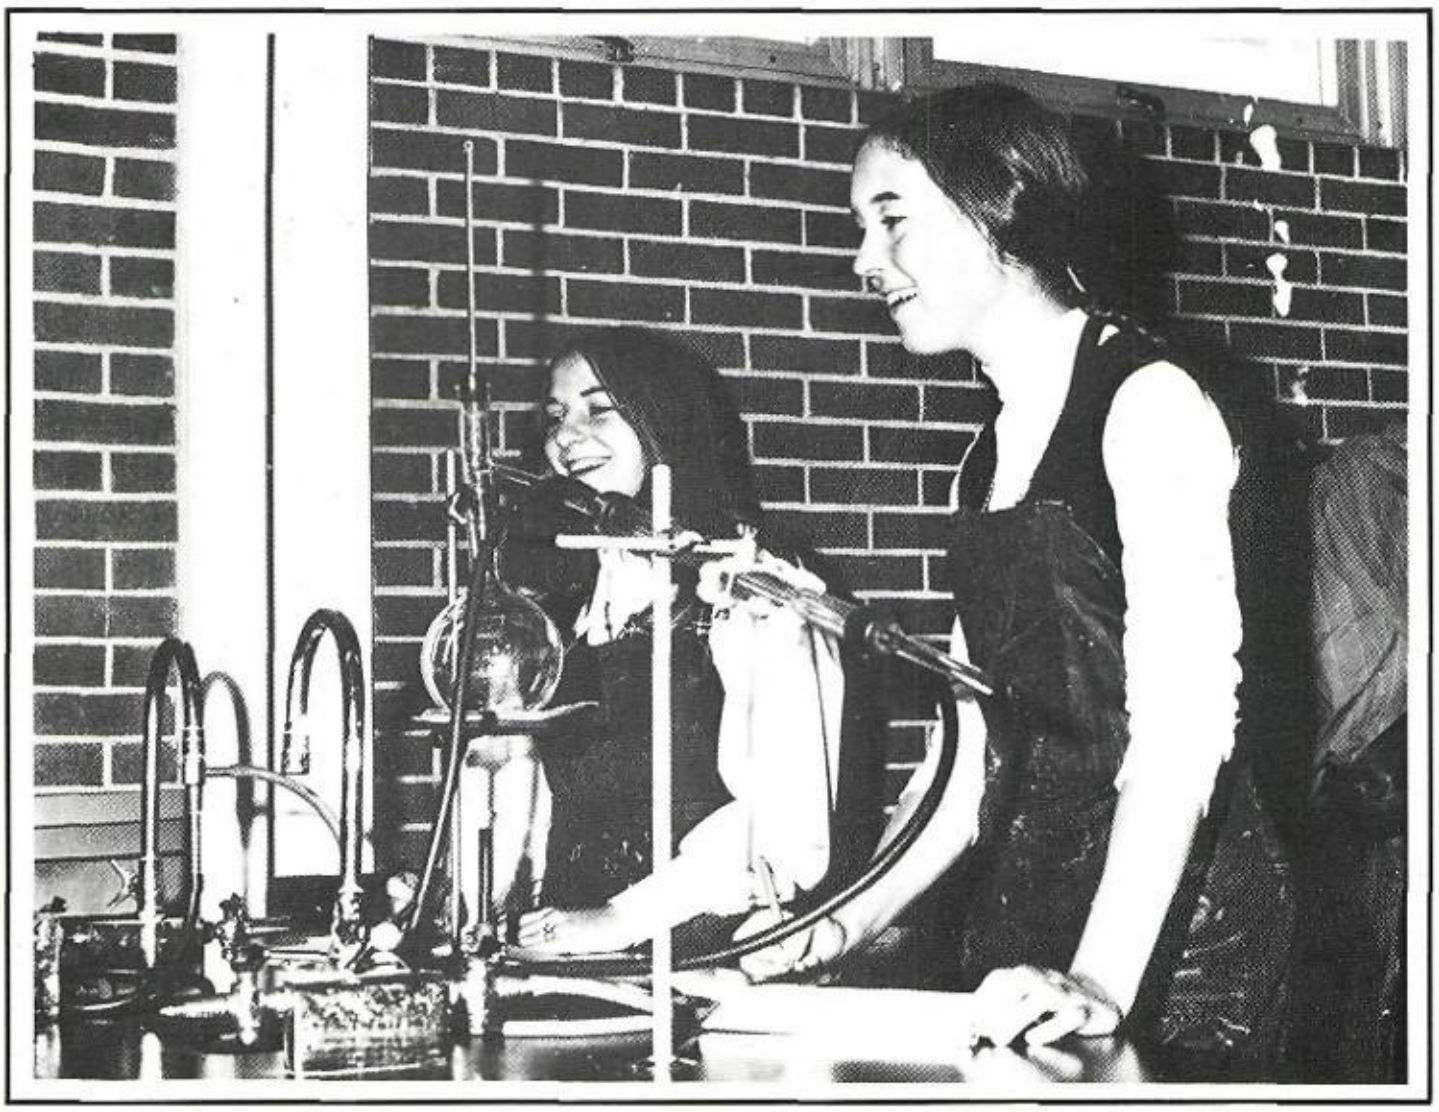




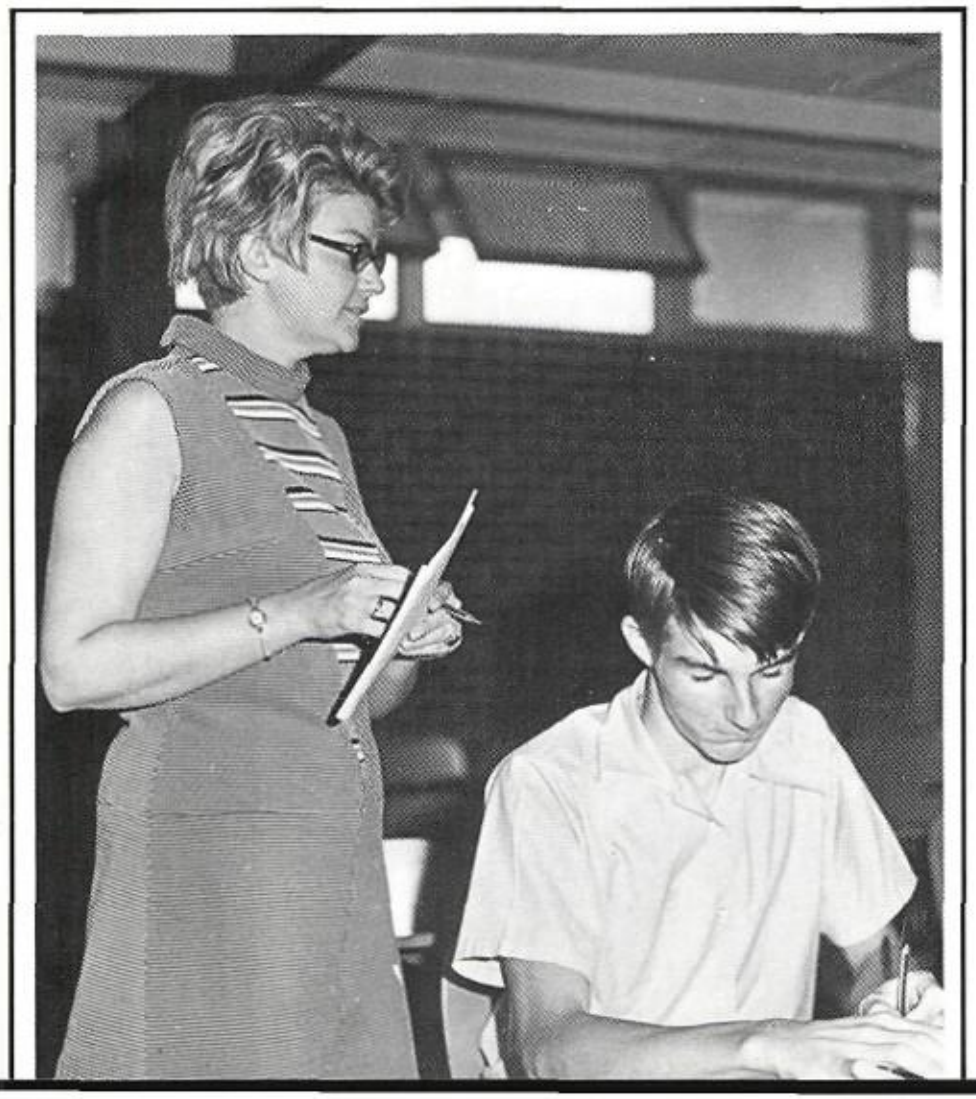
ABOVE LEFT Kendall Fedora schemes as to how he can get four hours of homework in fifteen minutes. ABOVE RIGHT Pam Neal takes advantage of the BHS library facilities. RIGHT Students walk in contemplation to class.



The Essence of Academics Is a Search for Meaning



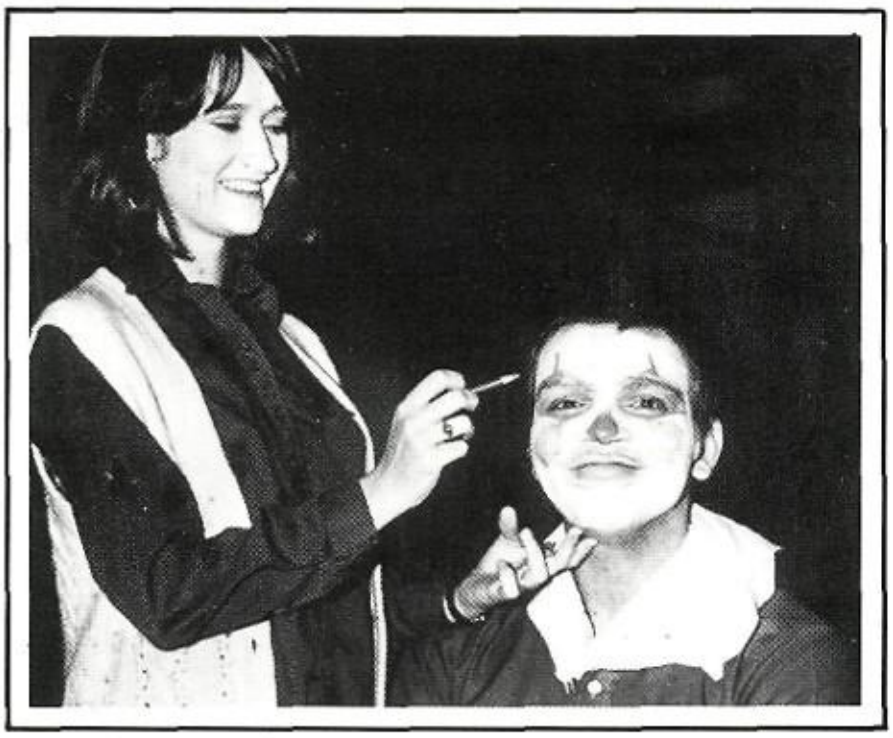
LEFT During Chemistry class, Mary Helen McFarlane and Kaye Bright strive to become mad scientists. BELOW LEFT Mrs. Stovall renders assistance to Jay Longley.



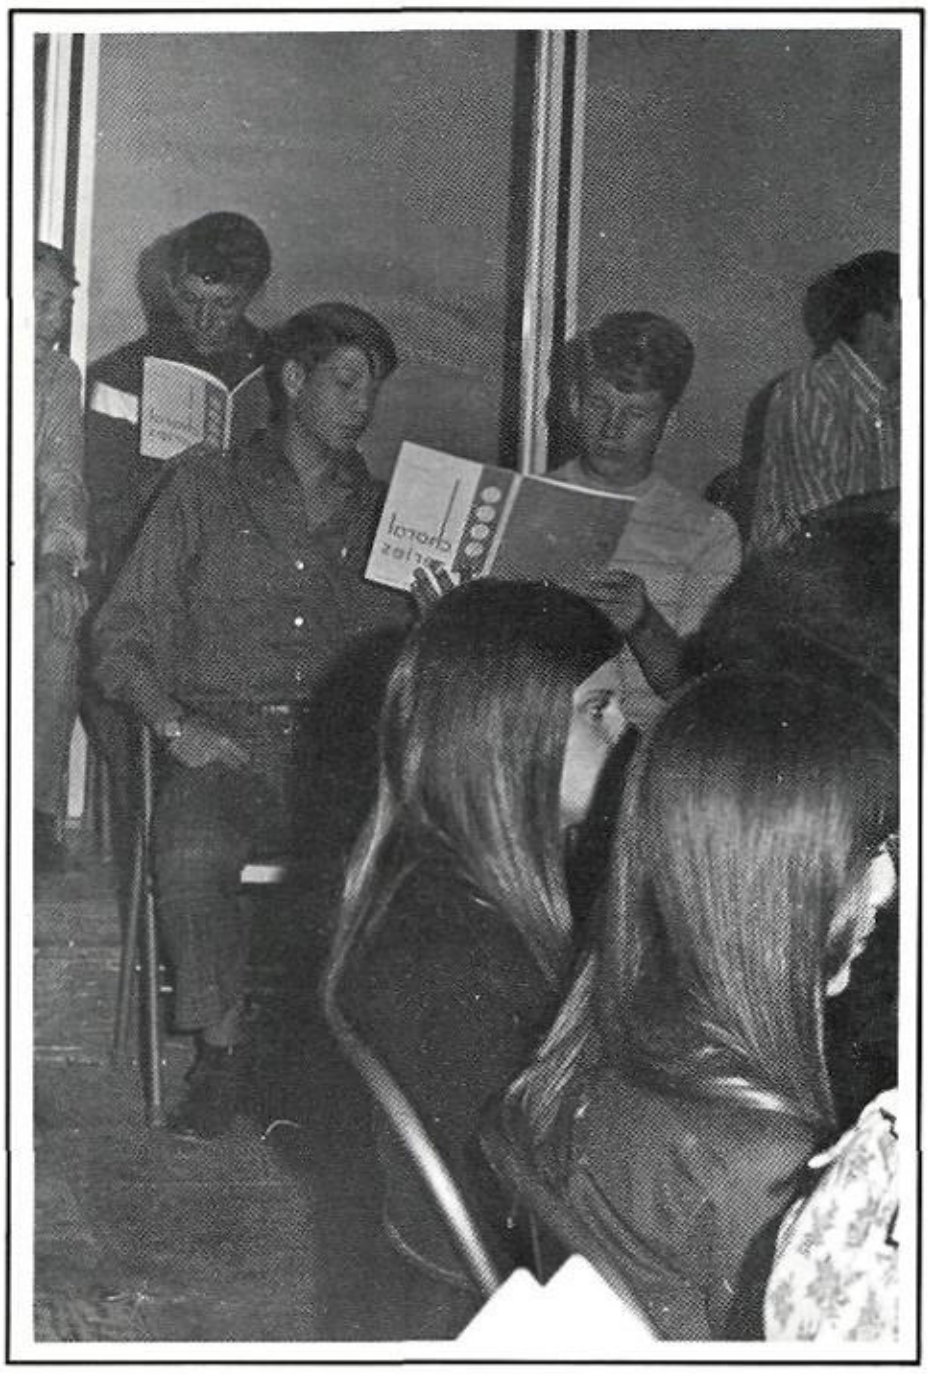
When the aura and magic of before classes and homeroom settles, the student reluctantly gets down to studying. While some students may not enjoy studying as well as the outside activities, the academic part of school invites the student to find his own scholastic interest. Even in the necessary English courses, the student finds that he is able to reach for his own creative interest level. For the student who finds his interest being in the science fields, he is able to experiment and explore what is unknown to him. Whether the student's endeavors are English, languages, history, math, or science, there can be an assurance of uniqueness and individualism in his work. In any case, the BHS student is in an unending search for meaning in his studies.

Realizing that no two students' interests are exactly alike, BHS offers a variety of elective subjects to select beyond those that are required. Through these elective subjects, a student is able to pursue his own individual interests. Whether these interests lead to subjects such as music or to the wide range of business courses, the student is free to choose that which suits his own needs now and after graduation.

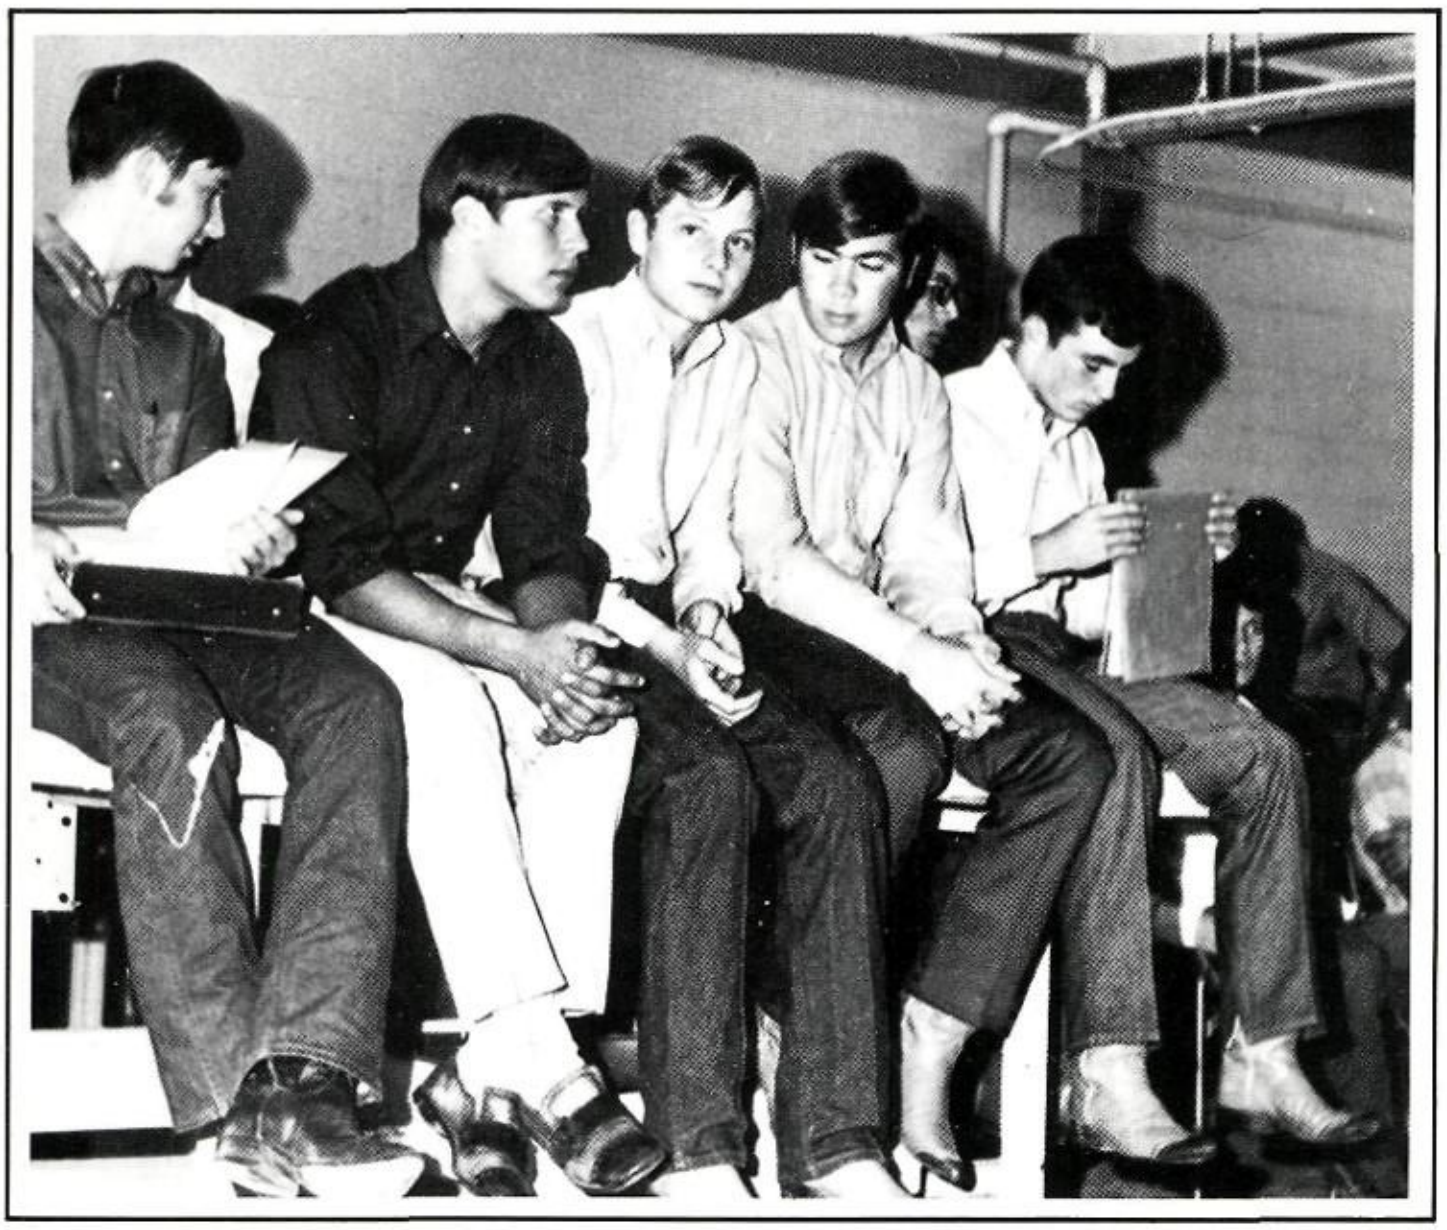
By means of the elective subjects, a student is not only given an opportunity to enjoy studying more, but is also able to have a feeling of fulfillment by studying subjects which aid his own purposes.



RIGHT Nancy Harlow demonstrates theatrical makeup on Dennis Donley in drama class. BELOW Senior Sherry Kelley devotes a free period to library work.

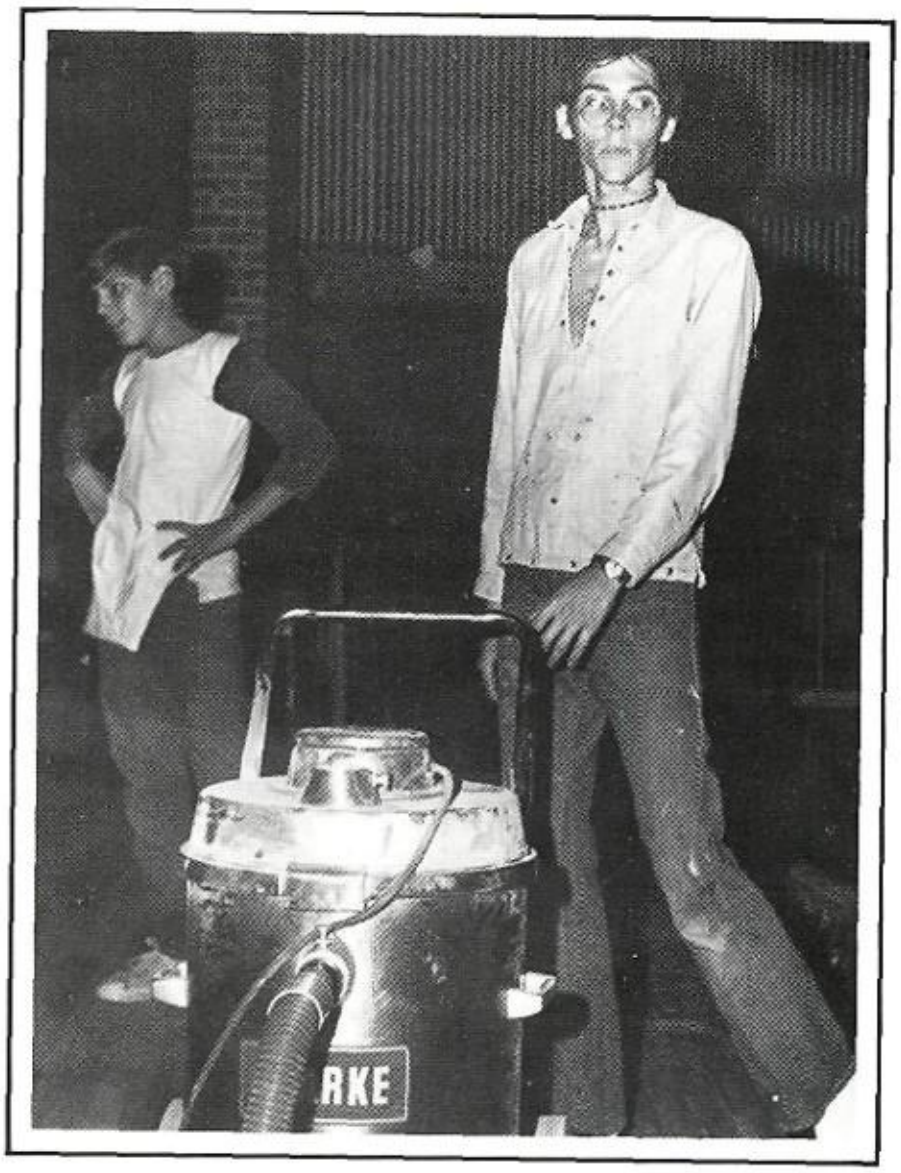


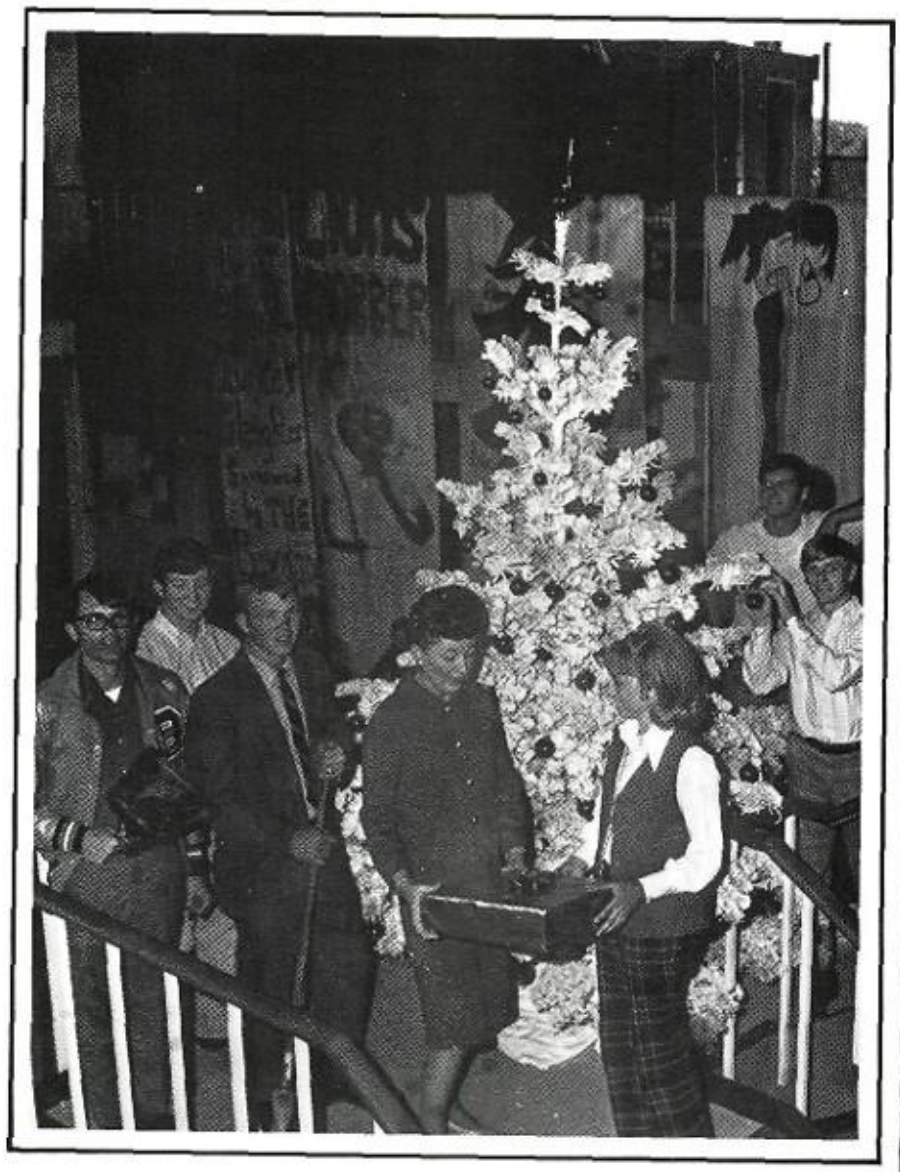
Opportunities Are Offered for Individual Development



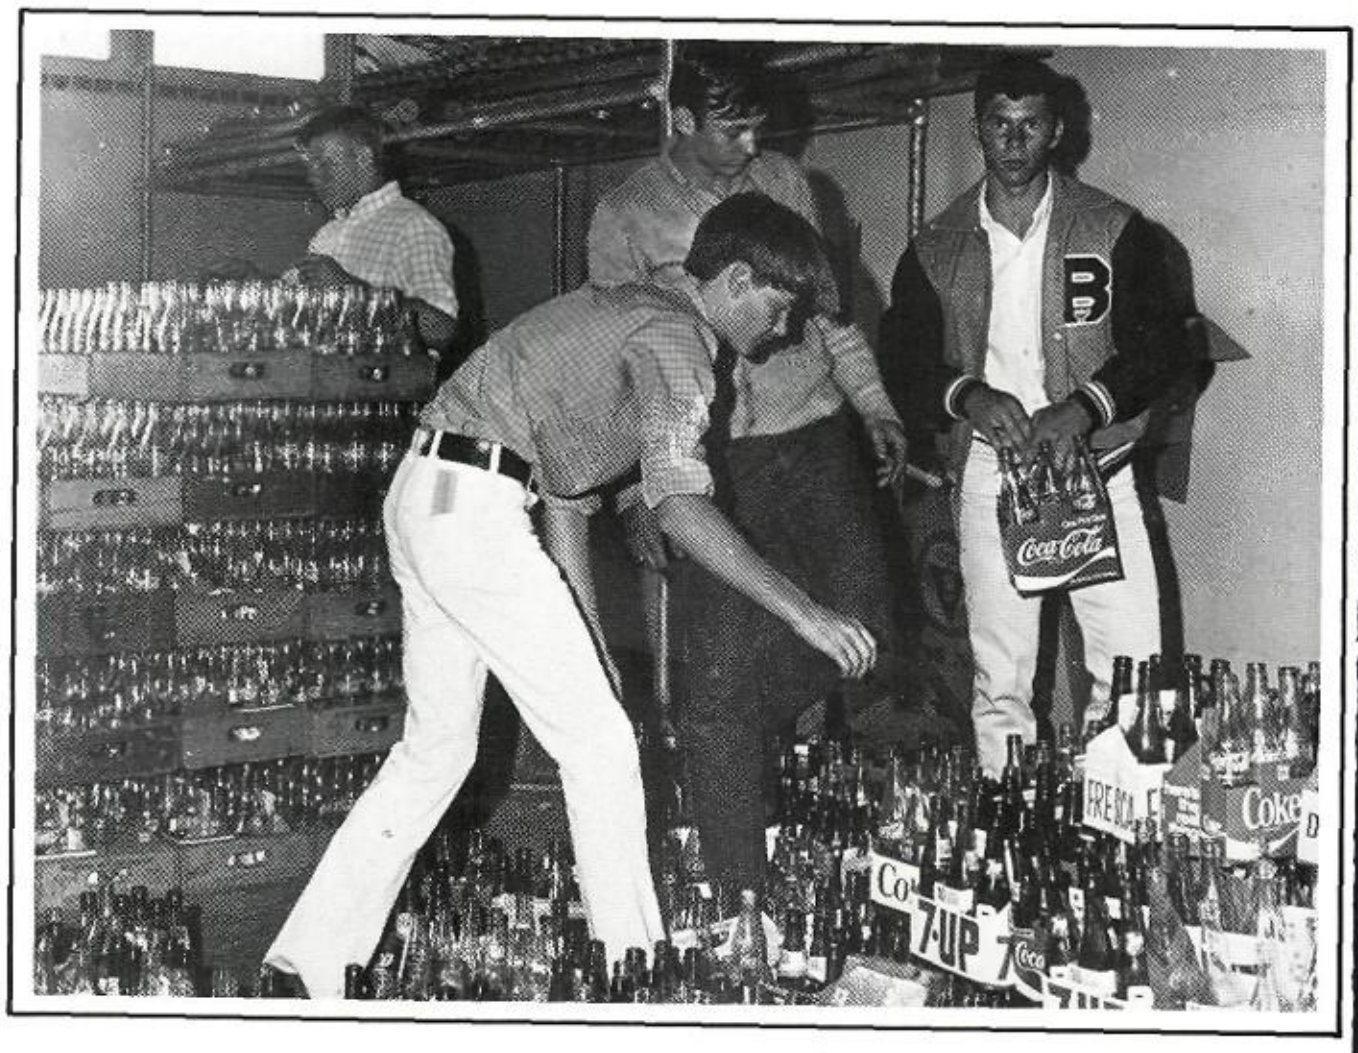
ABOVE LEFT Sophomore choir students become talented musicians. ABOVE RIGHT Sue Smith, Bernice Hutchinson, and Bobby Waller enjoy creative expression in the arts and crafts class. LEFT An informal atmosphere adds to the interest of agriculture classes.

Extracurricular Activities Improves Students' Culture



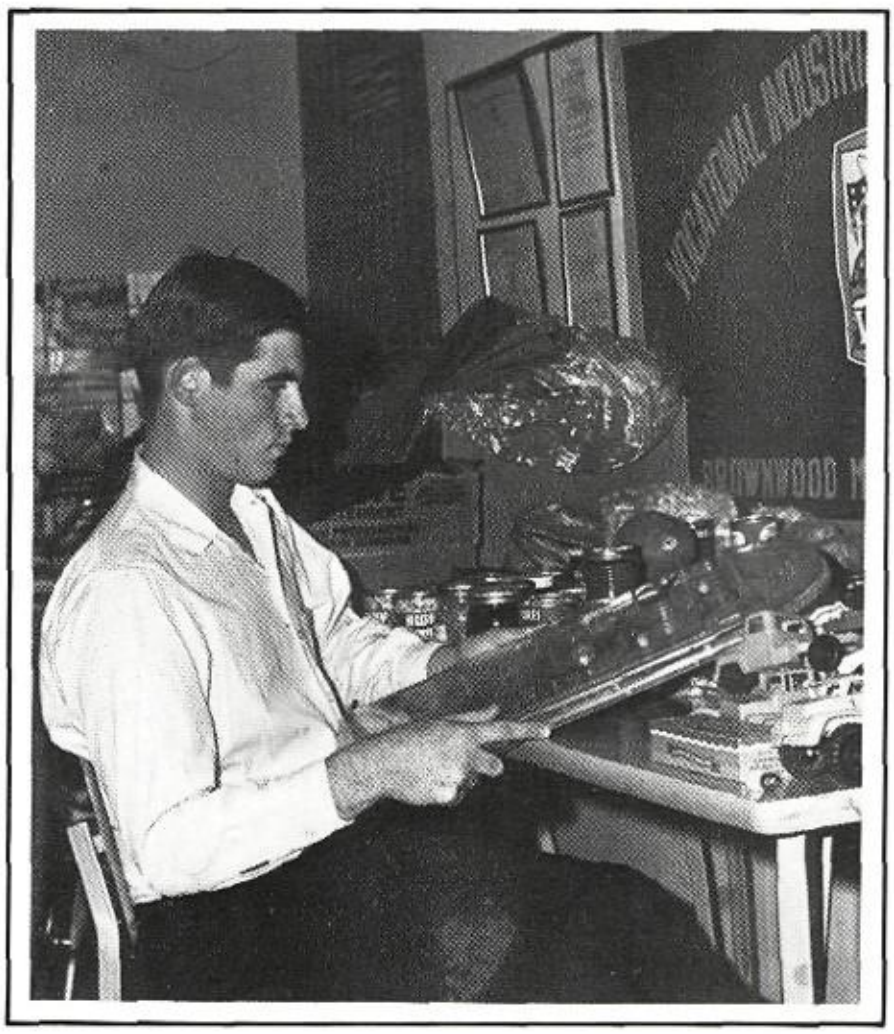


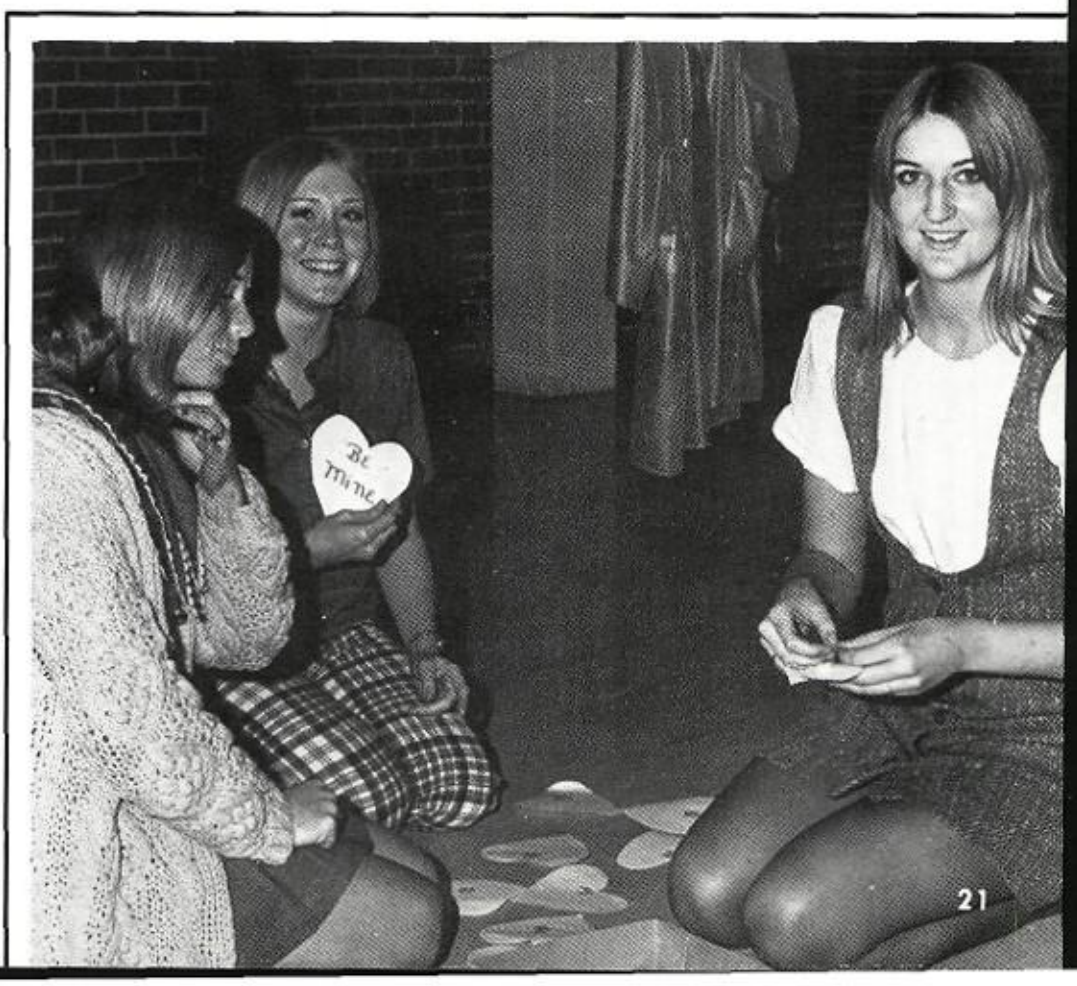
ABOVE Thespian members, Greg Hass and Wallace Braud, clean the stage after the "Firebugs." ABOVE RIGHT National Honor Society Members help fill BHS with the Christmas spirit. RIGHT To add to the new stadium fund, John Isom, Tim Brown, Stephen Loyd, and Gene Doss count up collected soft drink bottles.
OPPOSITE PAGE
TOP LEFT Student Council member, Bill Stone, sells a student directory to Kerry Scaff. TOP RIGHT Gary Reynolds looks over the many toys and canned foods collected by Metal Trades for unfortunate families. BOTTOM LEFT FHA'ers, Deborah Mullins, June Wallace, and Becky Sweeney model fashions seen at BHS and the ones they modeled in the Youth Fair. Becky's outfit placed third in the Make It Yourself With Wool district contest. BOTTOM RIGHT Art Club members, Pat Johnson, Cindy Jarvis, and Kristy Day, promote love among the students by putting Valentines on the lockers.



Learning is always an important part of life at BHS. Yet, equally important is the individual involvement in clubs and organizations that is emphasized at BHS.

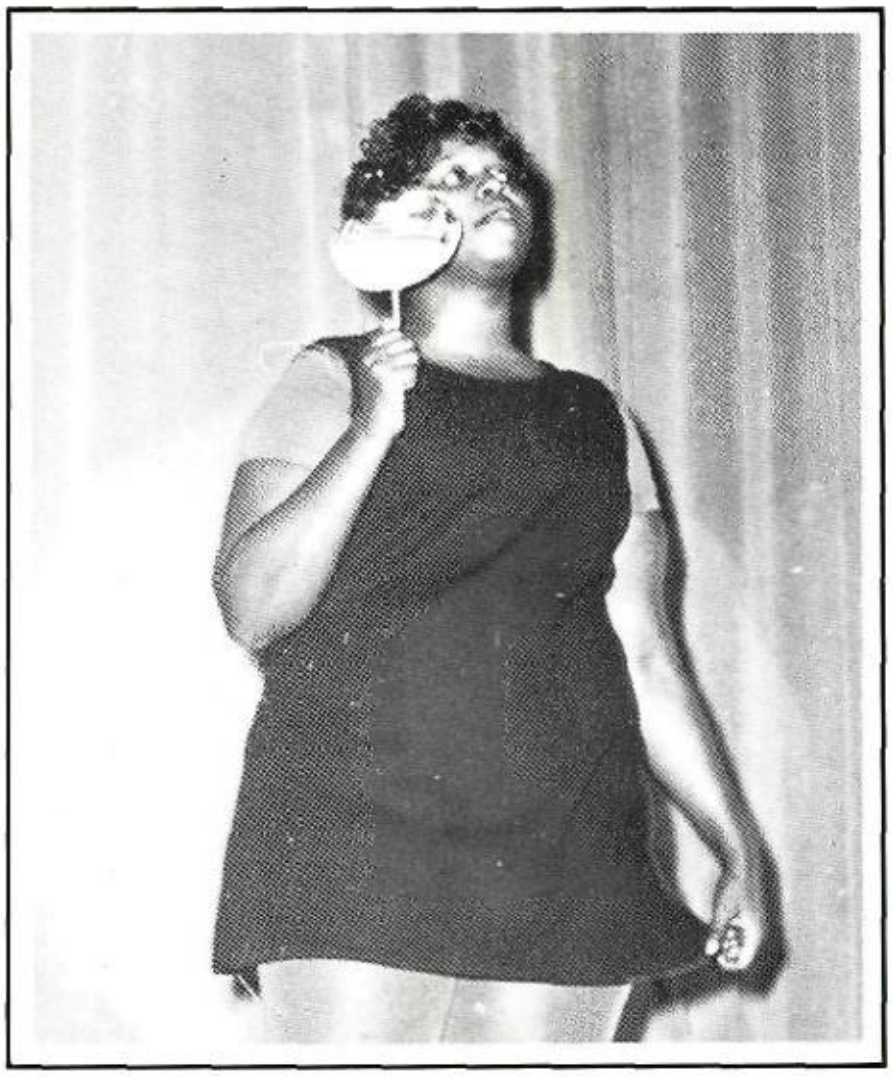
Through organizations, the student is able to achieve a sense of unity and fulfillment by working and planning today. Many times the work is hectic and unusual, yet the outcome is worthwhile. Sometimes the reward is a new friend, or just the experience of helping to work toward a goal. It is this kind of reward from involvement that lasts a lifetime.



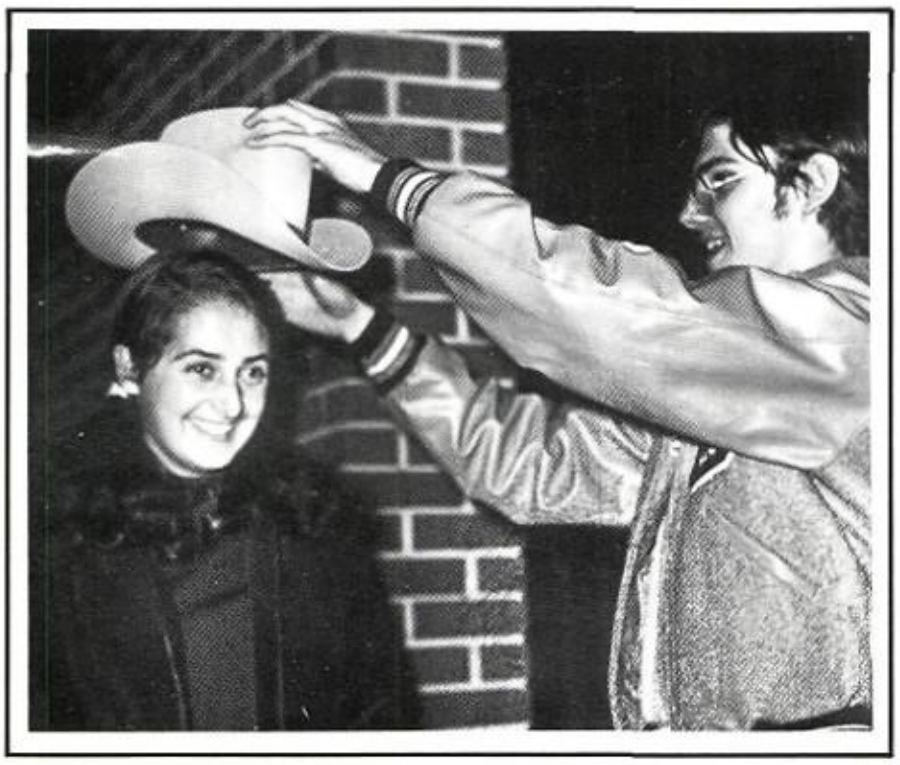


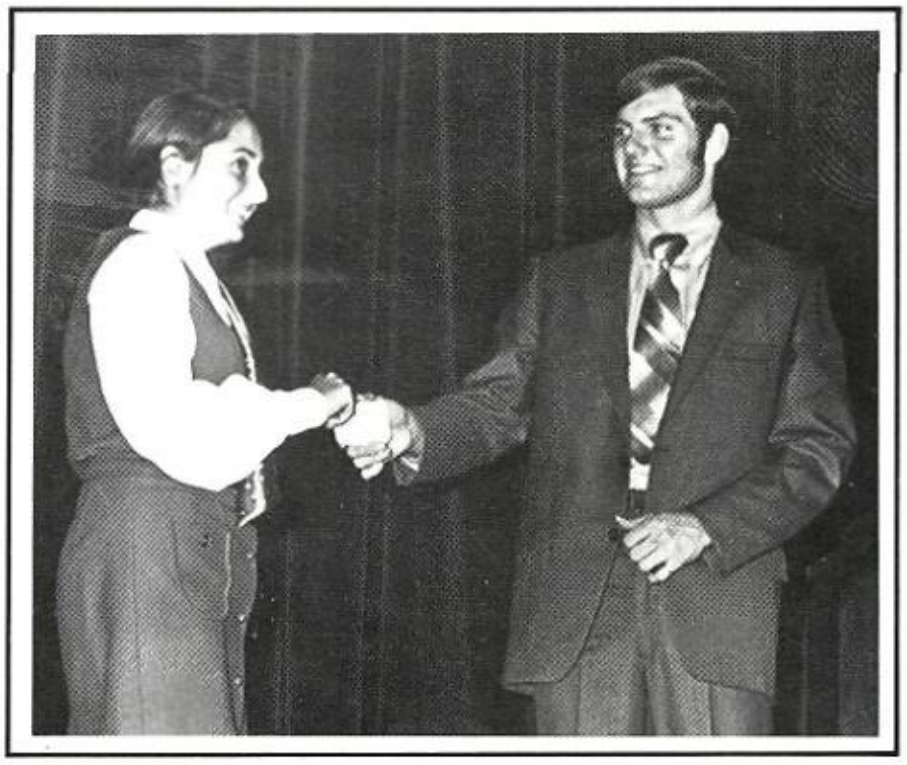
Enthusiasm and Participation Are Evident at BHS

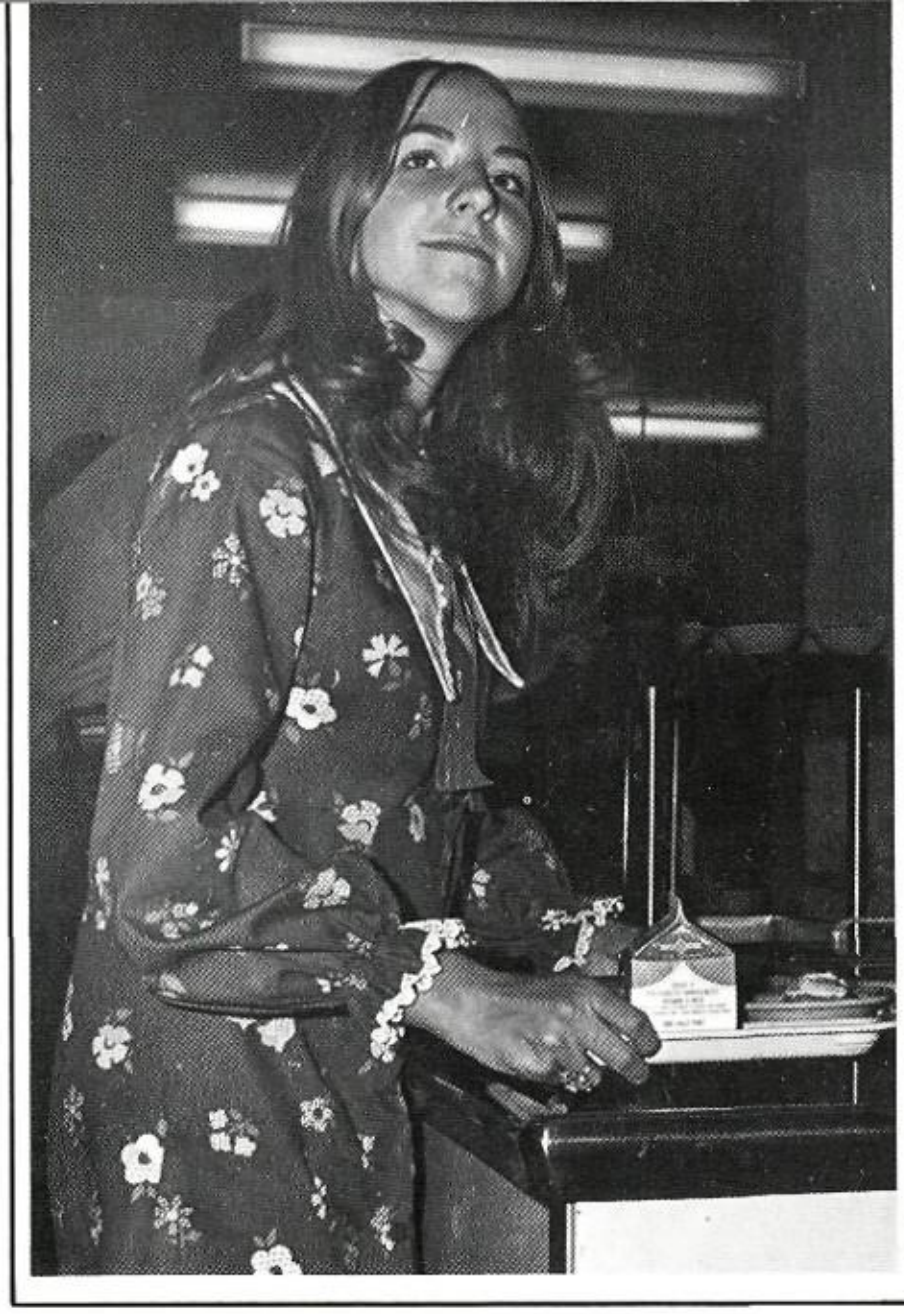
TOP The football team stands at attention, during the playing of the alma mater. TOP CENTER With money raised by the pantomime assembly, Wallace Braud, Thespian president, presents Becky Carter with a Texas size hat. TOP RIGHT Becky Carter receives an honorary membership to the National Honor Society from club president Howard Norris. RIGHT Phyllis Wells steals the spot light at the annual pantomime show. FAR RIGHT Sophomores elect class officers.

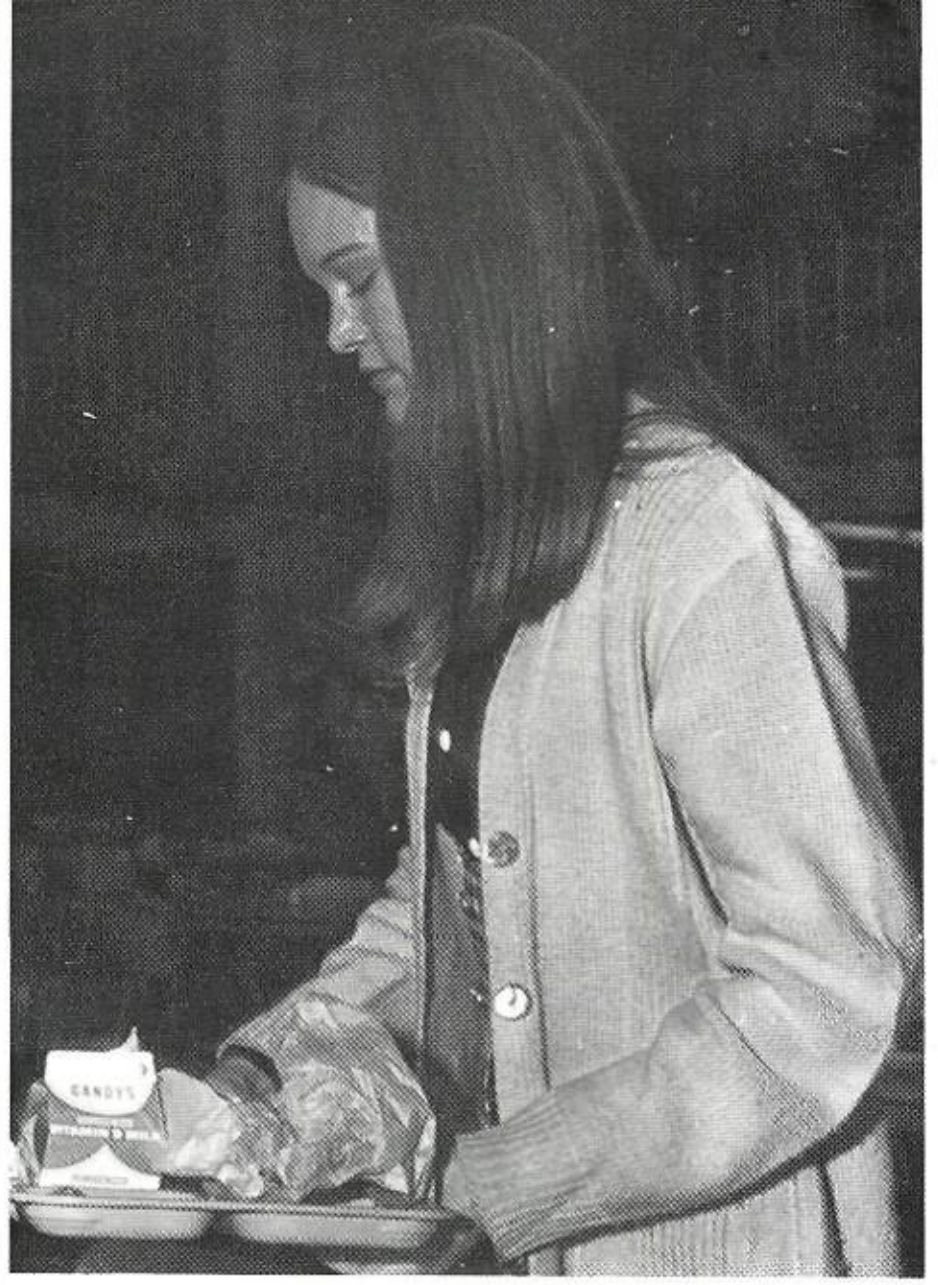


As the bell rings at 11:30 each day, it is indicating more than the end of the third period class. This is the time in which students converge on the auditorium or the gymnasium for either pep rallies or assemblies. During assemblies, the students are able to relax while learning in an entertaining way, and often the students themselves participate in the varied programs. At pep rallies, students are able to cheer and give support to their Lion team. Whether in assembly or at pep rally, activity period is always an exciting and enjoyable time of day.



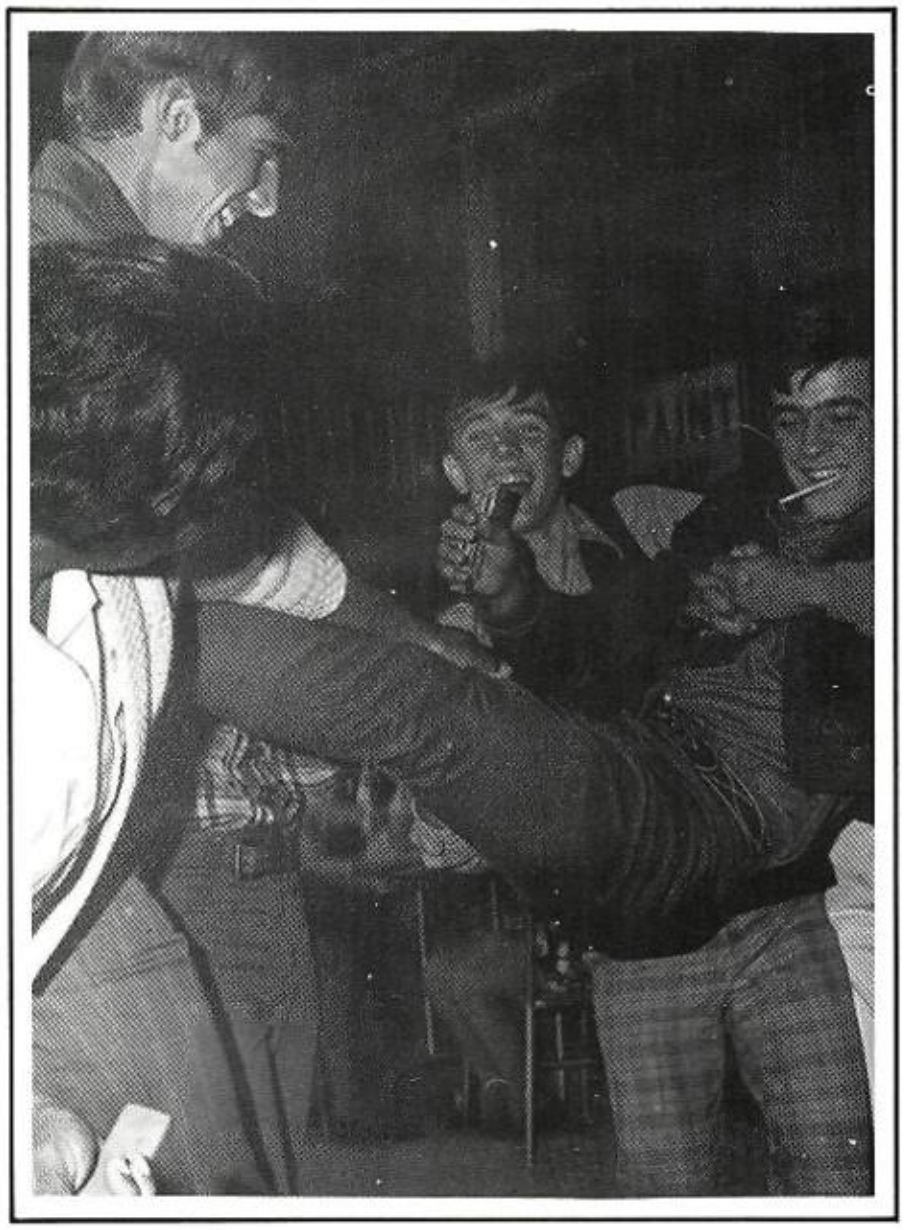






TOP LEFT Mary Helen McFarlane explains in the lunch line, "It looks good, but the odor would kill anyone." TOP RIGHT Marla McAliley tidies up a lunch table. RIGHT Keith Madole exclaims, "Birthdays always touch a tender spot at BHS."

Happiness Is Lunch at BHS



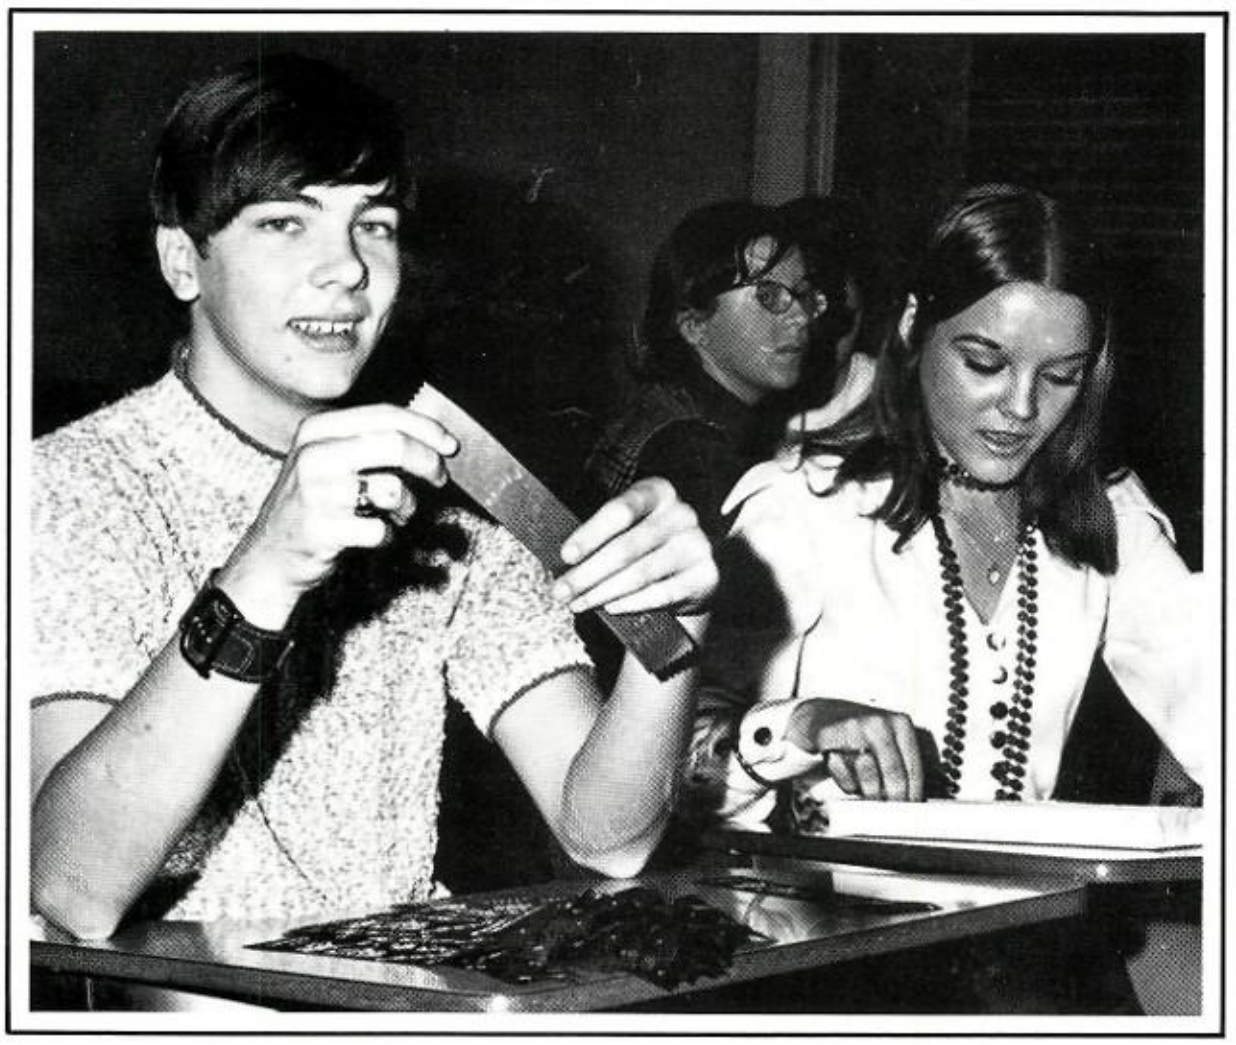
Everyone at BHS anxiously anticipates lunch period. During this time, each student and teacher has a thirty minute lunch period, and it is amazing how much can be accomplished in only 1,800 seconds. Students not only manage to eat, but manage to talk and assist Mrs. Harris in wishing a student a "Happy Birthday!"

LEFT BHS students enjoy a relaxed lunch. BELOW Mary Old's attire is an example of the many fashions seen during Co-Ed Booster initiation.

Sixth Period Is . . .

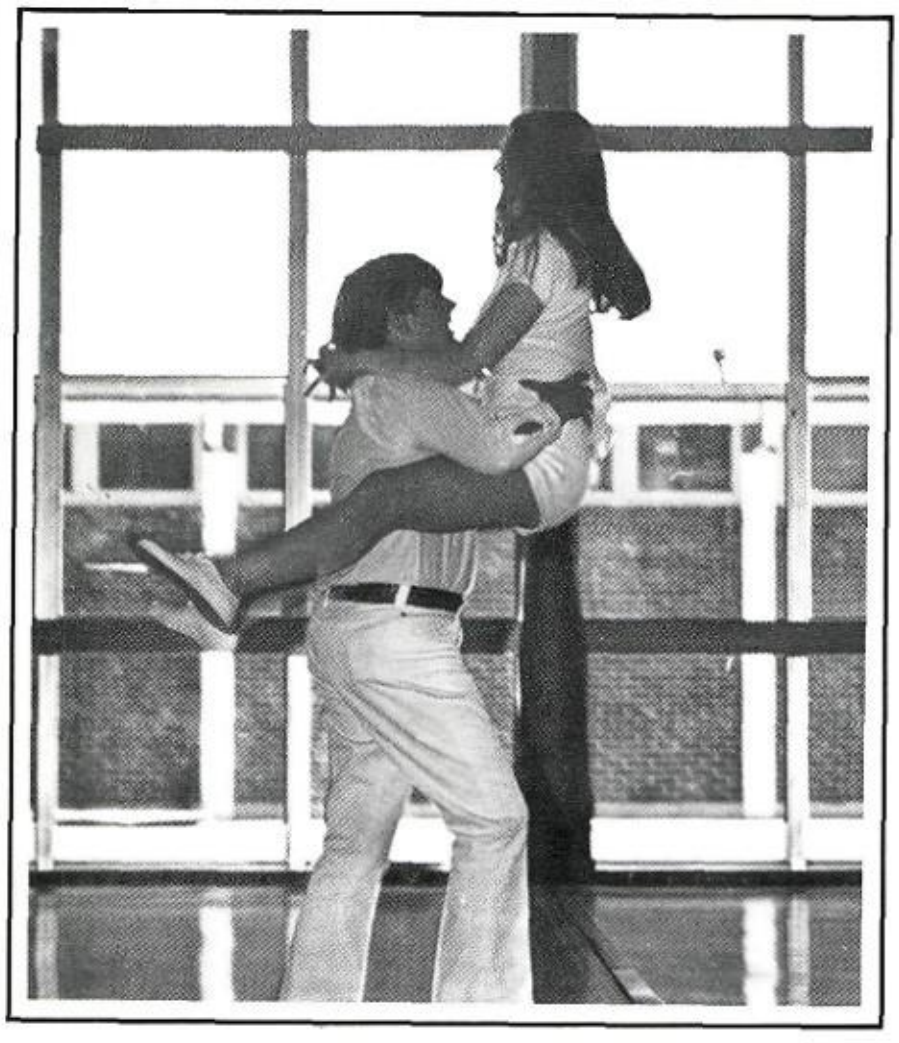
As the day moves on, the final hour is found to be one of the busiest times of the day. During the sixth period, everything from regular classes to athletics and other extracurricular activities take place. As the school day draws to an end, it is quite evident that sixth period is a vital and very involved part that goes into the makeup of a day at BHS.

As PECAN editor, Vicki Kitner wishfully dreams, "If we only could have a yearbook with no copy or captions."



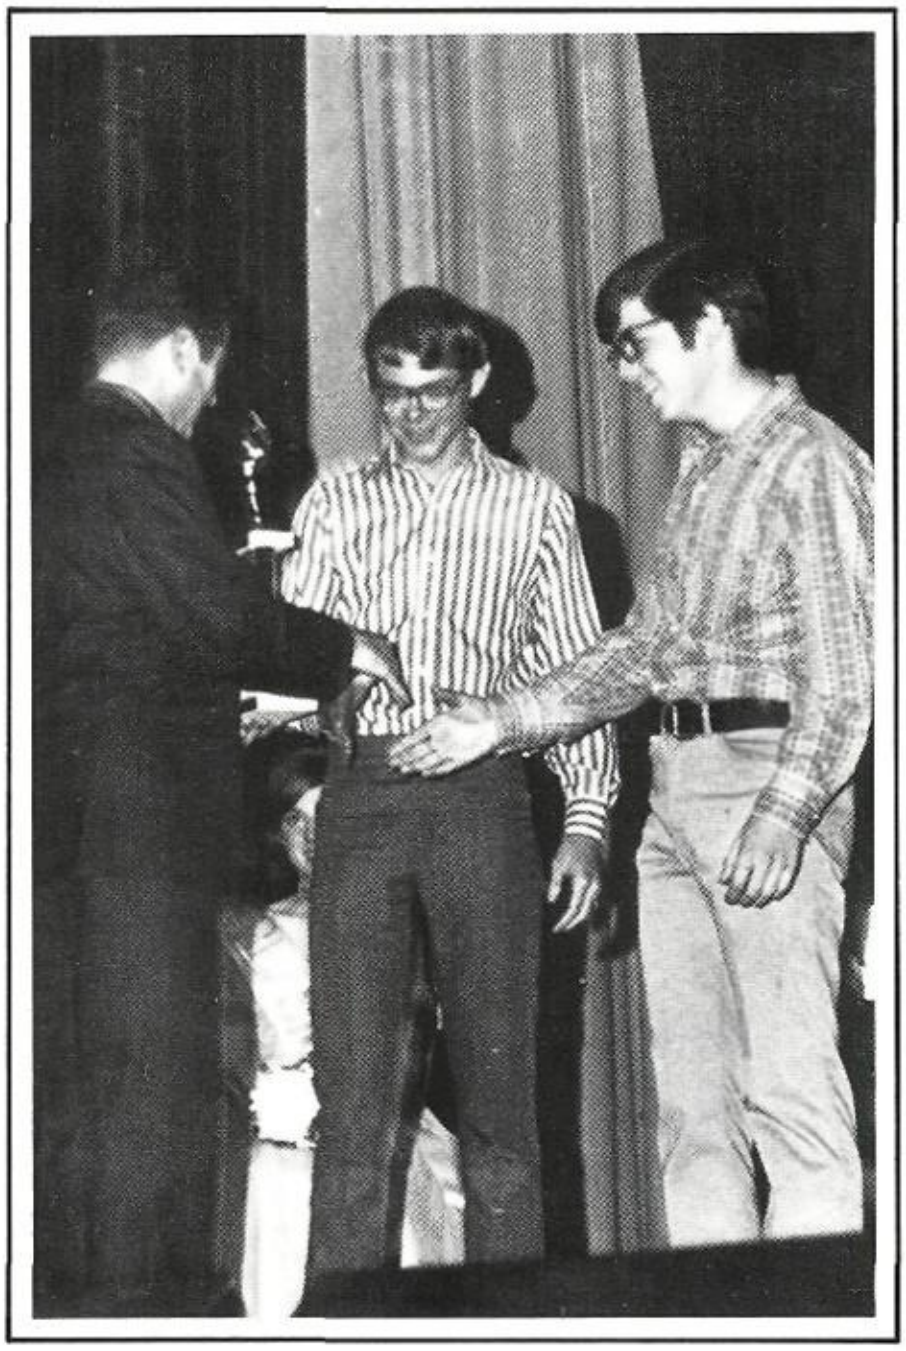
TOP As the final bell rings, the students scatter. BOTTOM Michael McShan and Pam Neal prepare for the weekly spirit ribbon sale.

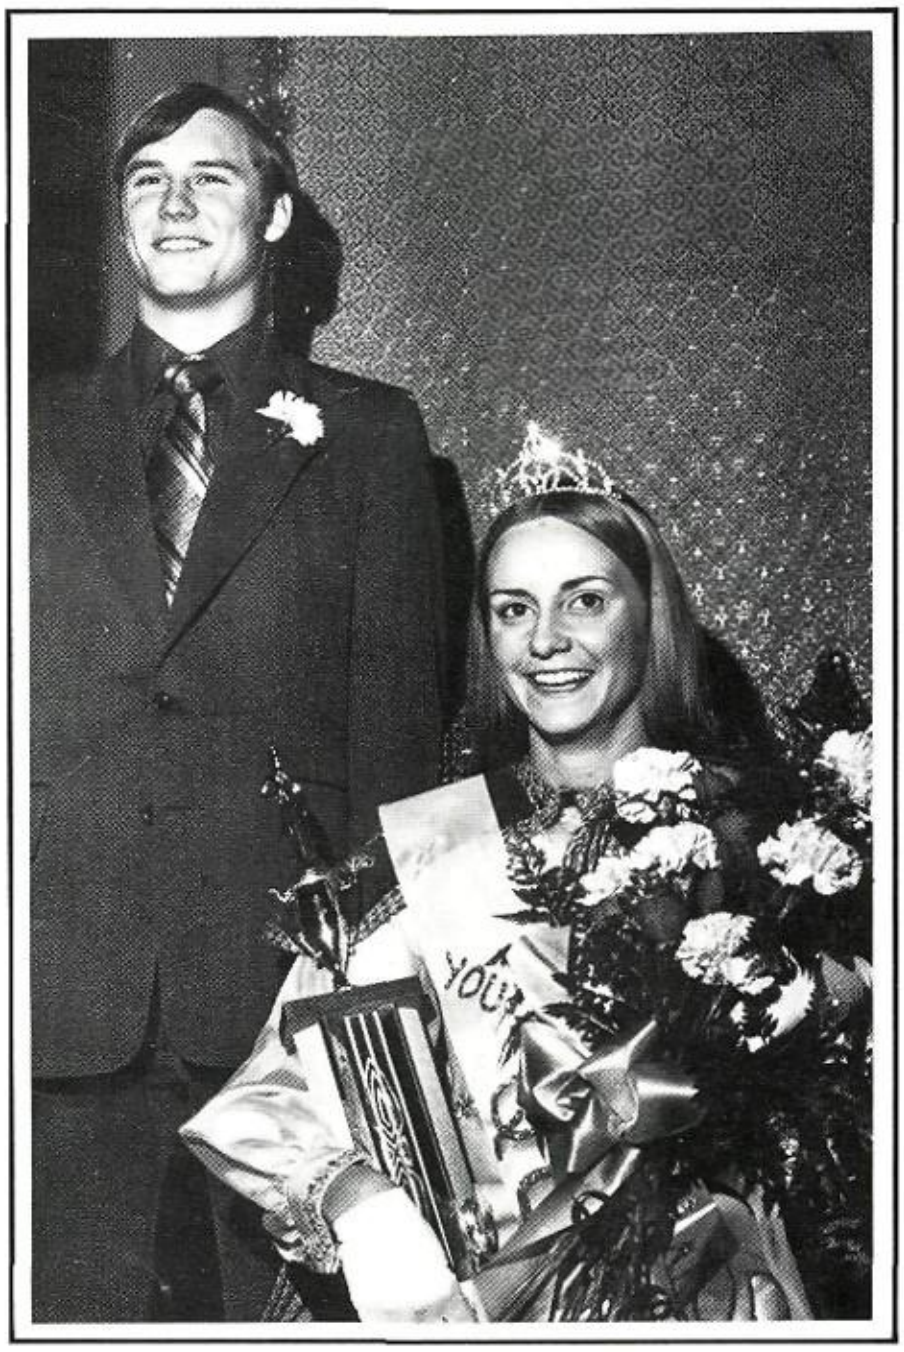
Sixth period athletes gain physical fitness and fresh air.



LEFT Eddie Clements and Leanne Smith try out for Junior Cheerleaders. ABOVE As Mr. Milch always says, "One good lick deserves another!"

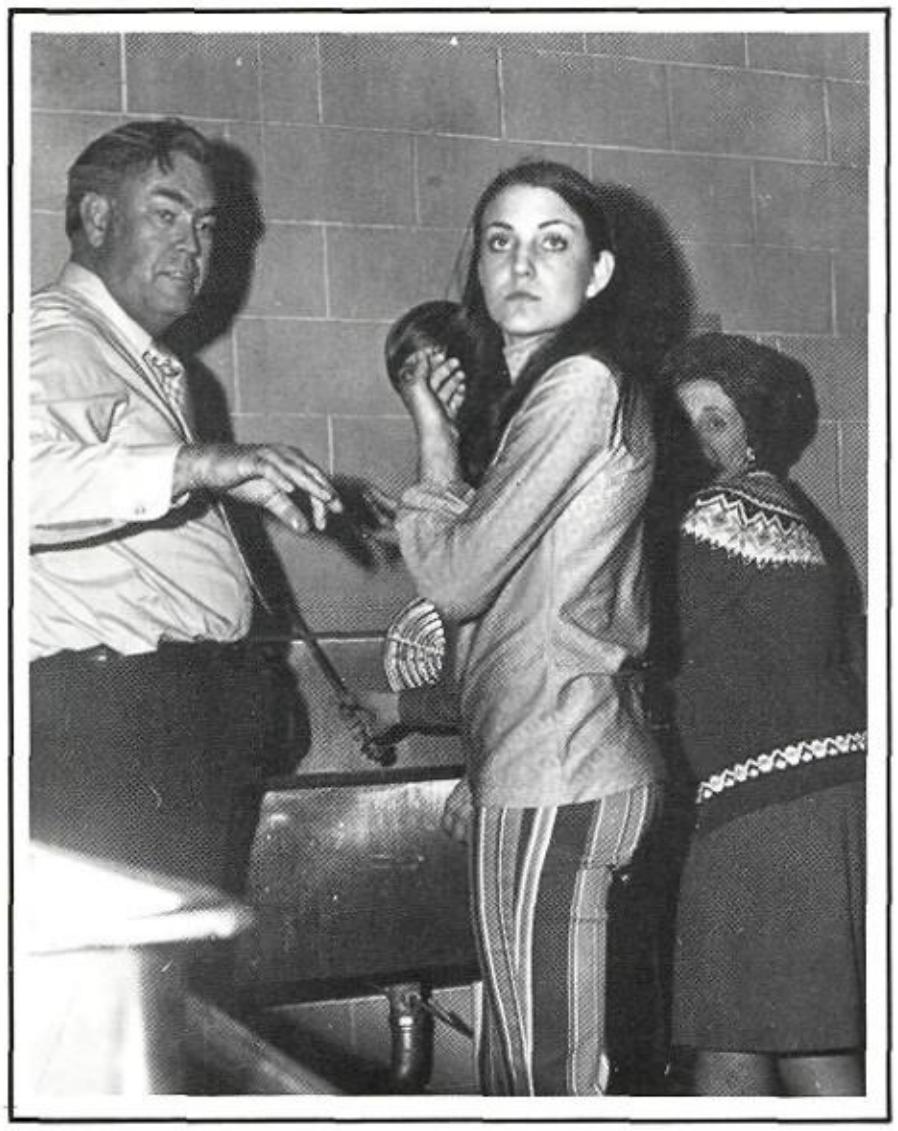
BHS Social Life Is Fun and Exciting

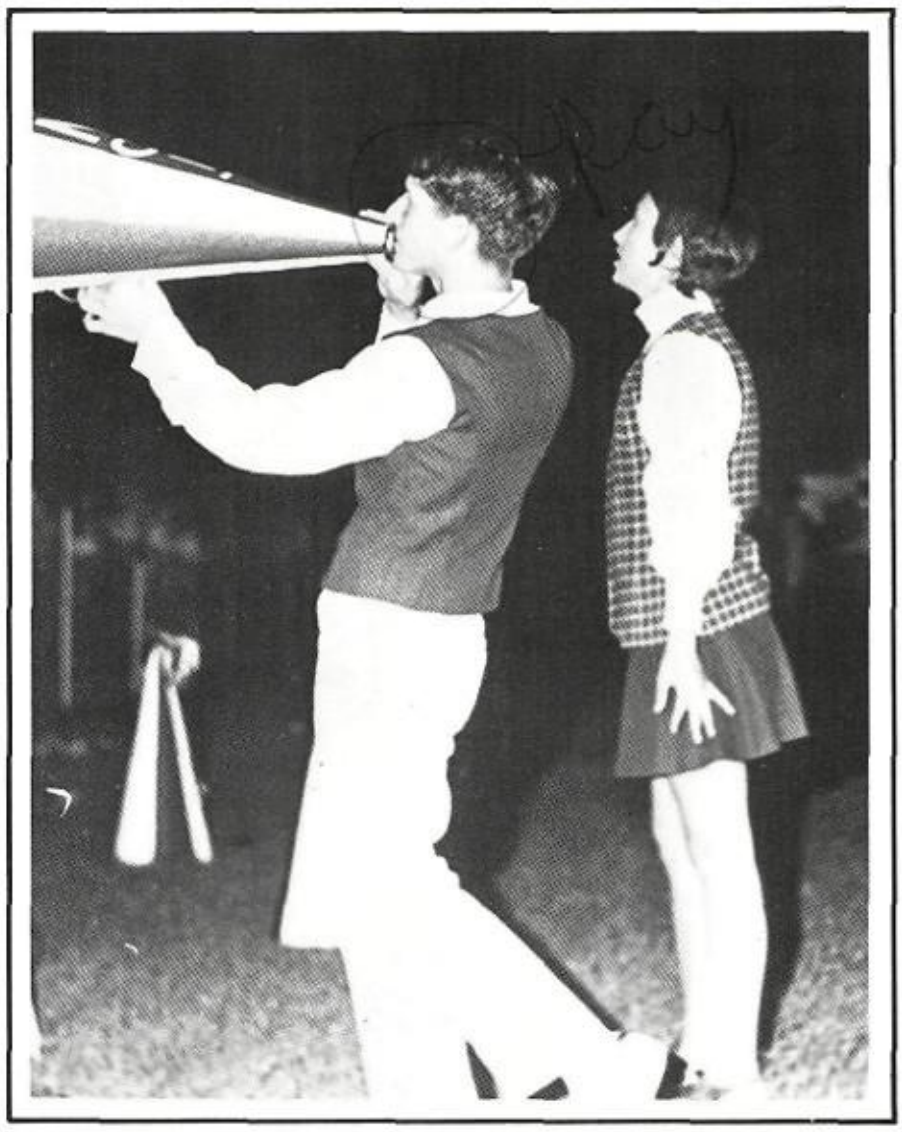




TOP LEFT John Bragdon and Douglas Tervooren win first place in the Youth Fair Talent Show. ABOVE Peggy Bobo, escorted by Steve DeHay is crowned 1971 Youth Fair Queen. TOP RIGHT The photographer catches Mr. McClelland, Kathleen Yantis, and Miss McIntosh preparing for the Spaghetti Supper. TOP FAR RIGHT Ray West and Cindy Newton exercise their vocal chords as they cheer the Lions to victory. LEFT Mickey Hollingshead, Terry Moore, Rodney Folsom, Robin Rice, and Graham Snyder enjoy the Coed Booster Chicken Fry. RIGHT Lion Stadium rumbles with enthusiasm of BHS students.

Just as quickly as the school-day ends, another very important part of the student's life begins. This is the time in which evening events such as plays, contests, and social activities take place. It is the peak of the day and enthusiasm runs high. During this time away from school, the student has the opportunity to continue his participation in special activities he enjoys or to relax in other students' company. Whatever the student does during the evening, it assuredly characterizes the wide range of interests that make a well-rounded day.





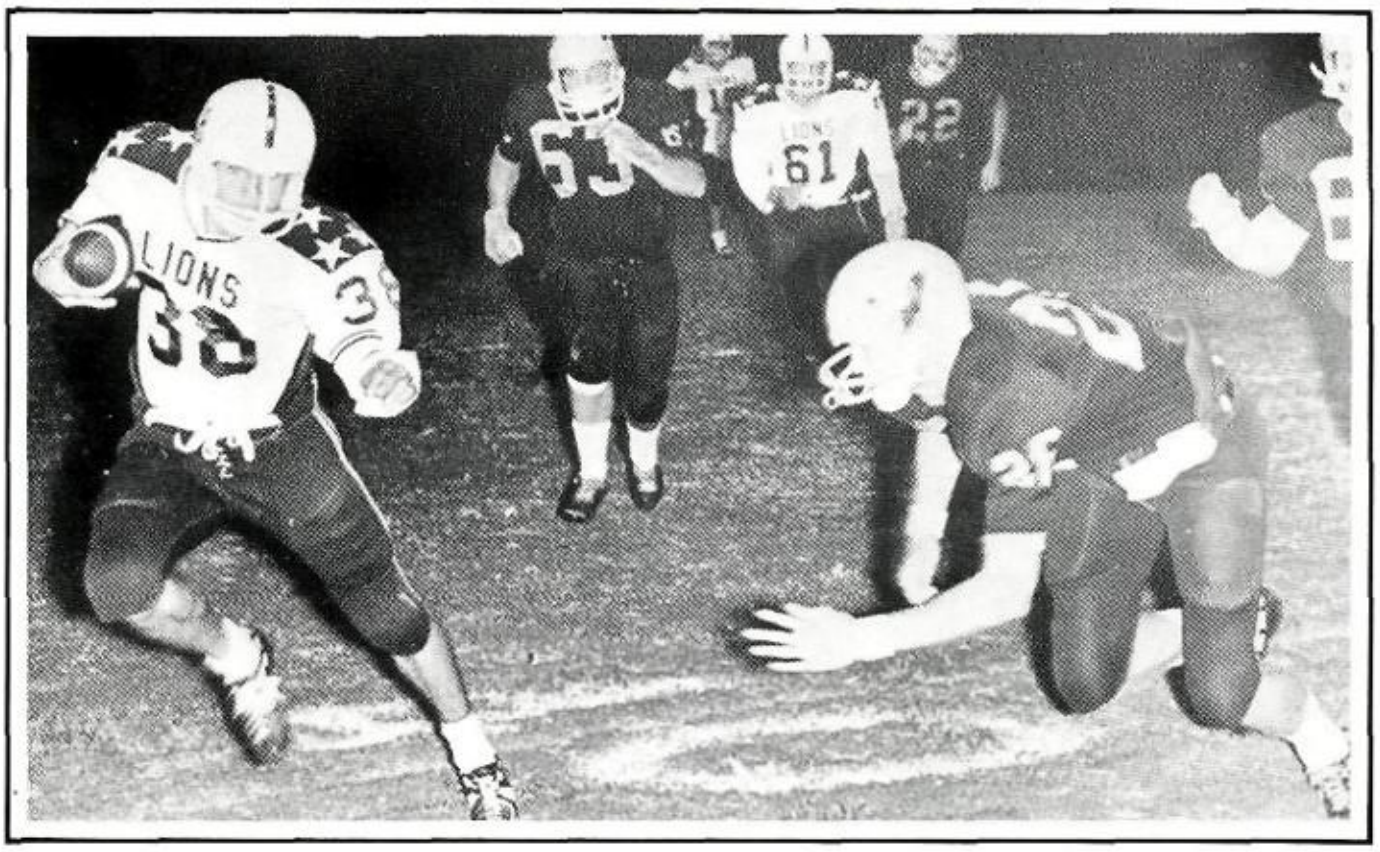
Pre-conference games prepare the boys for the conference games. Based on pre-conference games, Brownwood High School has been polled number one team in the state by the Harris Football Poll. For the first time in five years, Abilene Cooper Cougars played in Brownwood. At the half, the score was tied 6 to 6. The final score was 6 to 32.

The second game was with the Temple Wildcats. The Lions were victorious with a 14 to 6 score.

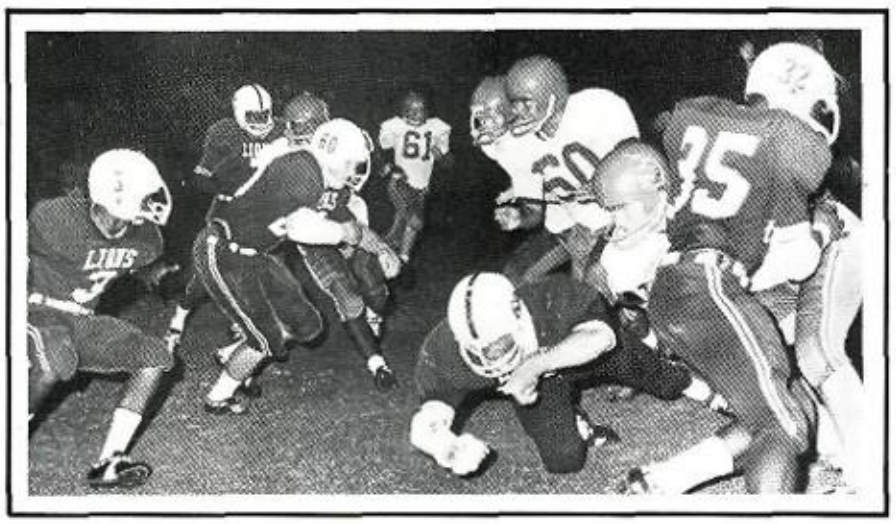
In our third game, Rodney Folsom, the Lions' tailback, ran for 72 yards for the first touchdown against the Abilene Eagles. The final score was 22 to 20.

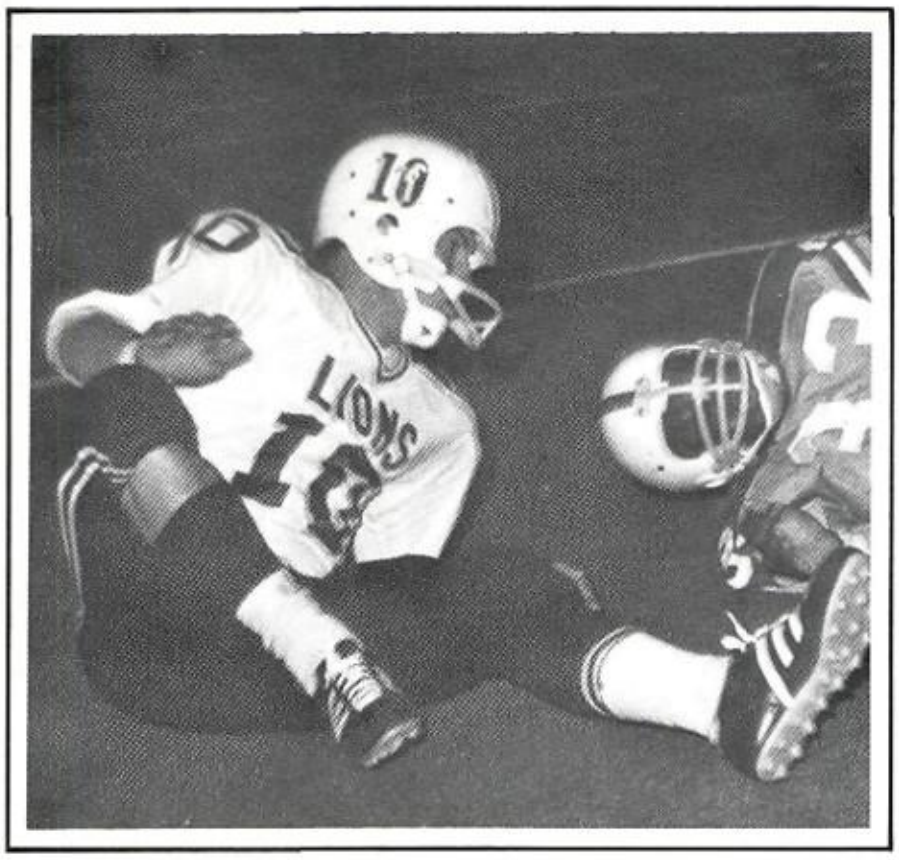
The last non-district game, against South Grand Prairie, was a success with the final score 28 to 7.

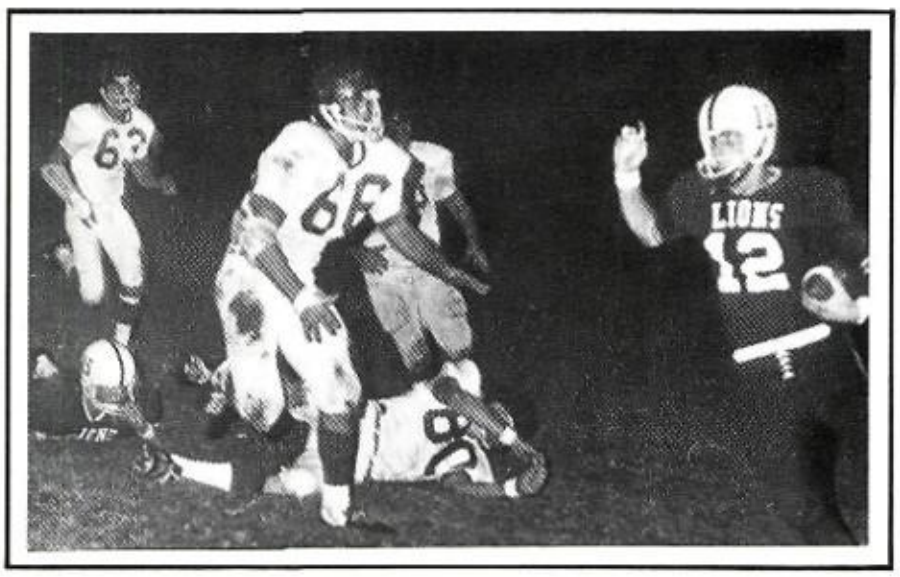
RIGHT Tammy Hollingshead leaps high to destroy a South Grand Prairie pass.



ABOVE Rodney Folsom runs 72 yards for the first touchdown against the Abilene Eagles. RIGHT "Which way do I go?" Ray Thompson seems taken aback by the scramble caused by John Isom, Joe Behrens, and Gary Barron as they defend the ball against Abilene Cooper.





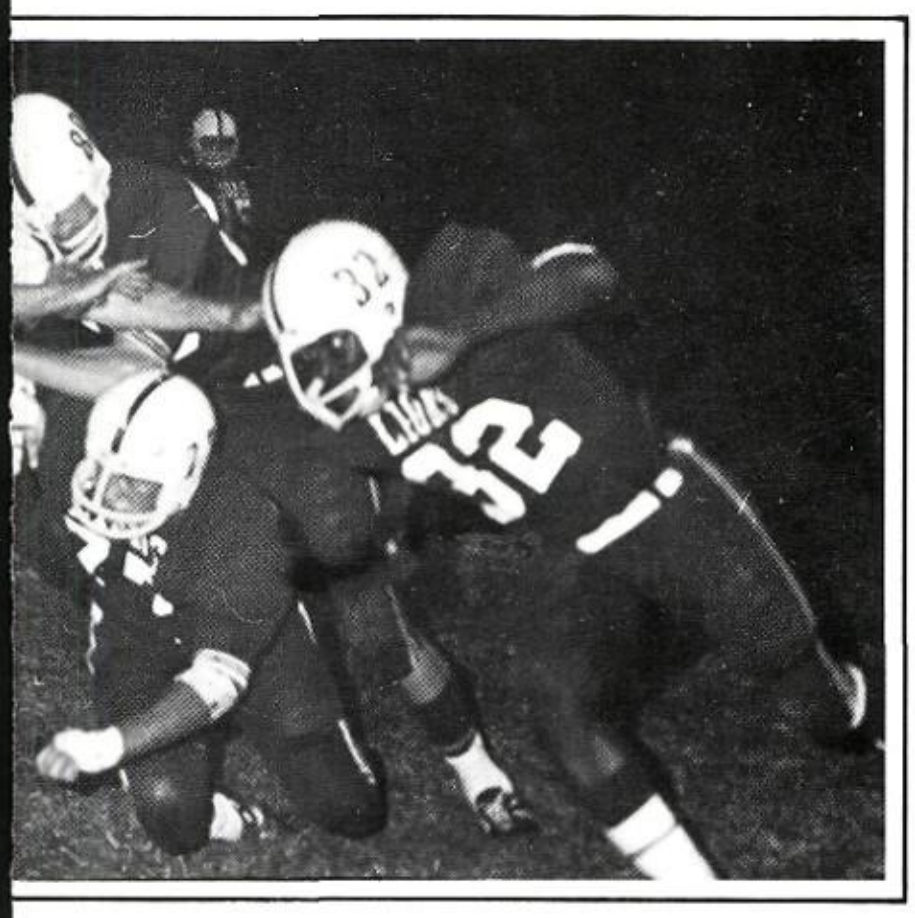


Football Is a Time for Winning

The Lions' first conference game was played against Wichita Falls Hirshi. A raging Brownwood defense forced seven turnovers for the second week in a row and had a hand in four first-half scores as the Lions carved up the Huskies at 37-0.

Brownwood's Lions blasted 397 yards out of Graham's defense and their powerful front defensive wall hung a tight, strangling collar on the steer attack as the Maroons cruised to an easy 42 to 0 District 4-AAA victory.

ABOVE LEFT Jerry Cross exclaims, "Boy, that Astro-turf is hard." LEFT "Now you just wait a minute," warns Graham Snyder.

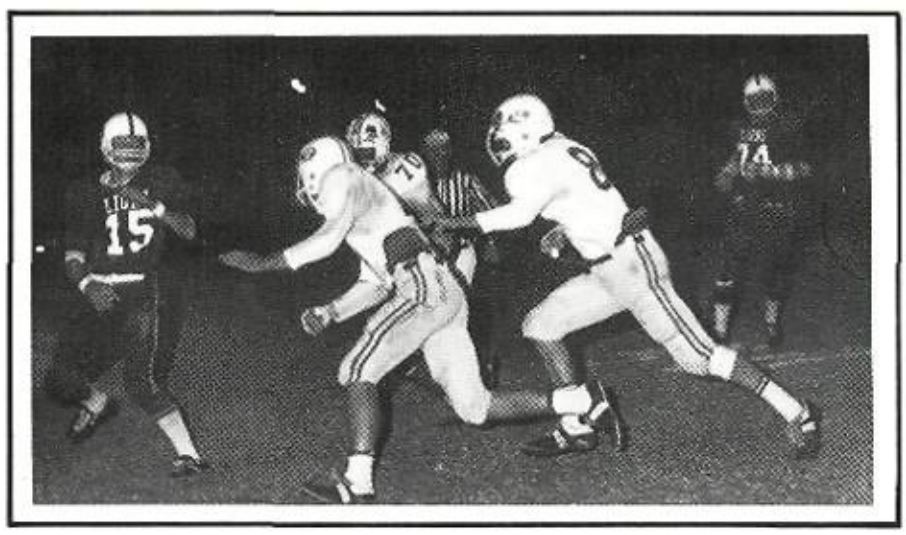


FAR LEFT Bruce Smith exclaims, "He's mine, he's mine!" as he and Gary Barron struggle over a Steer. LEFT "Coach oughta let me show them how it's done," yawns Tim Reid.

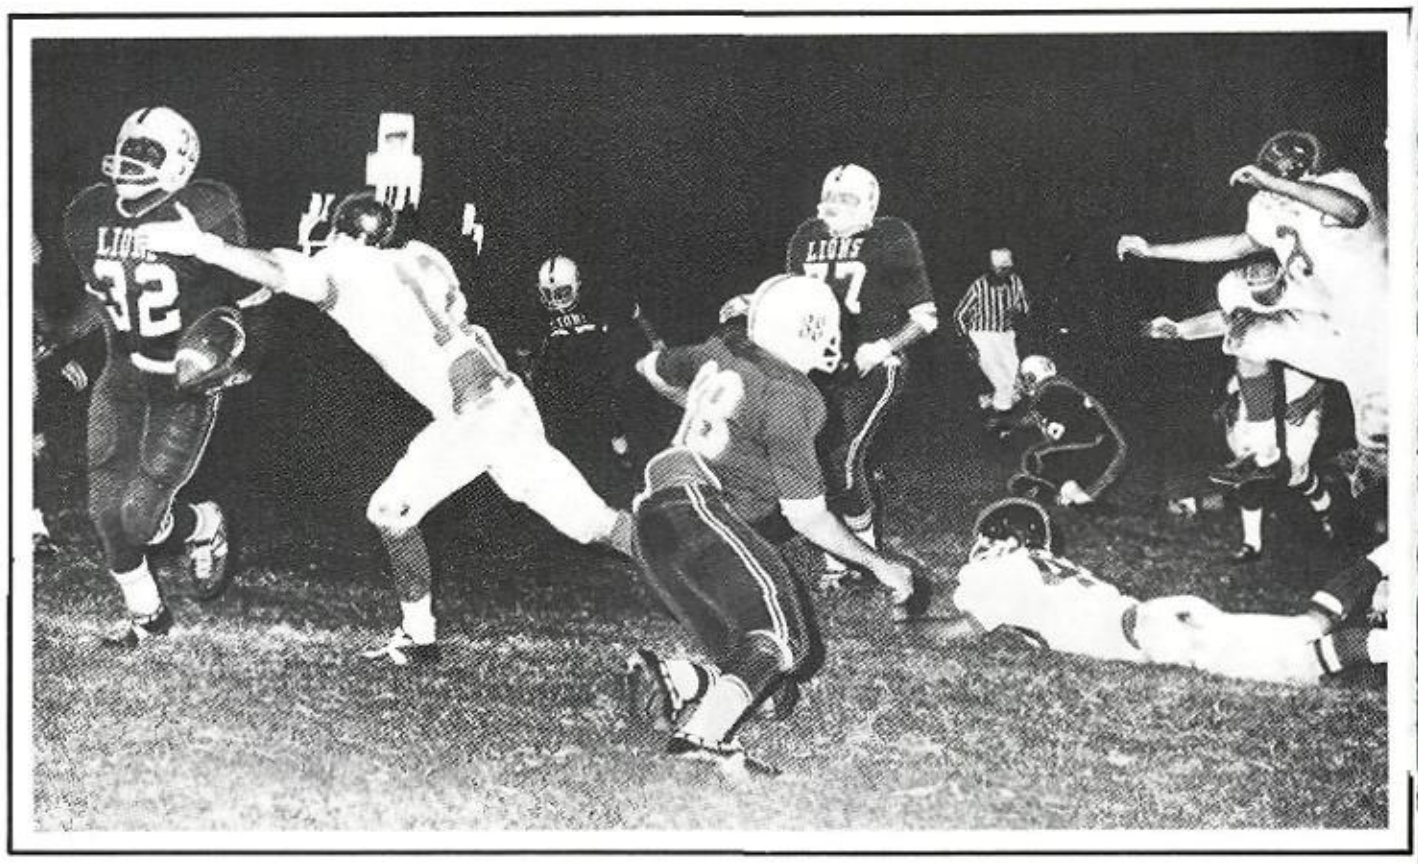
Lions Lead Conference

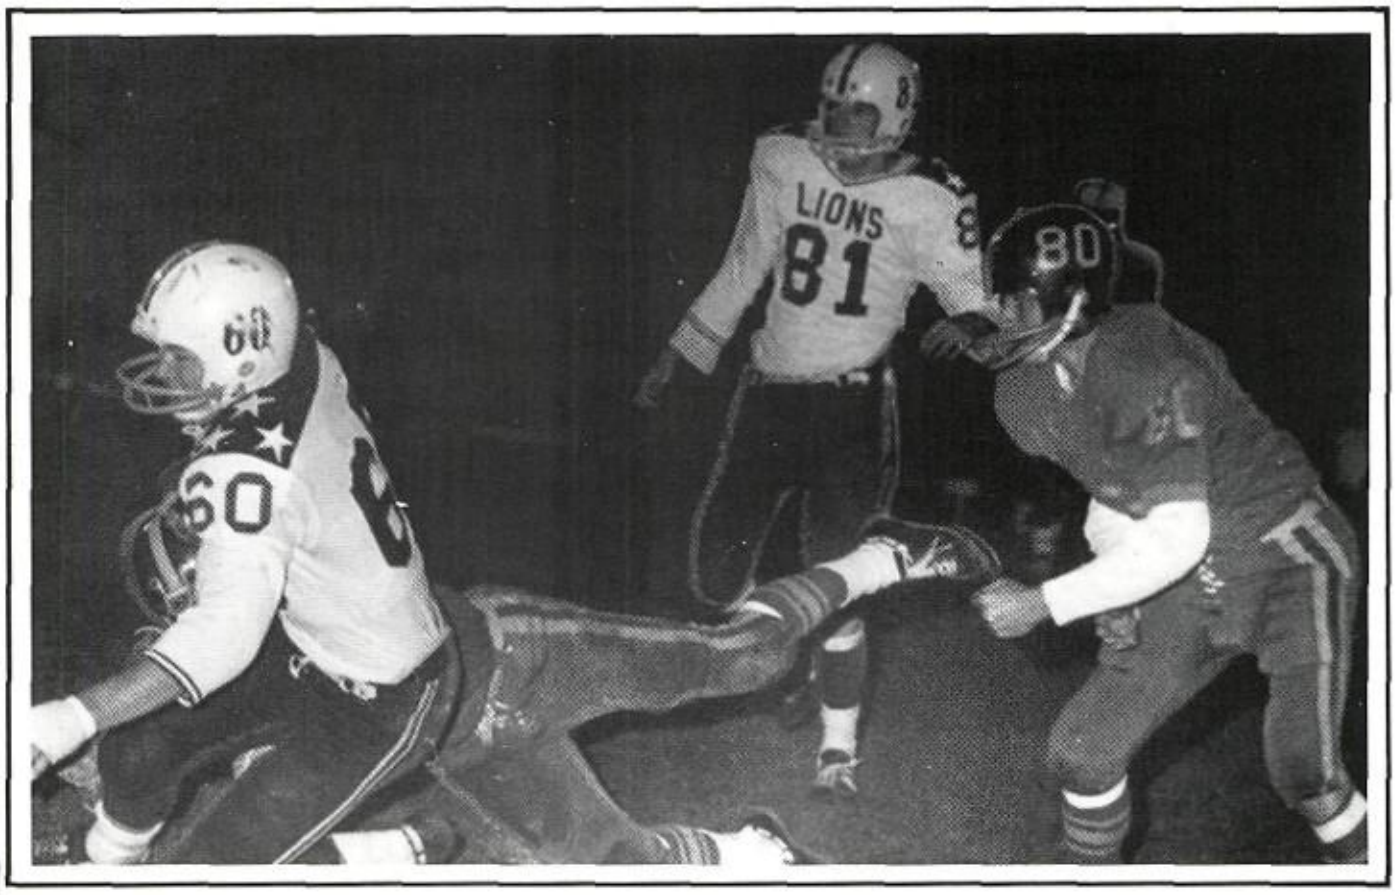
Brownwood and Weatherford went exactly by the script as the Lions parlayed their mighty defense and adequate offense into an easy 28-0 District 4-AAA victory over the Kangaroos.

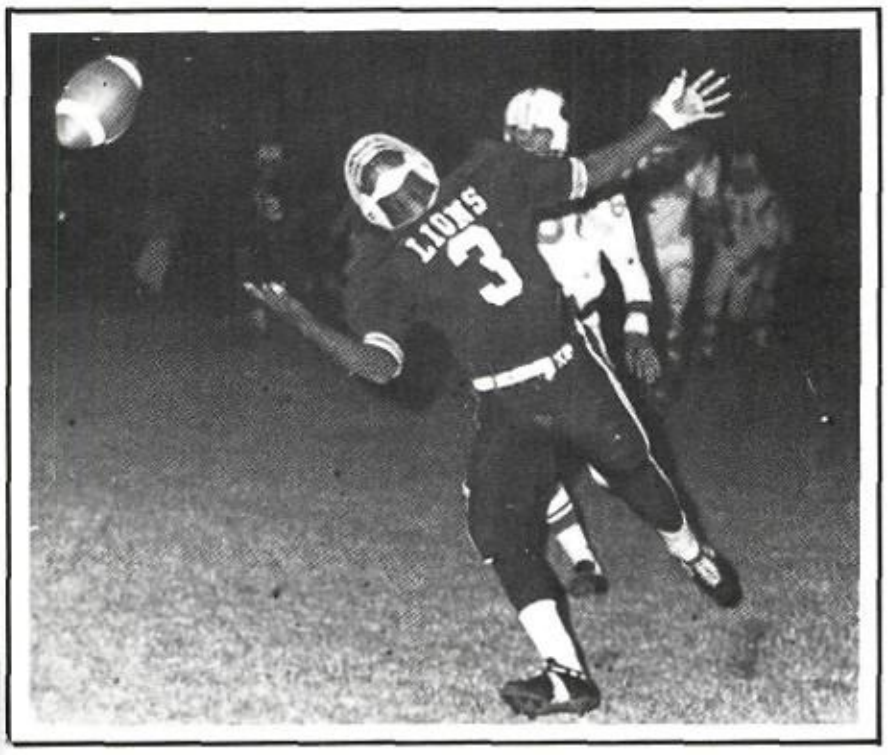
Could it be contagious? The Brownwood Lions broke out with the school's biggest offensive splurge in three years, to their fourth straight district victory, crushing a good Vernon team.

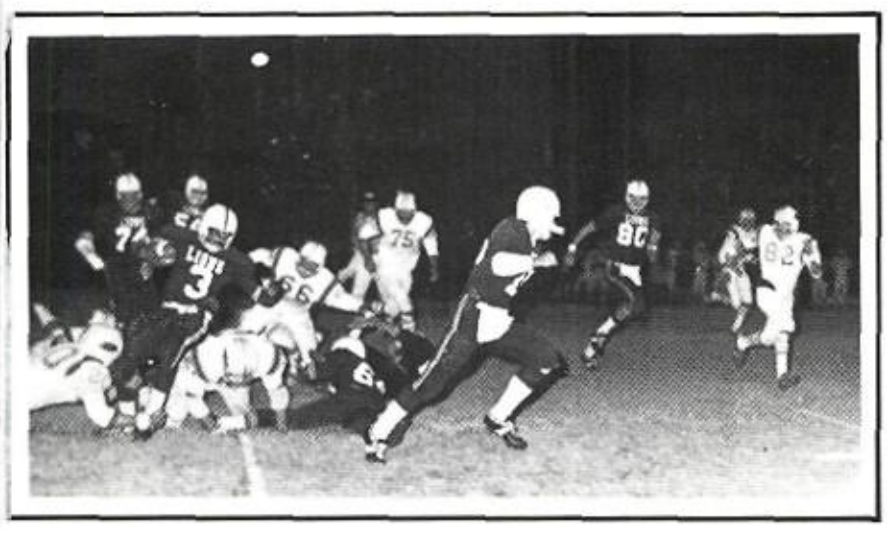


ABOVE RIGHT Leland Cheairs dramatically illustrates the art of carrying the ball. ABOVE Shae Southall, hurriedly exclaims, "I know my after shave smells great, but really now!" RIGHT Gary Barron bashfully admits that, "I know I'm good, but handshaking comes after the game."









TOP Stephenville's number 80 says, "Let me hit Isom!" CENTER "Ray Babe, you're gonna get it." BOTTOM "Let me outa here!" says Ray Thompson as he is surrounded by the Burkburnett defense.

Stephenville's heralded "game of the year" bombed out. the "party poopers" were Brownwood's ever-improving Lions who made a farce of the "big Shoot-out" by hanging a thunderous 55-7 defeat on the Yellow Jackets to clinch a tie for the District 4-AAA football title.

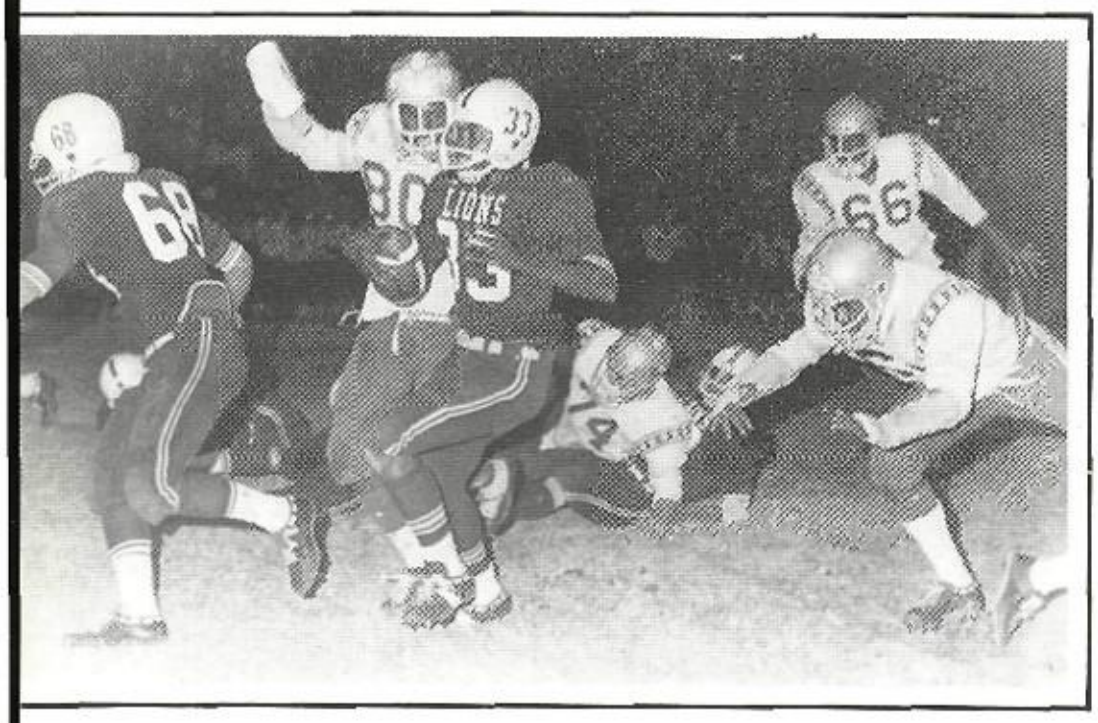
Brownwood won the District 4-AAA football championship in another eye-popping performance by the Lion defense. Last-quarter excitement broke open the game as the Lions beat off a determined band of Burkburnett Bulldogs 14-0 and won their fourth straight 4-AAA championship!

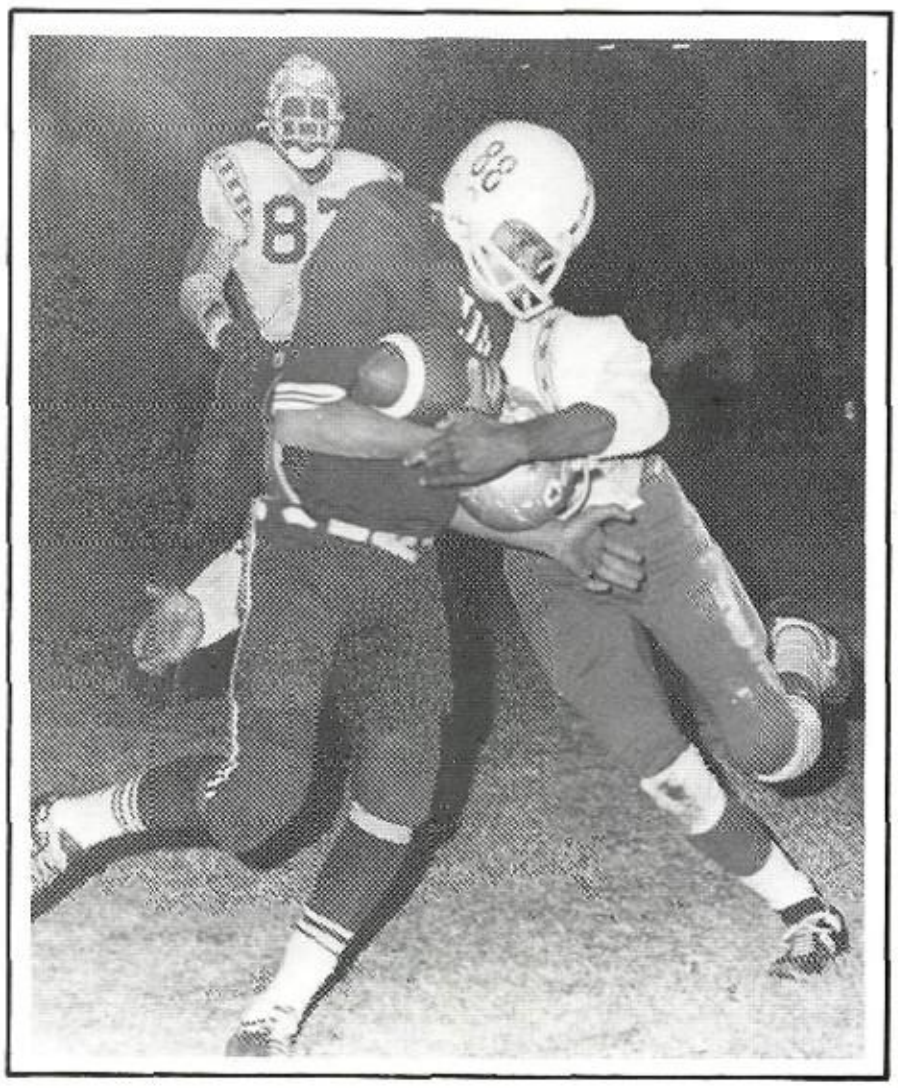
Lions Capture Fifth State AAA Crown

Brownwood's Lions racked up another vote as the state's top ranked Class AAA football team when they knocked Estacado out of the race for bi-district with an ending score of 35-12.

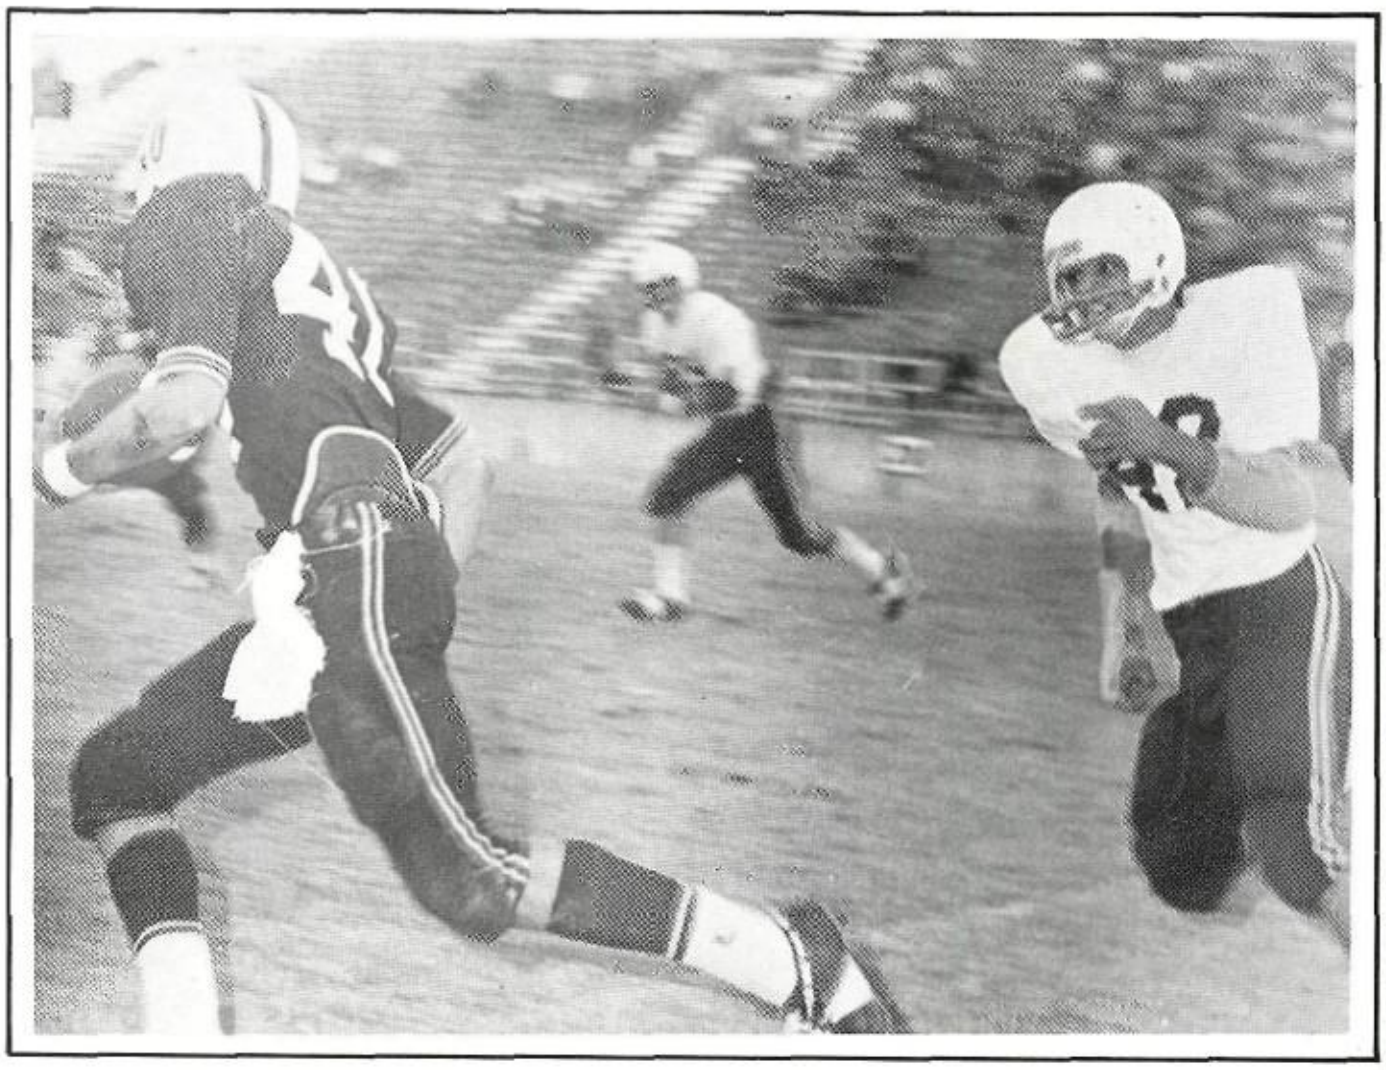
In the quarter-finals game against Monahans, the mighty Lions were behind in the first half and raced to tie in the second half. The team, cheerleaders, and student body all held their breaths until it was announced that the Lions had won on penetrations.

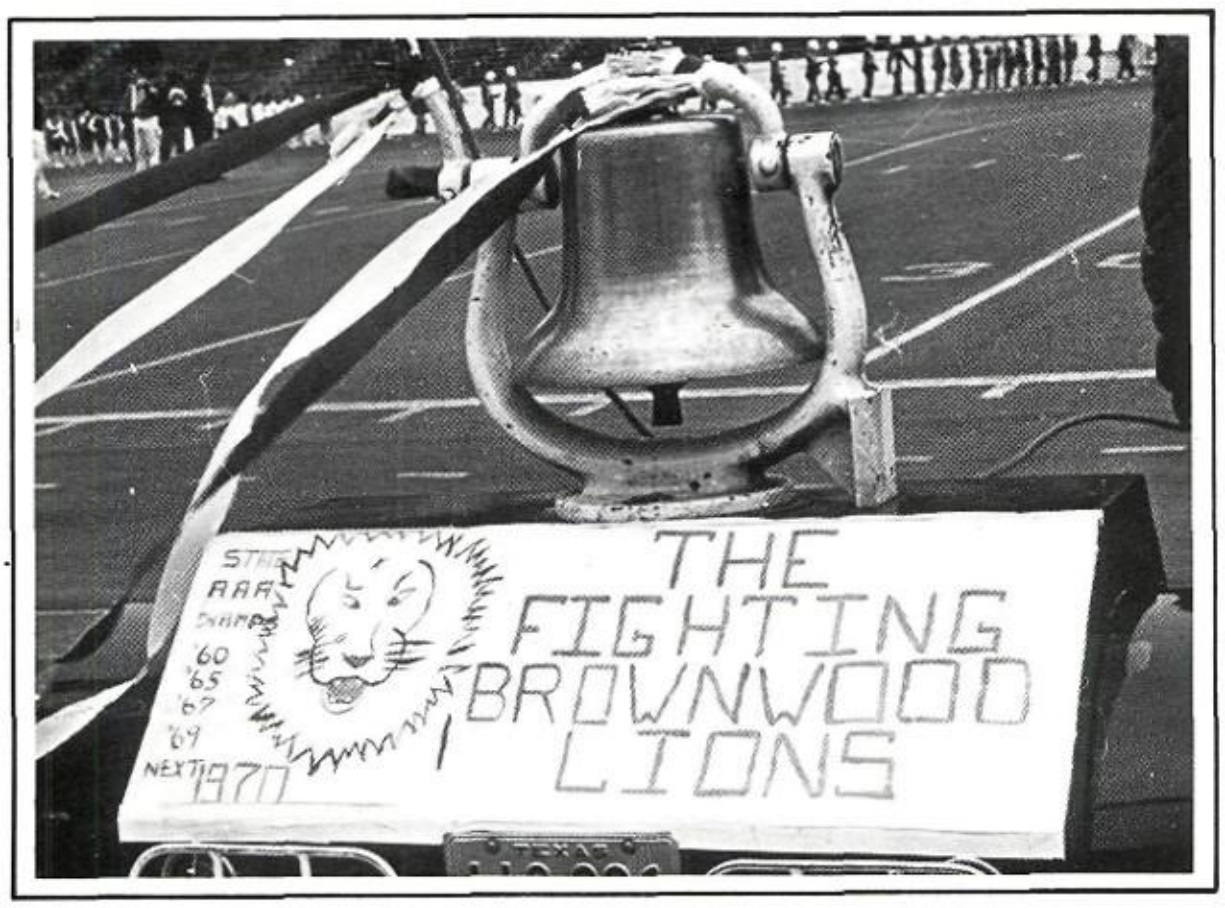
Top-ranked Brownwood, its big maroon machine functioning, in flawless fashion, shoved aside number 2, Plano, 35-21, and won the state Class AAA semi-finals.

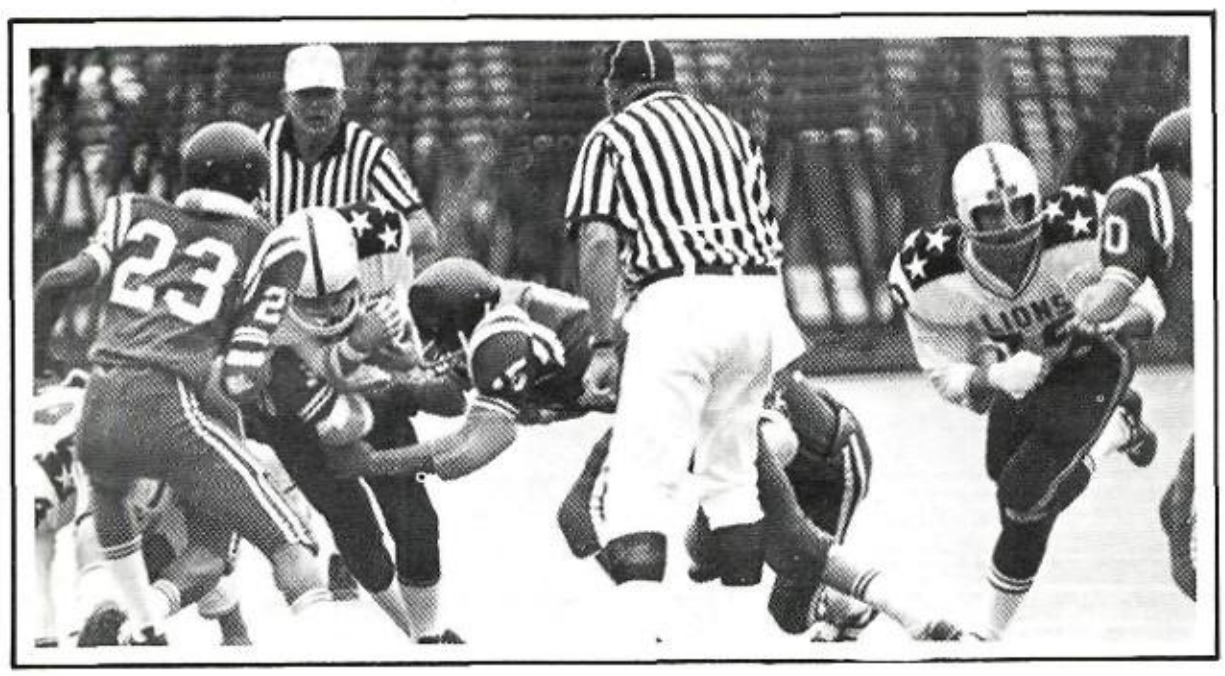




ABOVE Will Scott says, "They ain't gonna get me!" ABOVE RIGHT Hardie Barnes demonstrates how to carry the ball. RIGHT Steve Cutbirth heads for a touchdown.

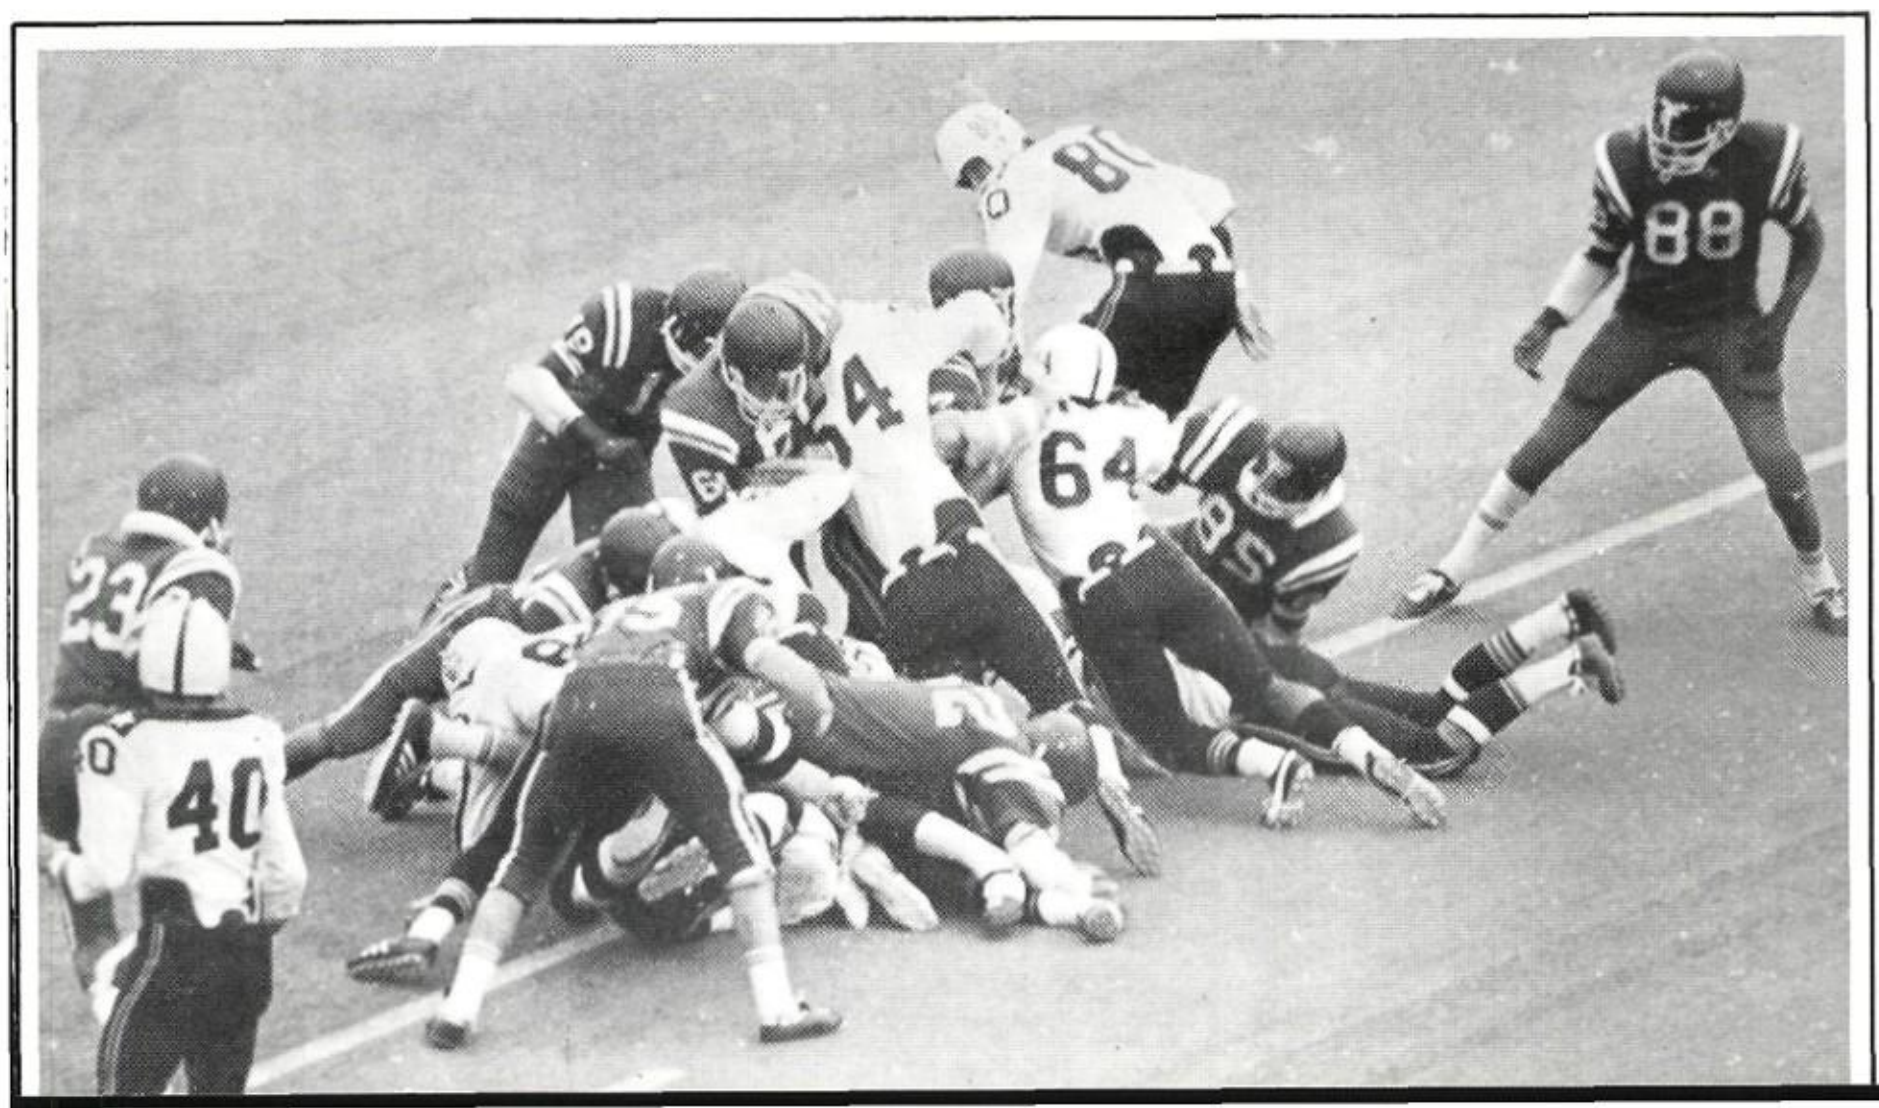






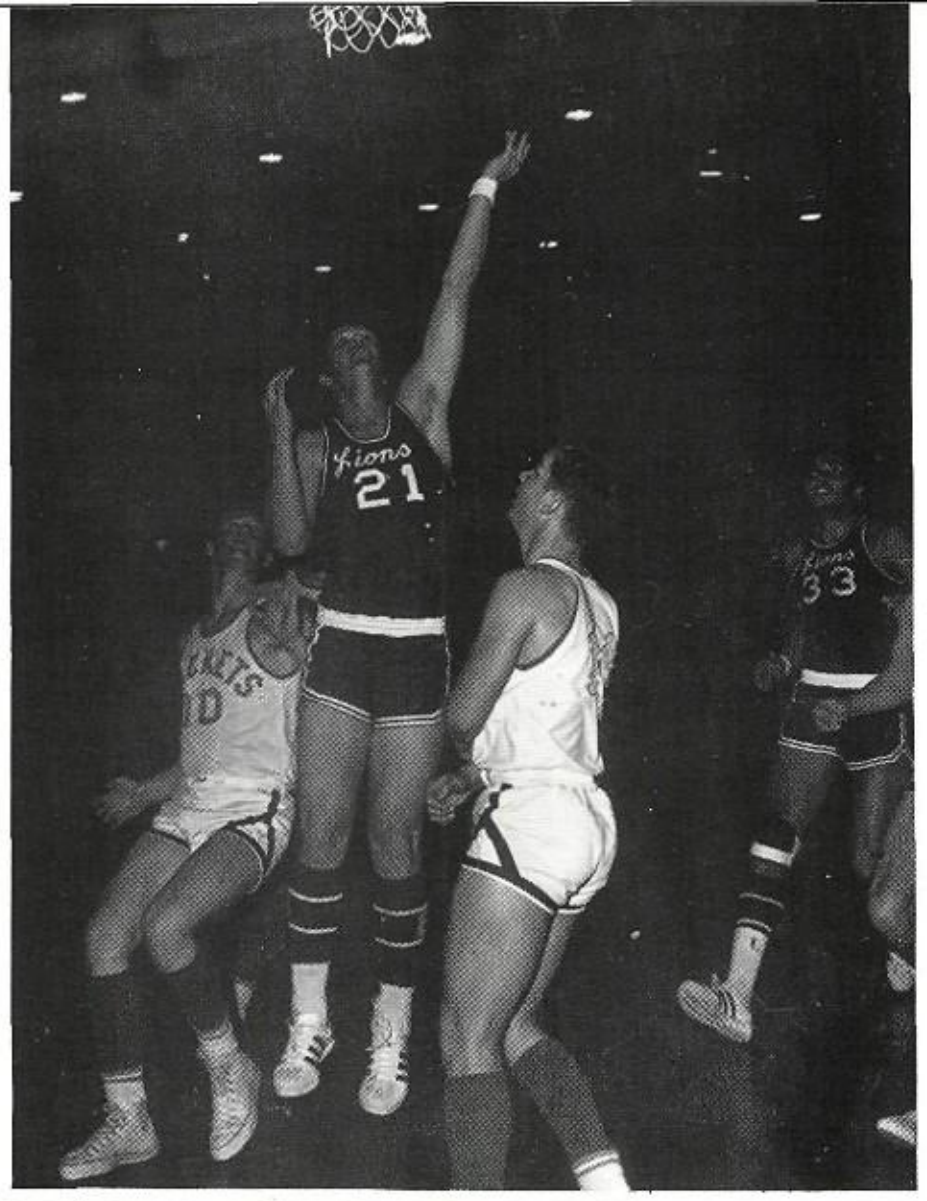
Brownwood's magnificent defense wrote the last chapter in Cuero's Cinderella football story, and the Gobblers didn't like the finish. The Lions dug in behind their own defense troops to hang a 14-0 collar on the amazing Gobblers and capture their 5th Class AAA state championship in 11 years.

TOP The bell rings on. LEFT "Now wait a minute, boys." BELOW Tim Reid sneaks out of one of the many pile-ups during the state game.

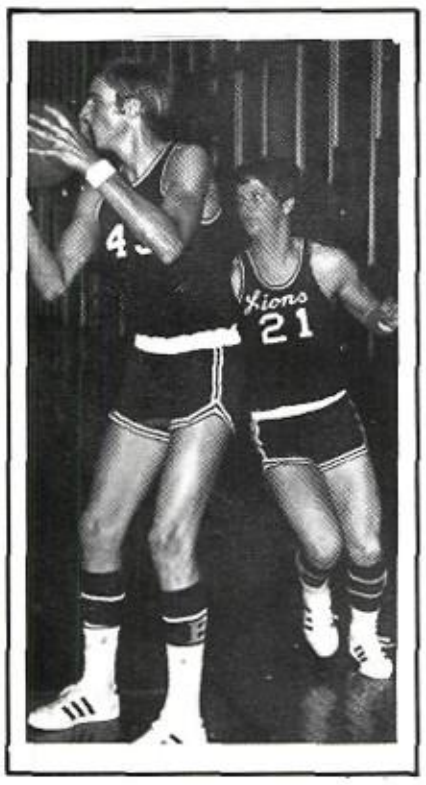


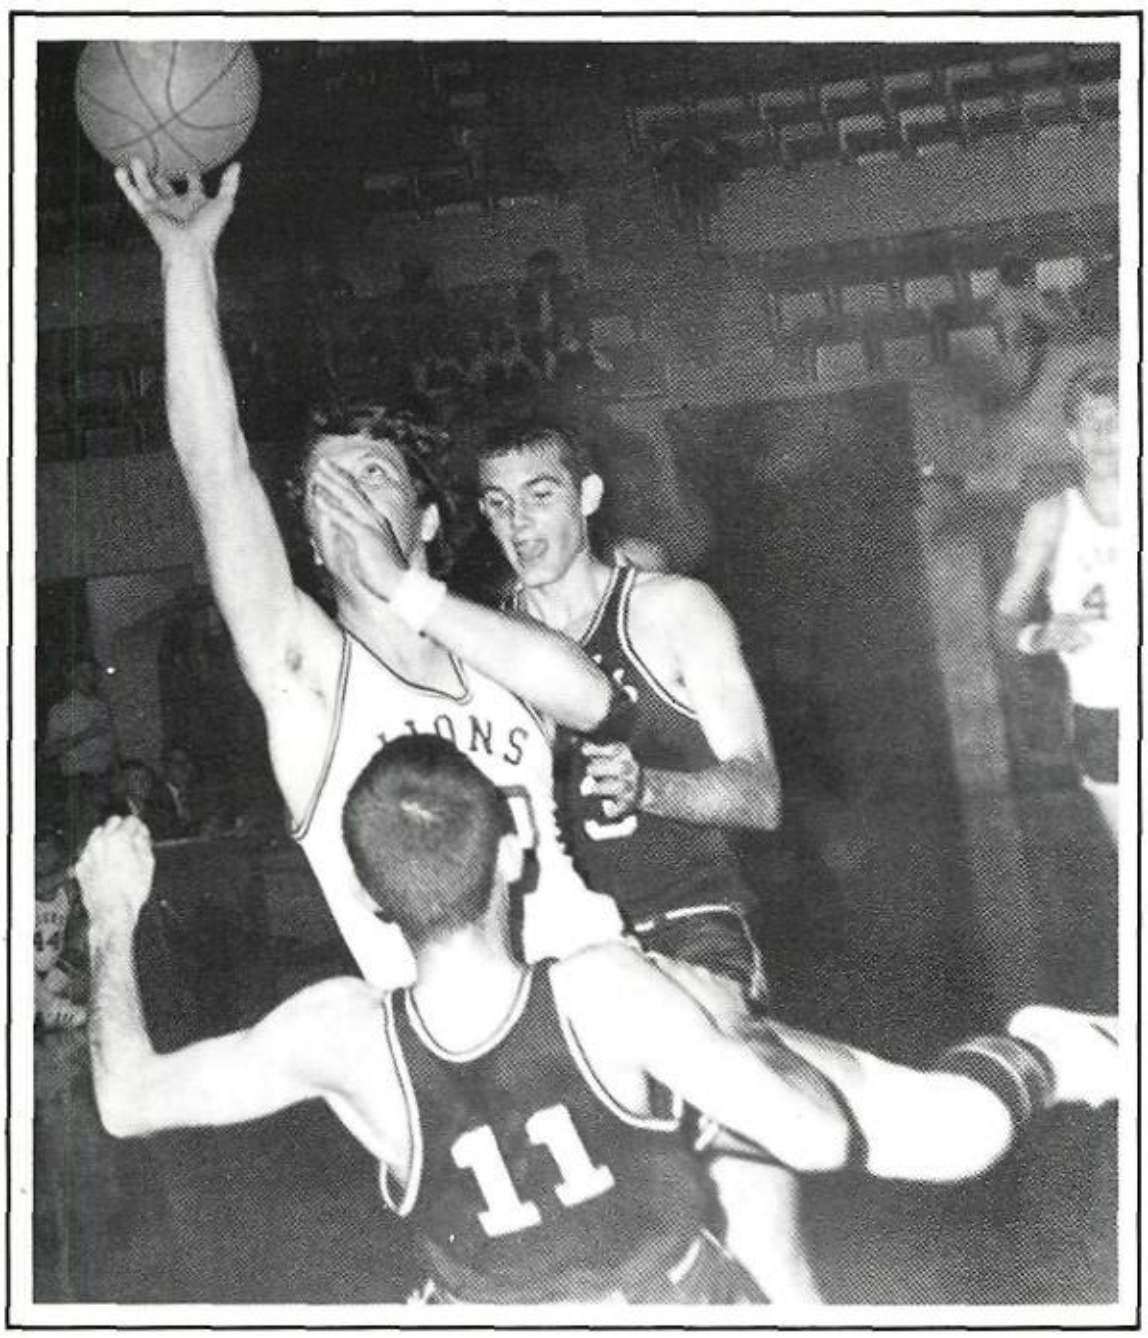
Basketball Team Maintains Fighting Spirit

The 1971 Brownwood Lion basketball team made a valiant effort in each game that they played. Throughout the season, the team tried to fulfill their obligations to win. Although defeated, their stamina stayed strong. Combined with their stamina and their continual fighting spirit, the second place in district was a worthwhile victory.

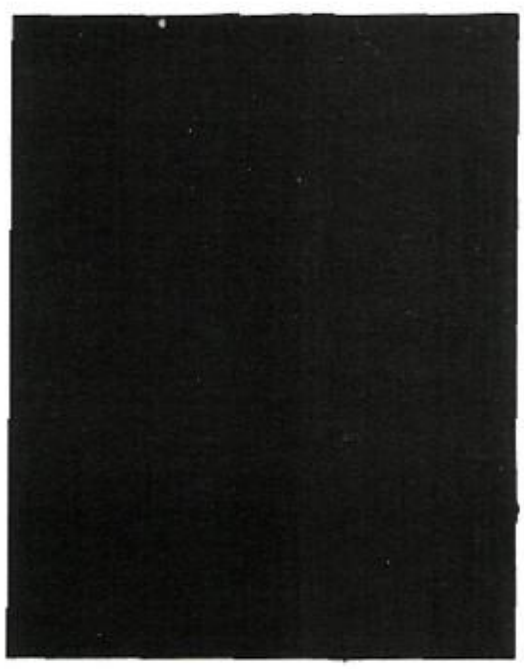


RIGHT Mickey Hollingshead jumps desperately to make a basket.
BELOW Lion basketball team members, Tommy George, Tim Reid, and Mike Britton fight to keep the ball.





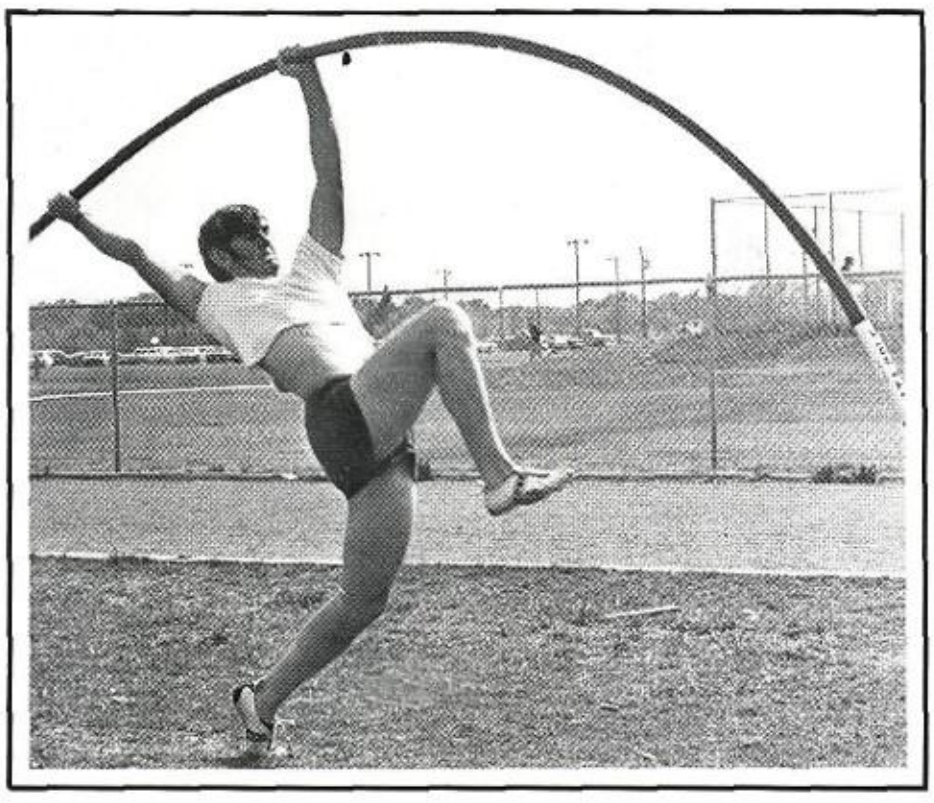
ABOVE LEFT Truman Westfall pauses to plot his next move. ABOVE RIGHT The Lions and Rams scramble for the ball. LEFT Mickey Hollingshead hollers, "Look out!"



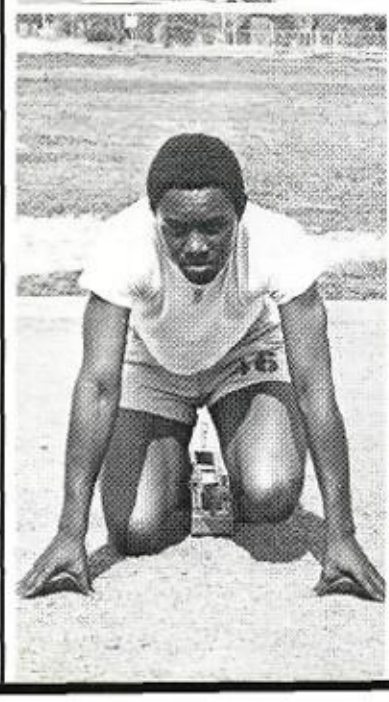
If It Wasn't All Work, Then What Was It?

The boys enrolled in track strive to win in a very competitive sport. To increase speed and accuracy, long periods of training are required. This training is definitely work!

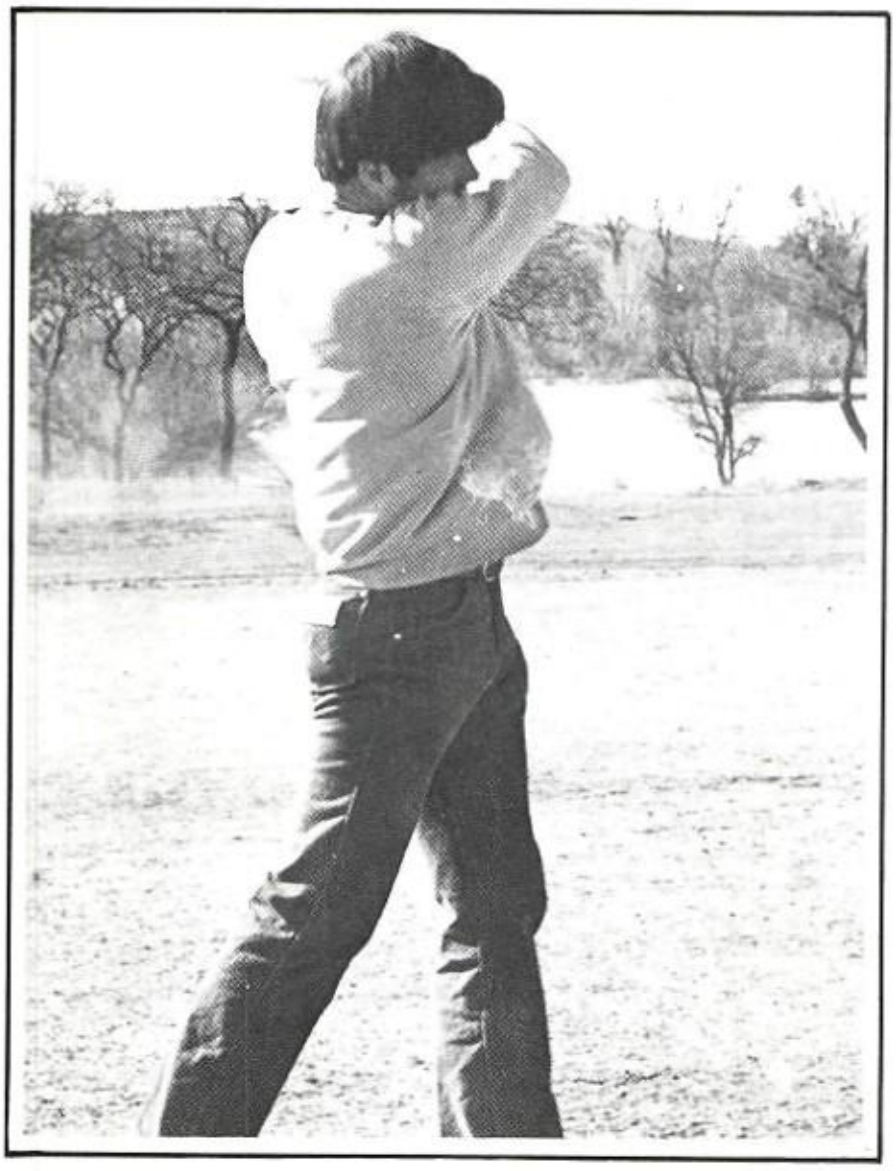
Track is not just a "middle of the season sport break" but for some boys, track is a year-round sport. To really achieve in track, just as in other fields of endeavor, a person must constantly apply himself and strive for improvement.



FAR RIGHT FIRST Tim Reid qualified for the Regional Meet by placing second in the 120 high hurdles with a time of 15.6. SECOND Running the mile, Mike Gill's 4:45.8 first place timing in the District Meet sent him to the Regional events in Fort Worth. THIRD Hurling the discus 143.7 ft., Virgil Weisinger placed first in District. FOURTH In the 220, Will Scott placed second with a 22.3. ABOVE In the 440 Sprint Relays, Will Scott, Graham Snyder, Rodney Folsom, and Gary Barron qualified for the Regional Meet by placing first in District with a time of 43.4. RIGHT Ricky Kirby's pole vaulting 13.2 ft. gave him a second place in District.



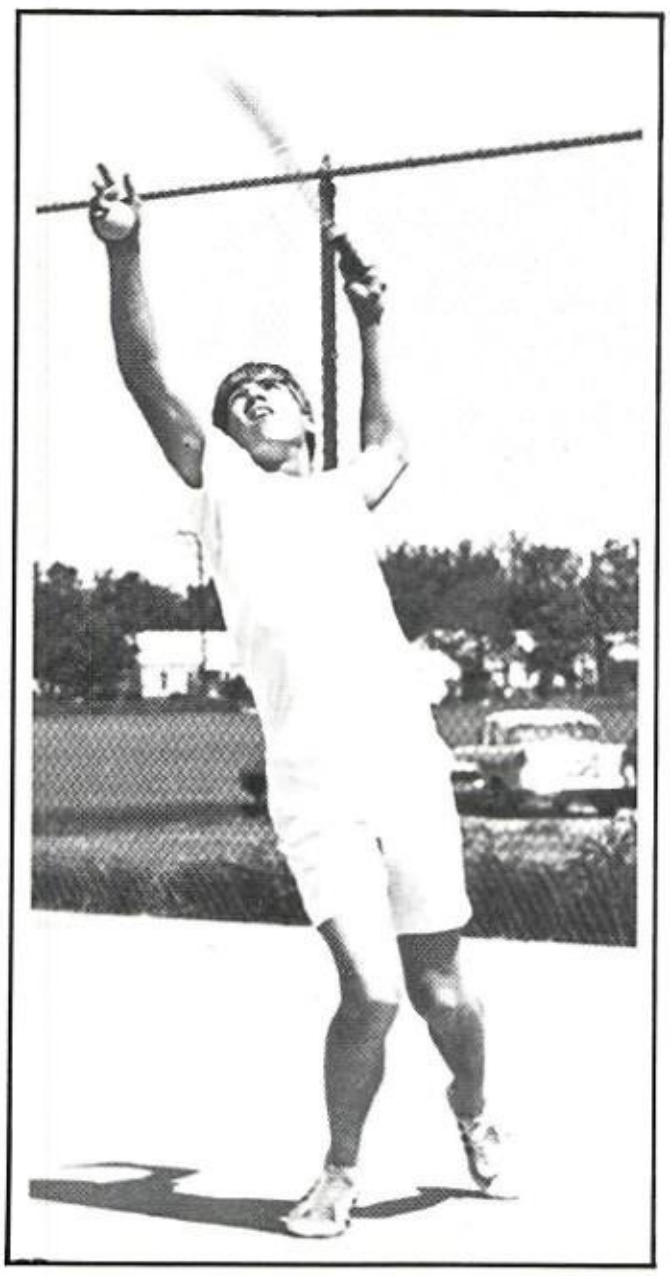
Golf and Tennis Are the Swinging Sports

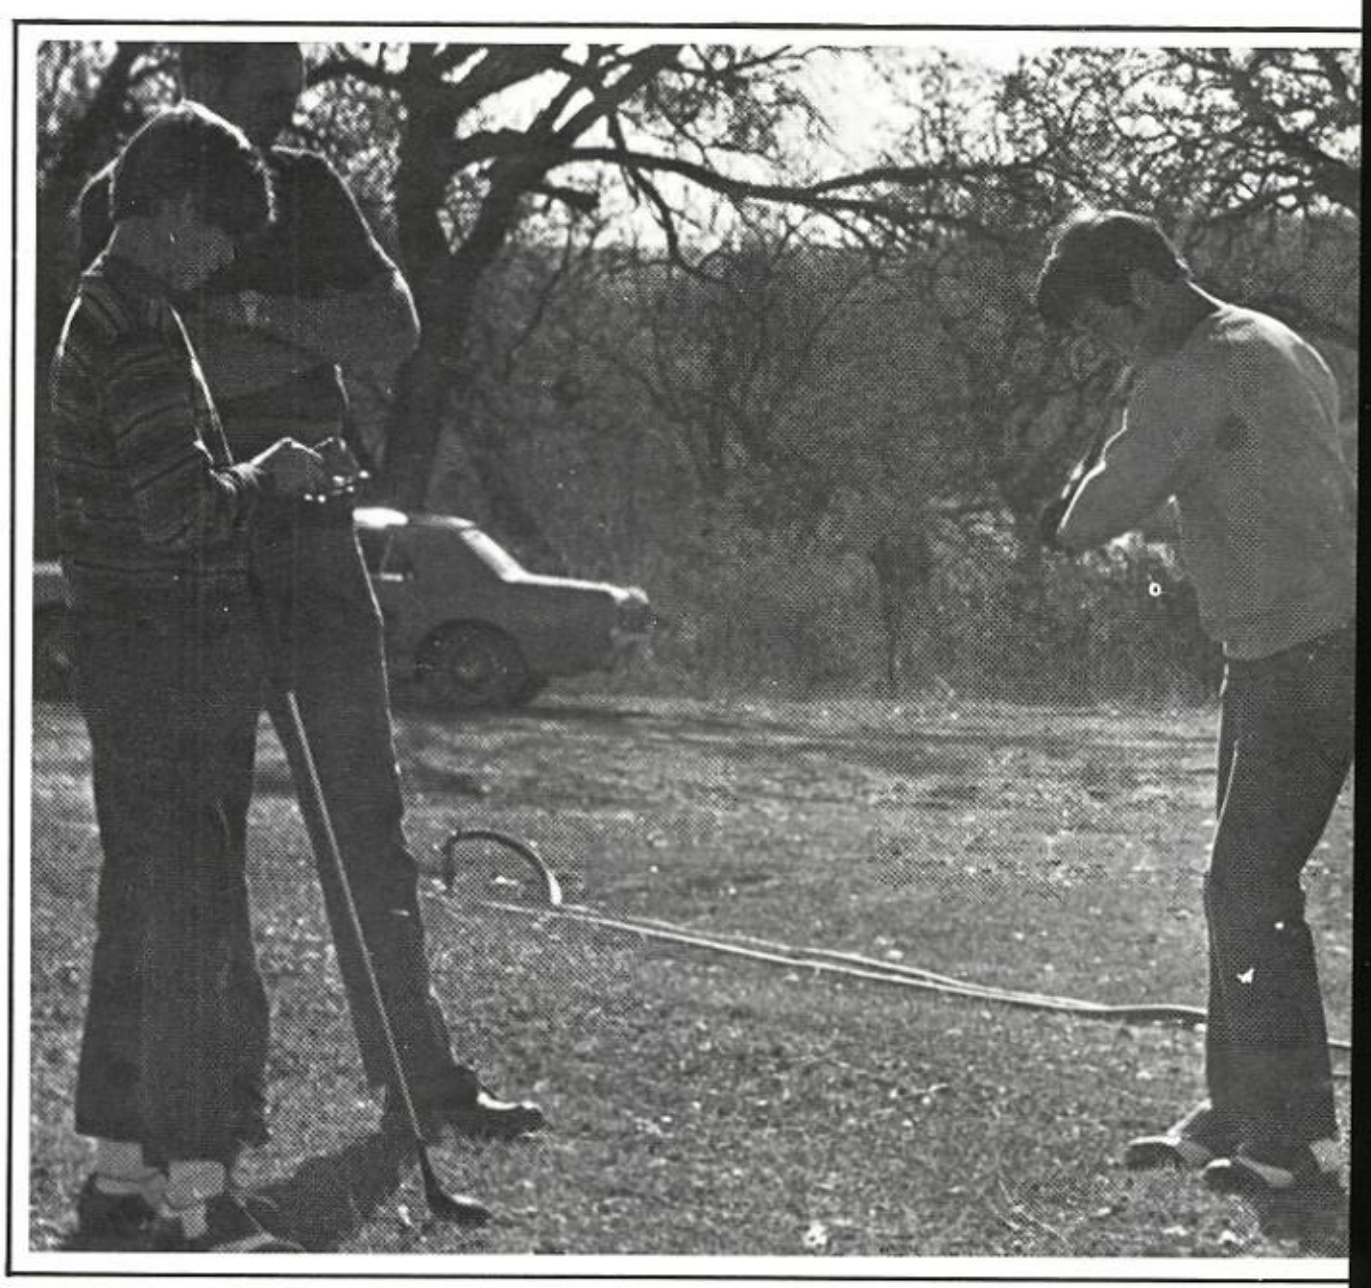


Jerry Cross seems to be one of the "swingingest" BHS students around. Golf provides an opportunity for Jerry Cross, Darrell Smith, and other boys to perfect their golf game under the leadership of Coach Don Martin.

Victor Kay, on the other hand, releases his Swinging attitudes in a tennis match. Both sports put a certain swing into BHS school life.

LEFT Jerry Cross follows through after that first big swing of a golf game. LEFT Victor Kay, a senior tennis player, gets into the swing of tennis class. BELOW Darrell Smith and Coach Martin watch Jerry Cross as he prepares to swing into a golf game.

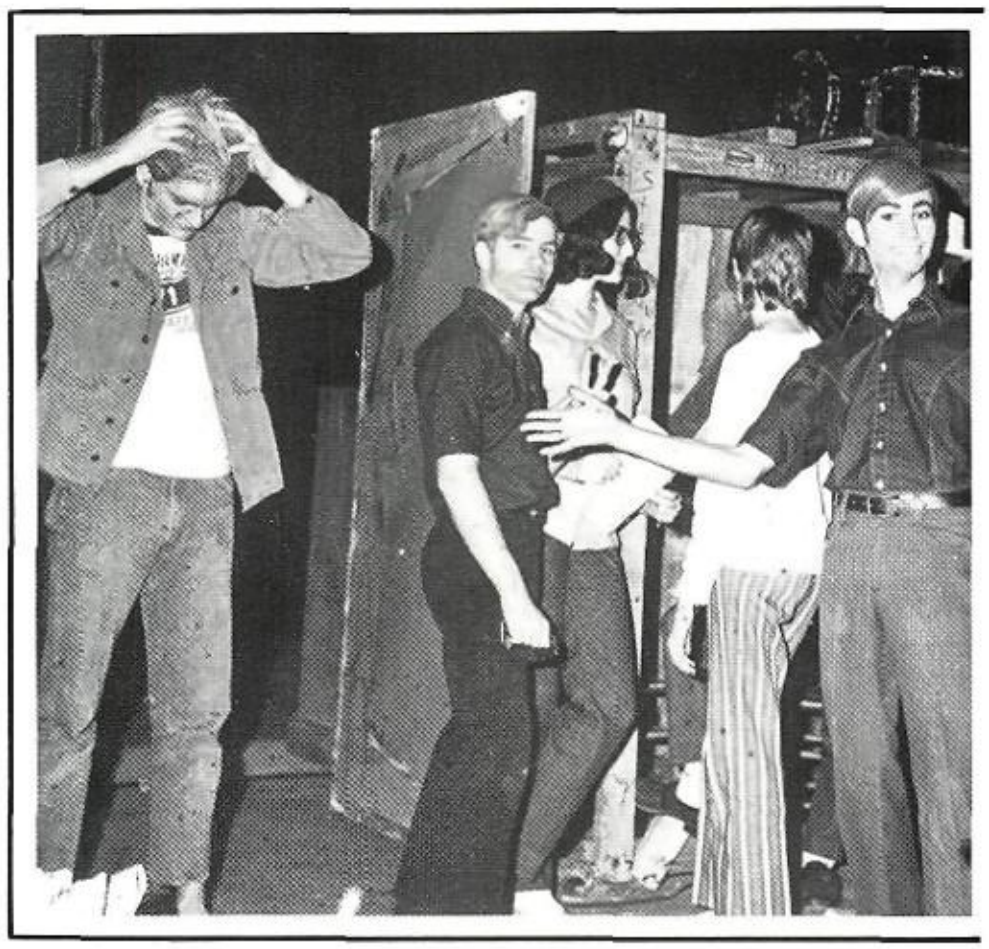




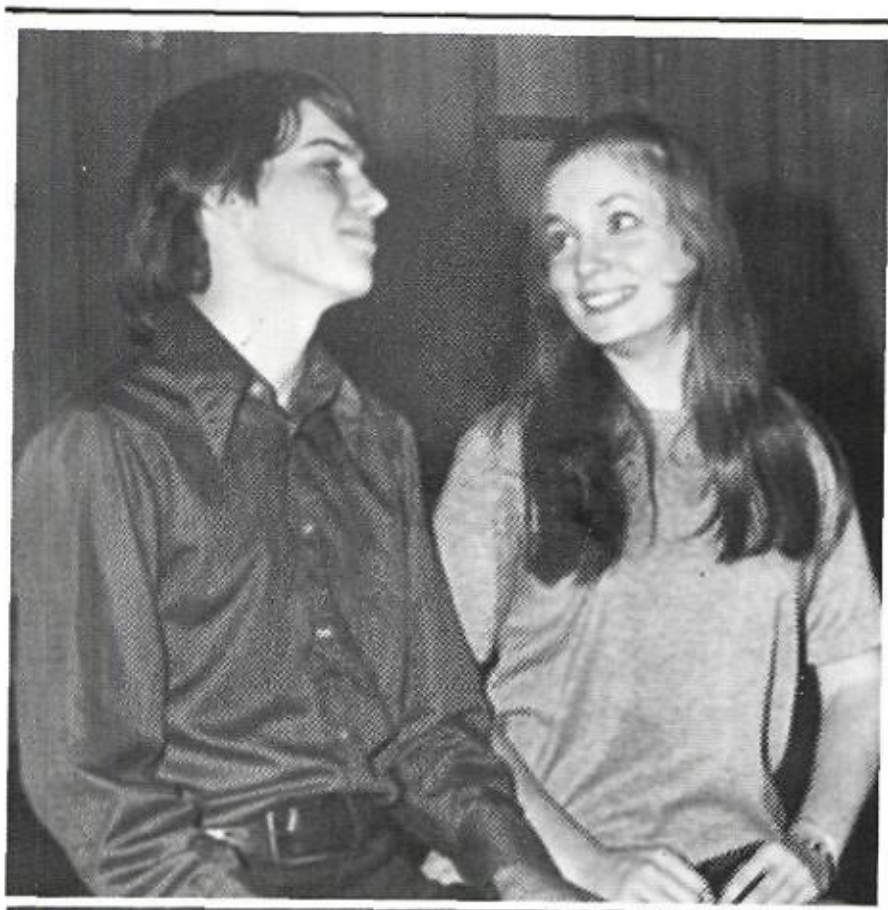
Students Demonstrate Dramatic Arts

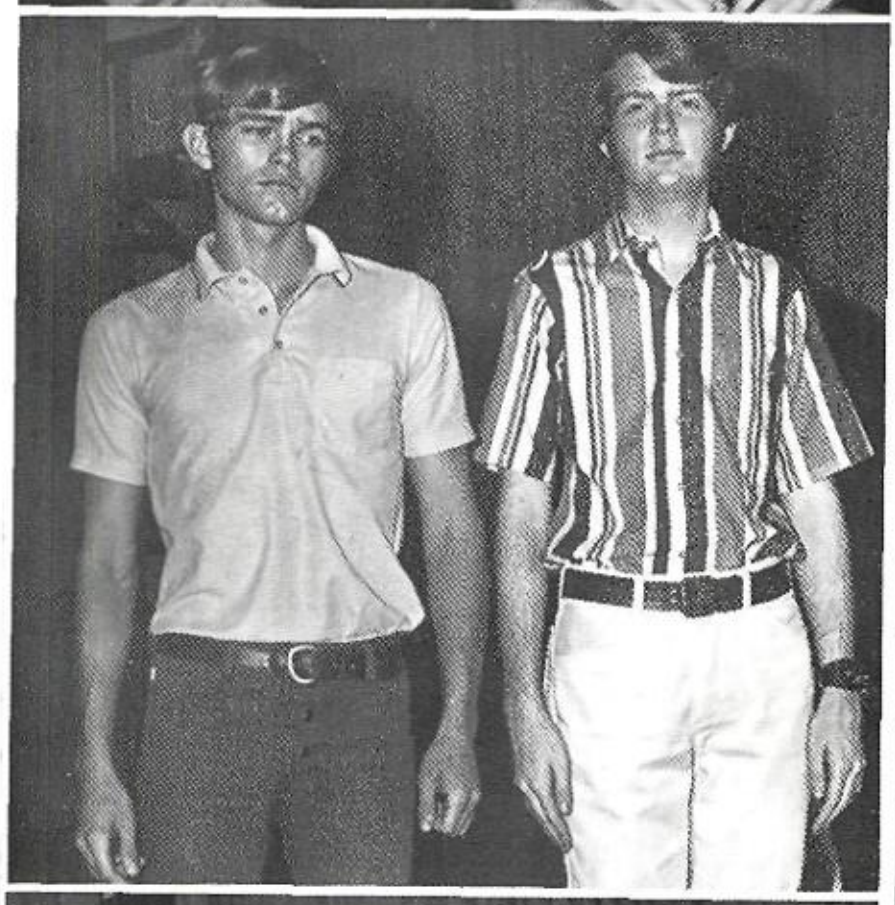
ABOVE In a scene from THE CRUCIBLE, Wallace Braud as John Proctor, and Karen Kington as his wife Elizabeth, discuss the hypocrisy of Salem life. ABOVE RIGHT Robert Locke, as a fireman in THE FIREBUGS, hurriedly puts out the imaginary blaze.

In the late spring of the preceding year, Mr. McQuain chooses the plays to be presented for the fund-raising activities of the Junior and Senior classes. The two junior-senior plays presented in 1971 were THE FIREBUGS and THE CRUCIBLE. The sophomore play was THE LEADING LADY. Any student may read for parts, and the best ones are cast in a role by Mr. McQuain and another teacher. As a reward for hard work in plays, certain students are asked to read for the one-act play to be presented in UIL competition. This year's one-act play was THE IMPORTANCE OF BEING EARNEST. It placed second in district.

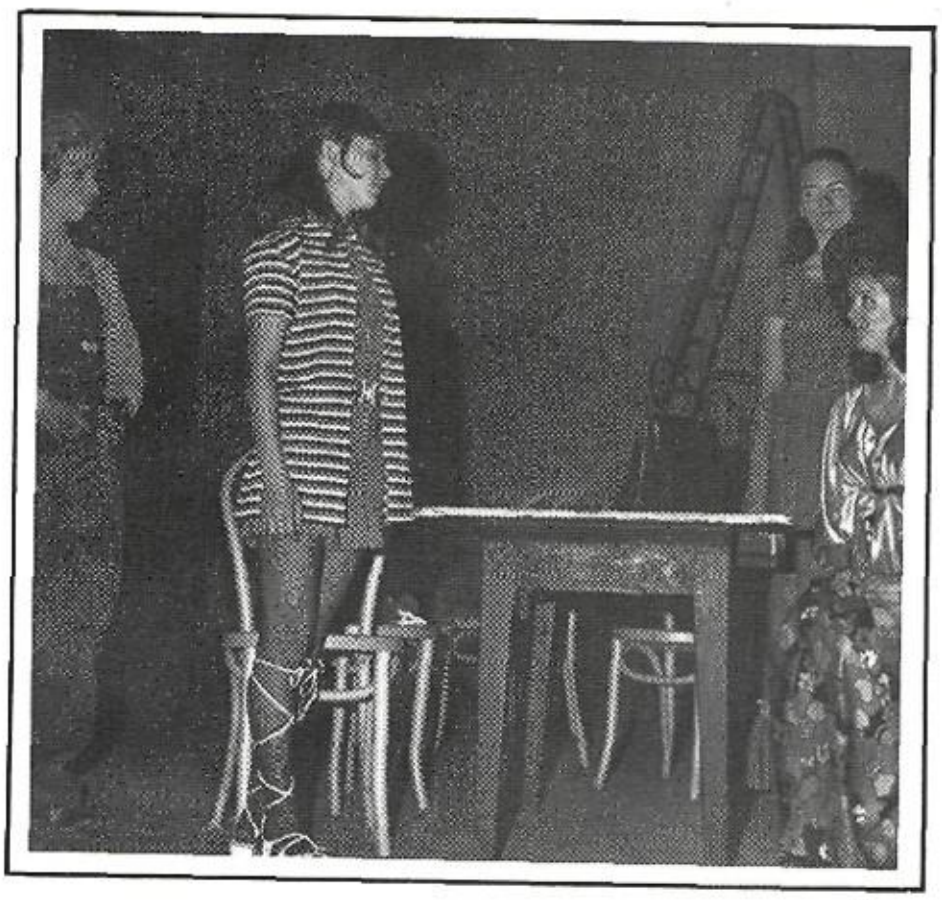


ABOVE After a FIREBUGS dress rehearsal, Howard Norris, Robert Locke, and Buddy Barker ad-lib off stage.





LEFT Bill Havins, as Jack, and Donna Low, as Gwendolyn, discuss the future's possibilities in "The Importance of Being Earnest." BELOW The cast for the sophomore play, "Leading Lady," includes Melodie Hammond, Alysbelle Hudson, Karen McBee, Billy Beene, David McClelland, Celia King, John Henley, Susan McMath, Risa Swanner, Butch Case, and Greg Hass.



ABOVE LEFT As the butlers in "The Importance of Being Earnest," Bobby Morris and John Henley observe the actions of the one-act play without a smile. The cast for "Where's Charley?"

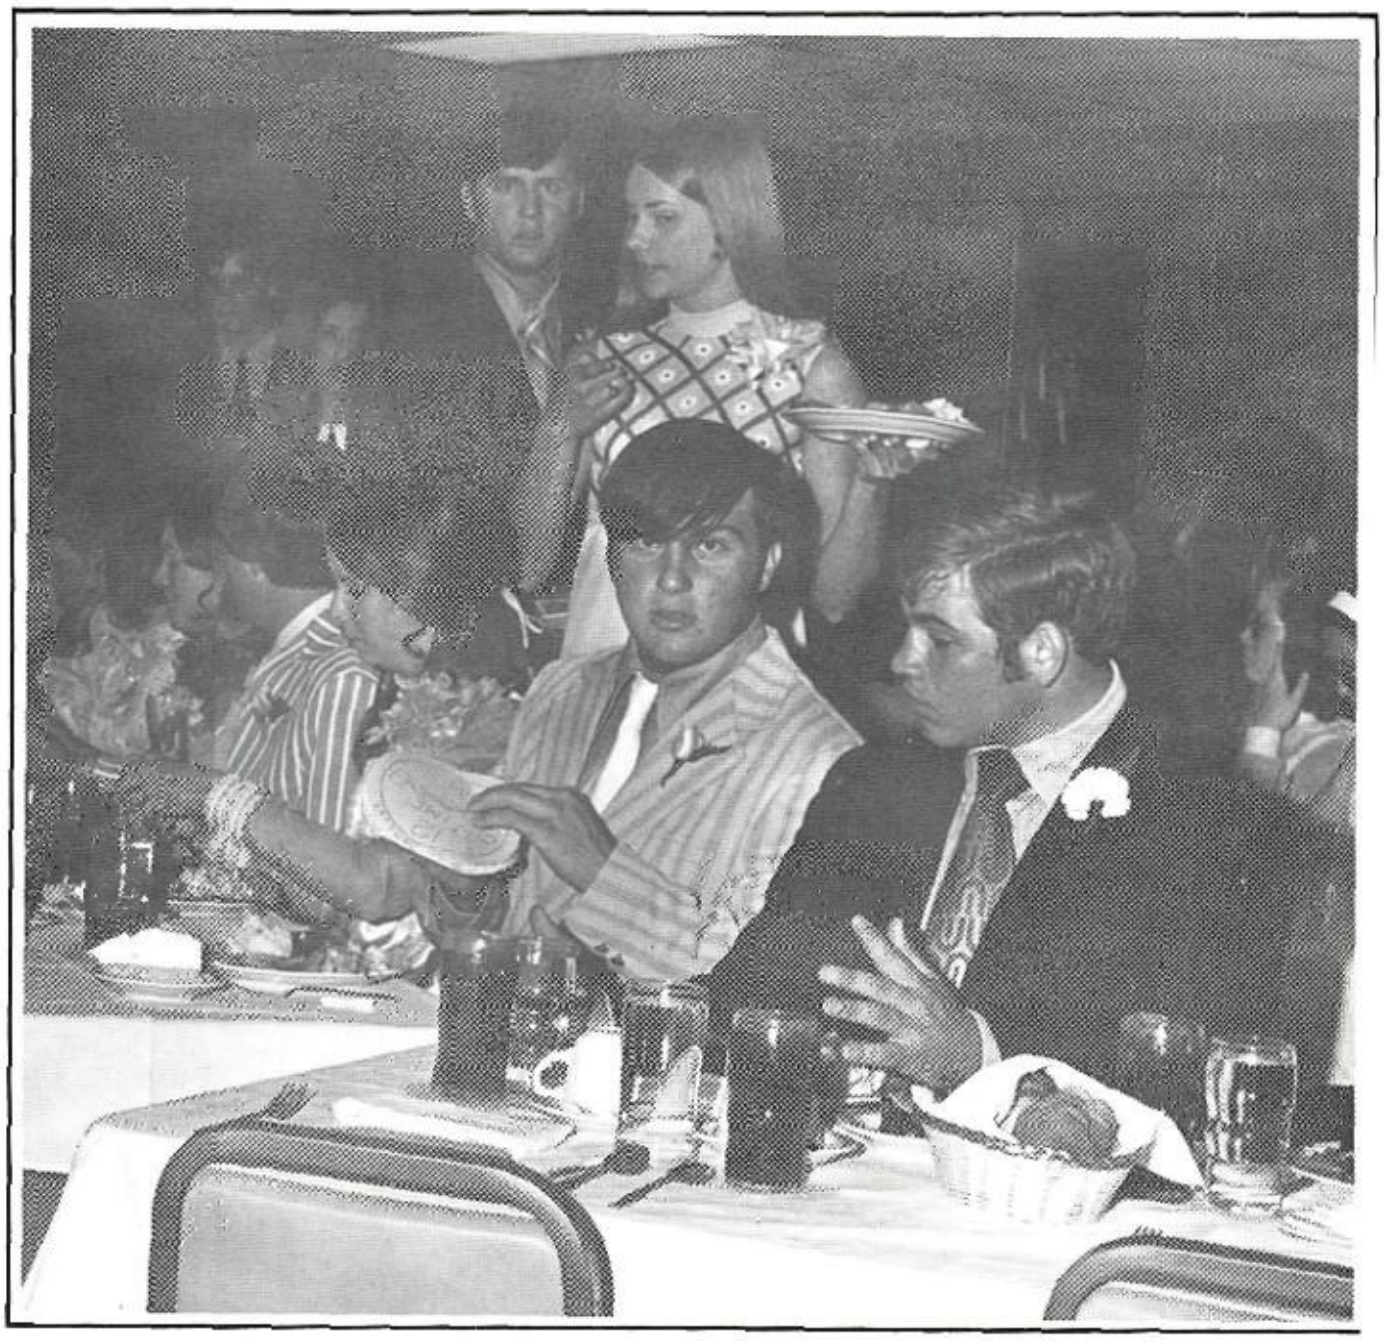
ABOVE The band rehearses for the musical. LEFT Connie Deen dresses for the graduation ball.

"Where's Charley?", a musical comedy in two acts concerning the dating practices of the 1890's, was the 1971 musical which was produced through the joint efforts of the band, choir, and drama departments. The play centered around the fact that Charley and his friend Jack had invited their girlfriends to their college graduation. Charley's aunt, Donna Lucia, was to be the chaperone, but as she was late in arriving, Charley was forced to disguise himself as his aunt. This led to many problems and much excitement. The musical, which was outstanding, received a standing ovation at each performance.

Mickey and Spiro Visit the Prom and Banquet



RIGHT Peggy Bobo and Steve DeHay discuss where to sit at the Banquet while everyone else enjoys the food. BELOW RIGHT Brian Pinto gives the welcome.

With the ticking away of clocks from imaginary to real, so began the 1971 Junior-Senior Prom and Banquet. The prevailing theme of both the Prom and Banquet was Time, with the idea centered around the Senior class motto, "A Time to Begin."

Timepieces from alarm clocks to Spiro T. Agnew watches highlighted the decorations at the banquet and prom. The scene of the prom was the BHS student center, which displayed varied decorations such as a large grandfather clock painted with black light paint, a clock made of orange tape on the student center floor, and the newly erected pond presented to the school by the Future Teachers of America. The prom and banquet, which was the last event of the year before graduation, indeed represented "A Time To Begin."

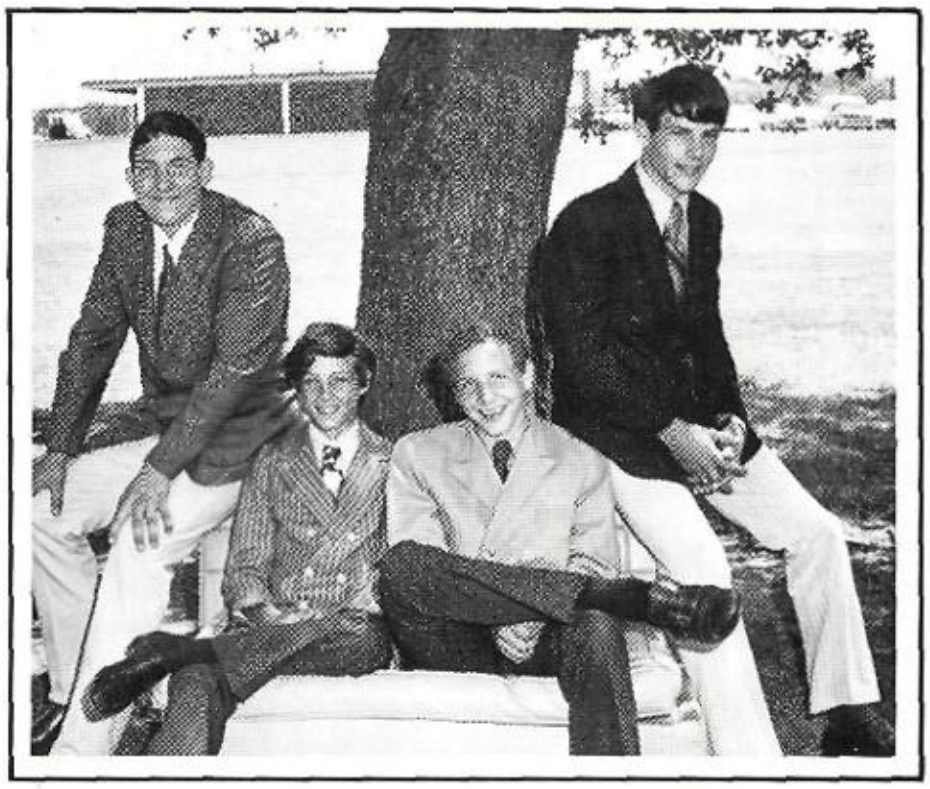
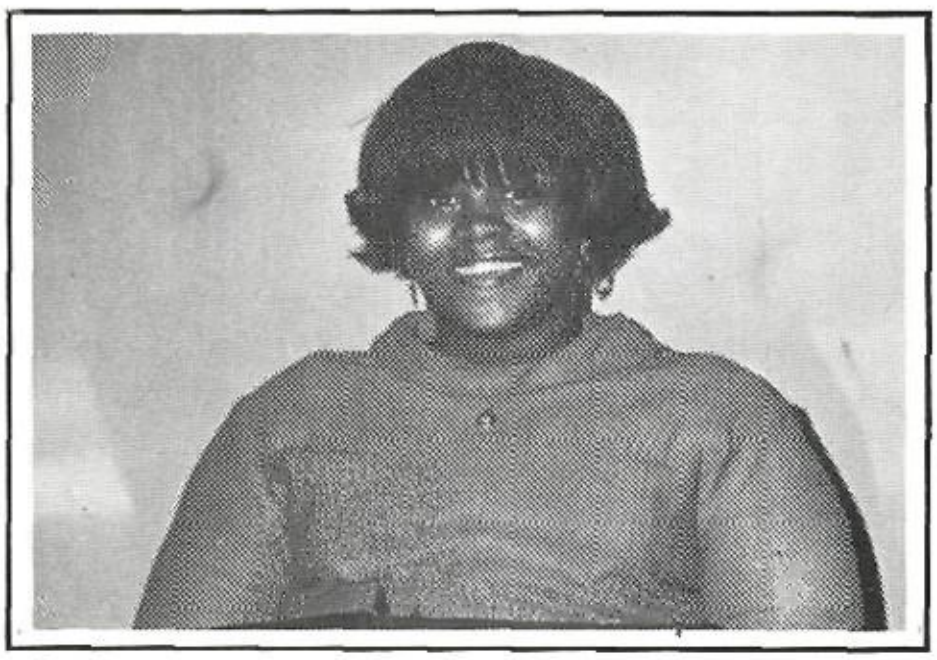
embers of the All-School Area Choir are Aleta Bagley, Darrell nes, Cindy Alexander, Joe Williford, Eddie Clements, and Virgil eisinger.



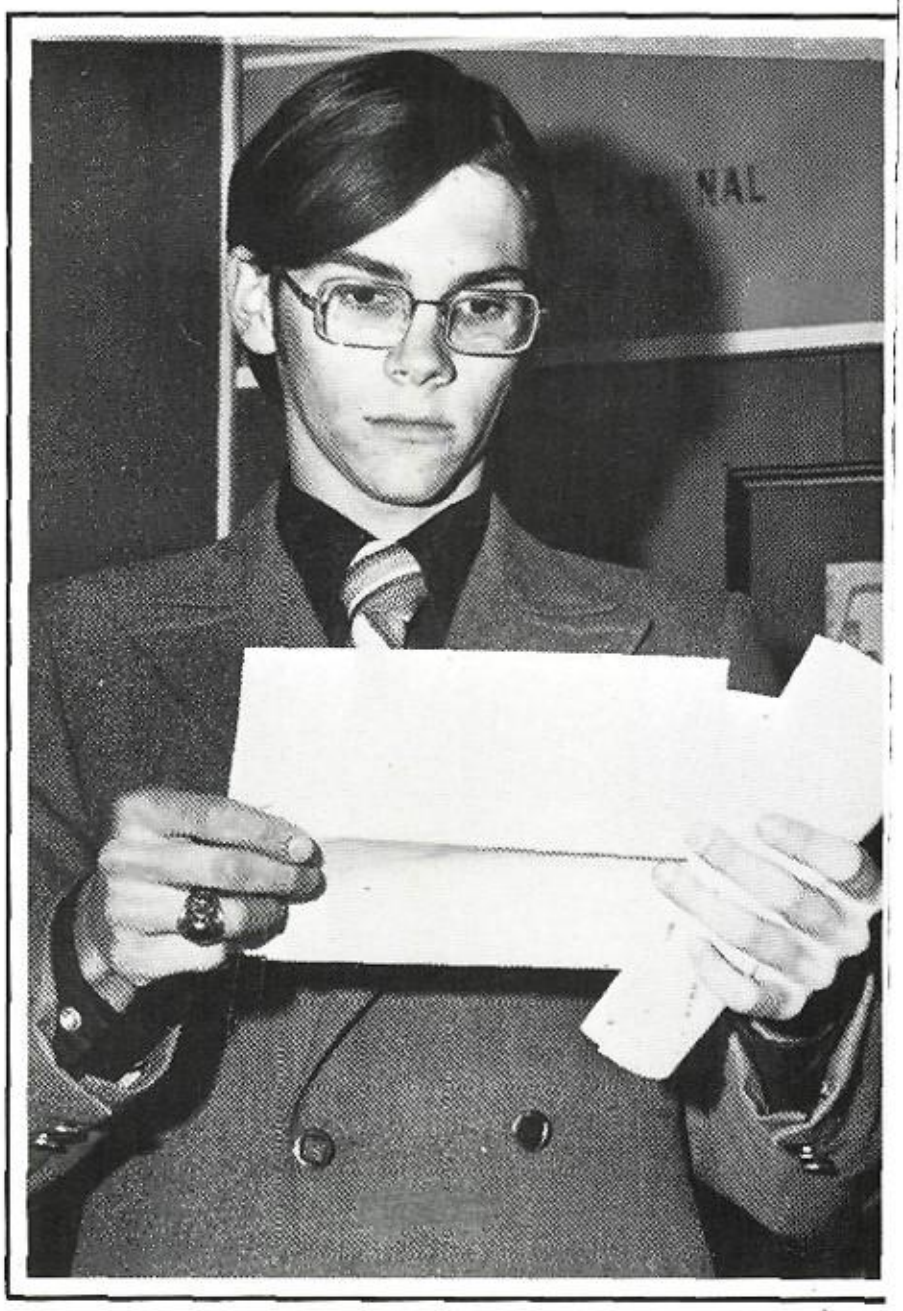
Members of the All-School Boys' Quartet are Alan Day, Darrell Smith, Donnie Twiford, and Brian Cutbirth.

Students Excel in Weekend Contests

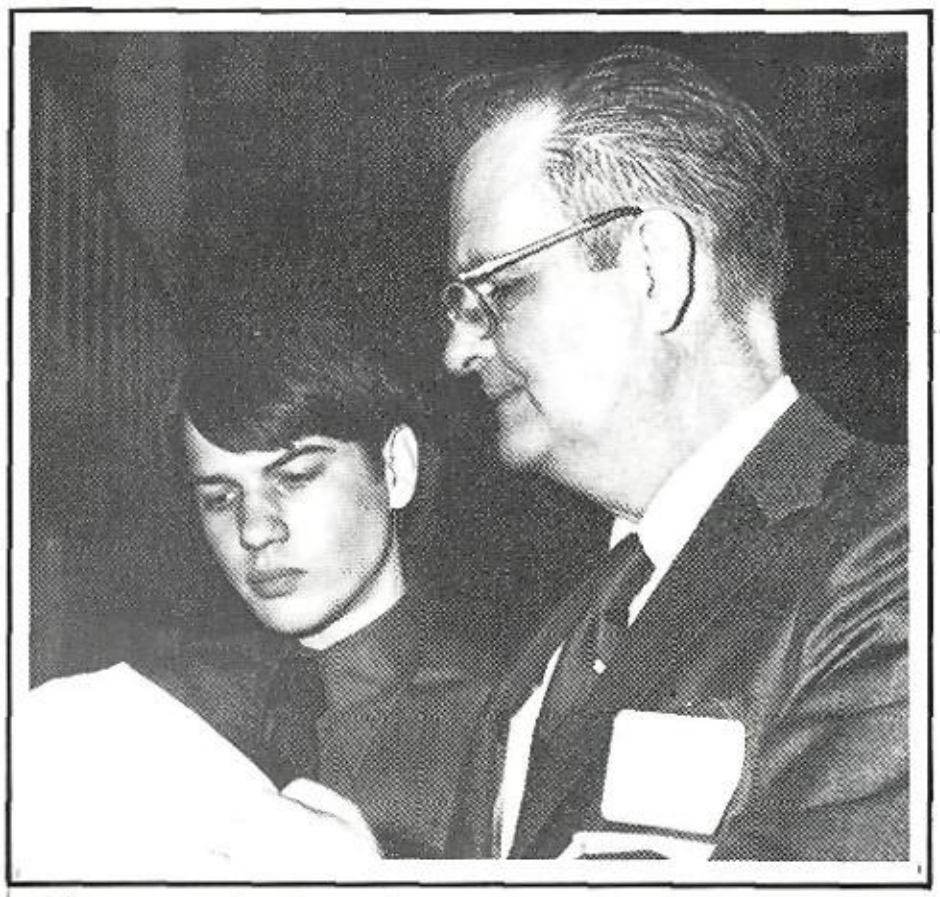
Varied extra-curricular events gave BHS students an opportunity to display their talents. Included among these were the UIL district meet in Vernon, held on April 17, and the Region meet, held on April 24. Although competition was stiff, several Brownwood participants placed high in numerous contests.



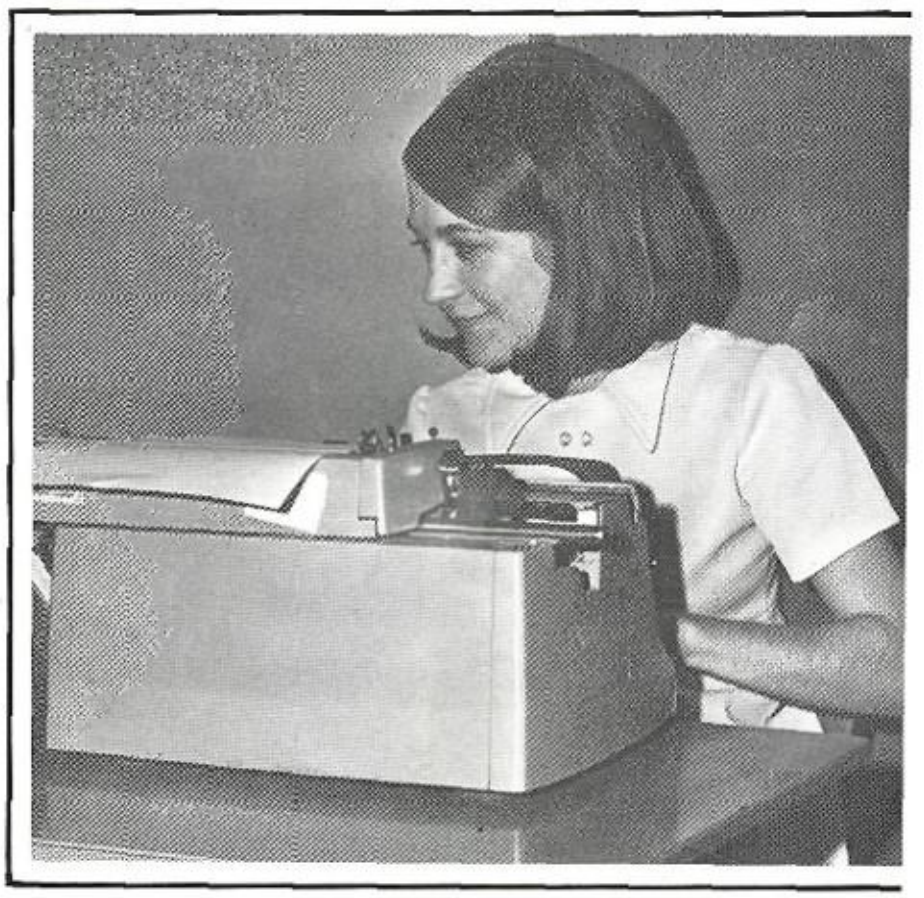
For her poetry interpretation, Phyllis Wells received a silver medal at the district meet.



Wallace Braud placed third in poetry interpretation at the Region meet.



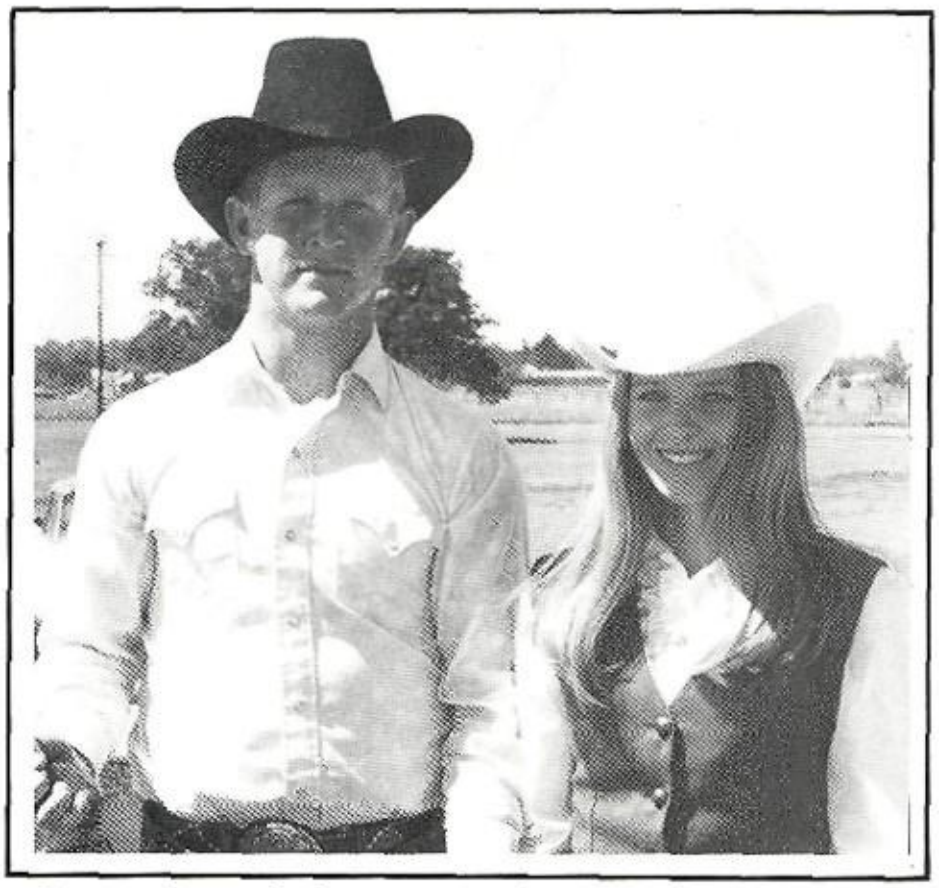
Bill Havins reached the finals in Boys' Prose Reading at the Hardin Simmons Forensic Tournament.



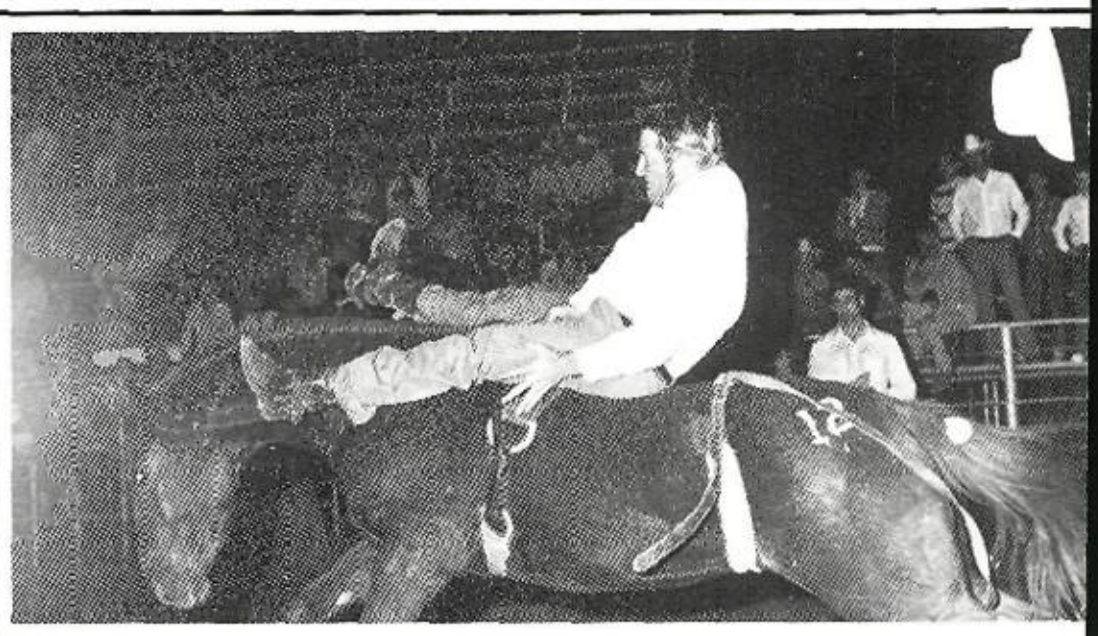
In typing, Carla Burt won sixth at region.

FFA Rodeo Excites BHS

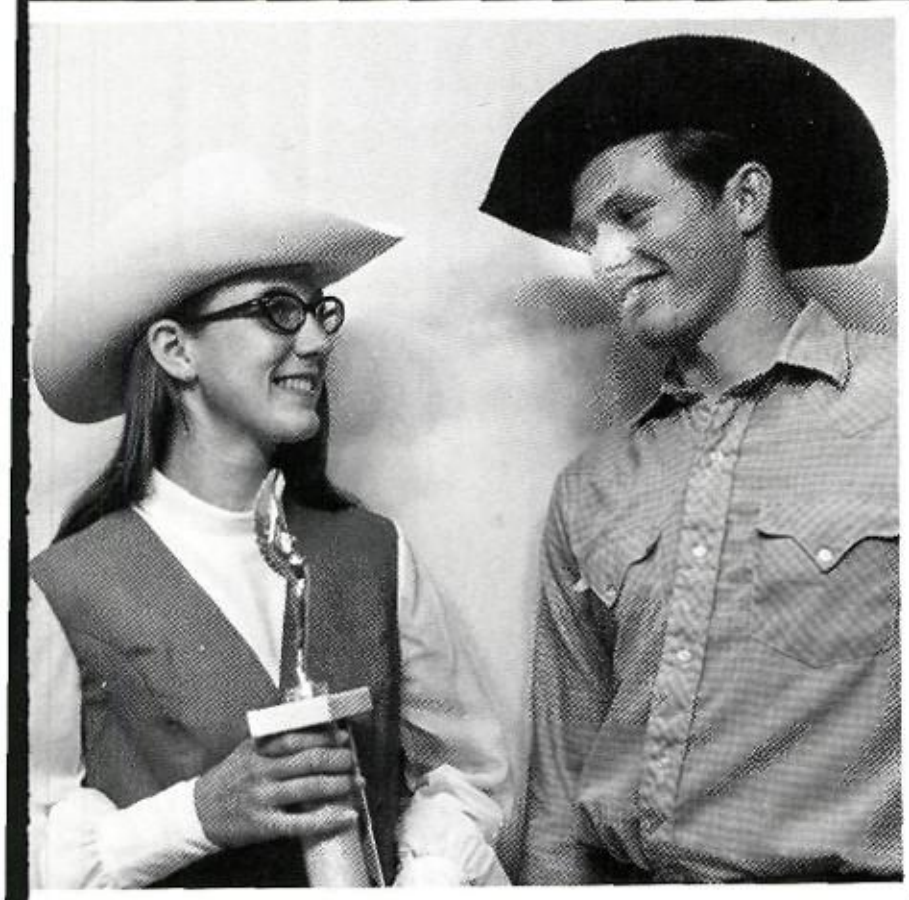
Angelique Lloyd was crowned FFA Rodeo Queen.



Receiving honors for best cowgirl and cowboy were Rex Hudspeth and Louanne Bird.



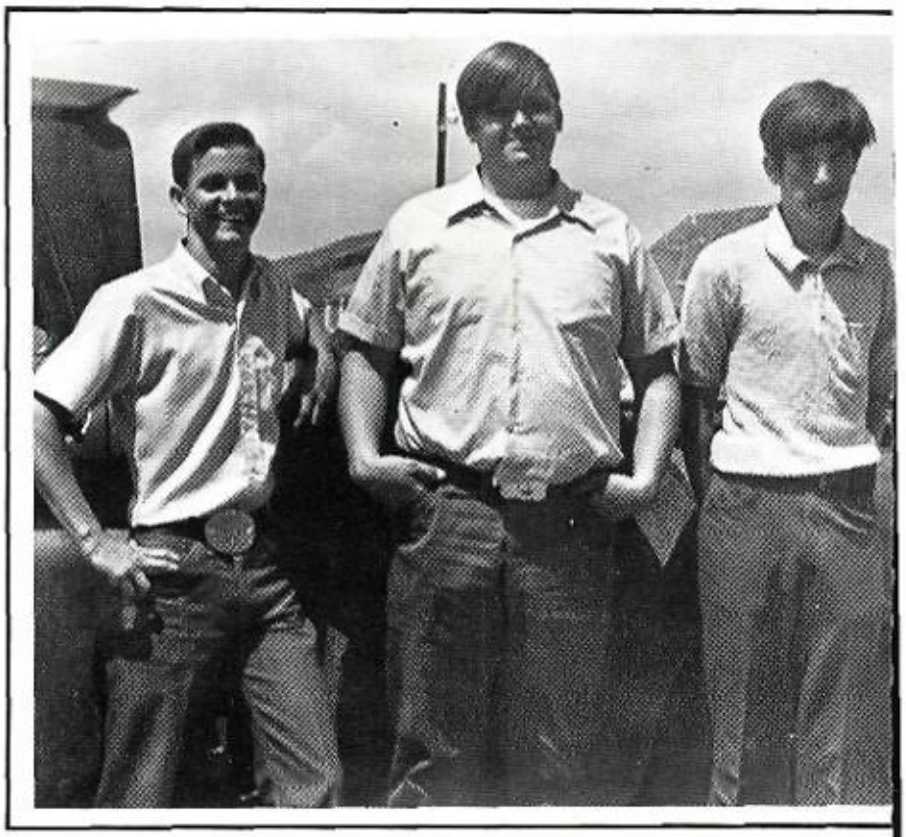
Ouch!



Terry Moore and Tim Wilson were named best-dressed girl and boy on Western Day.

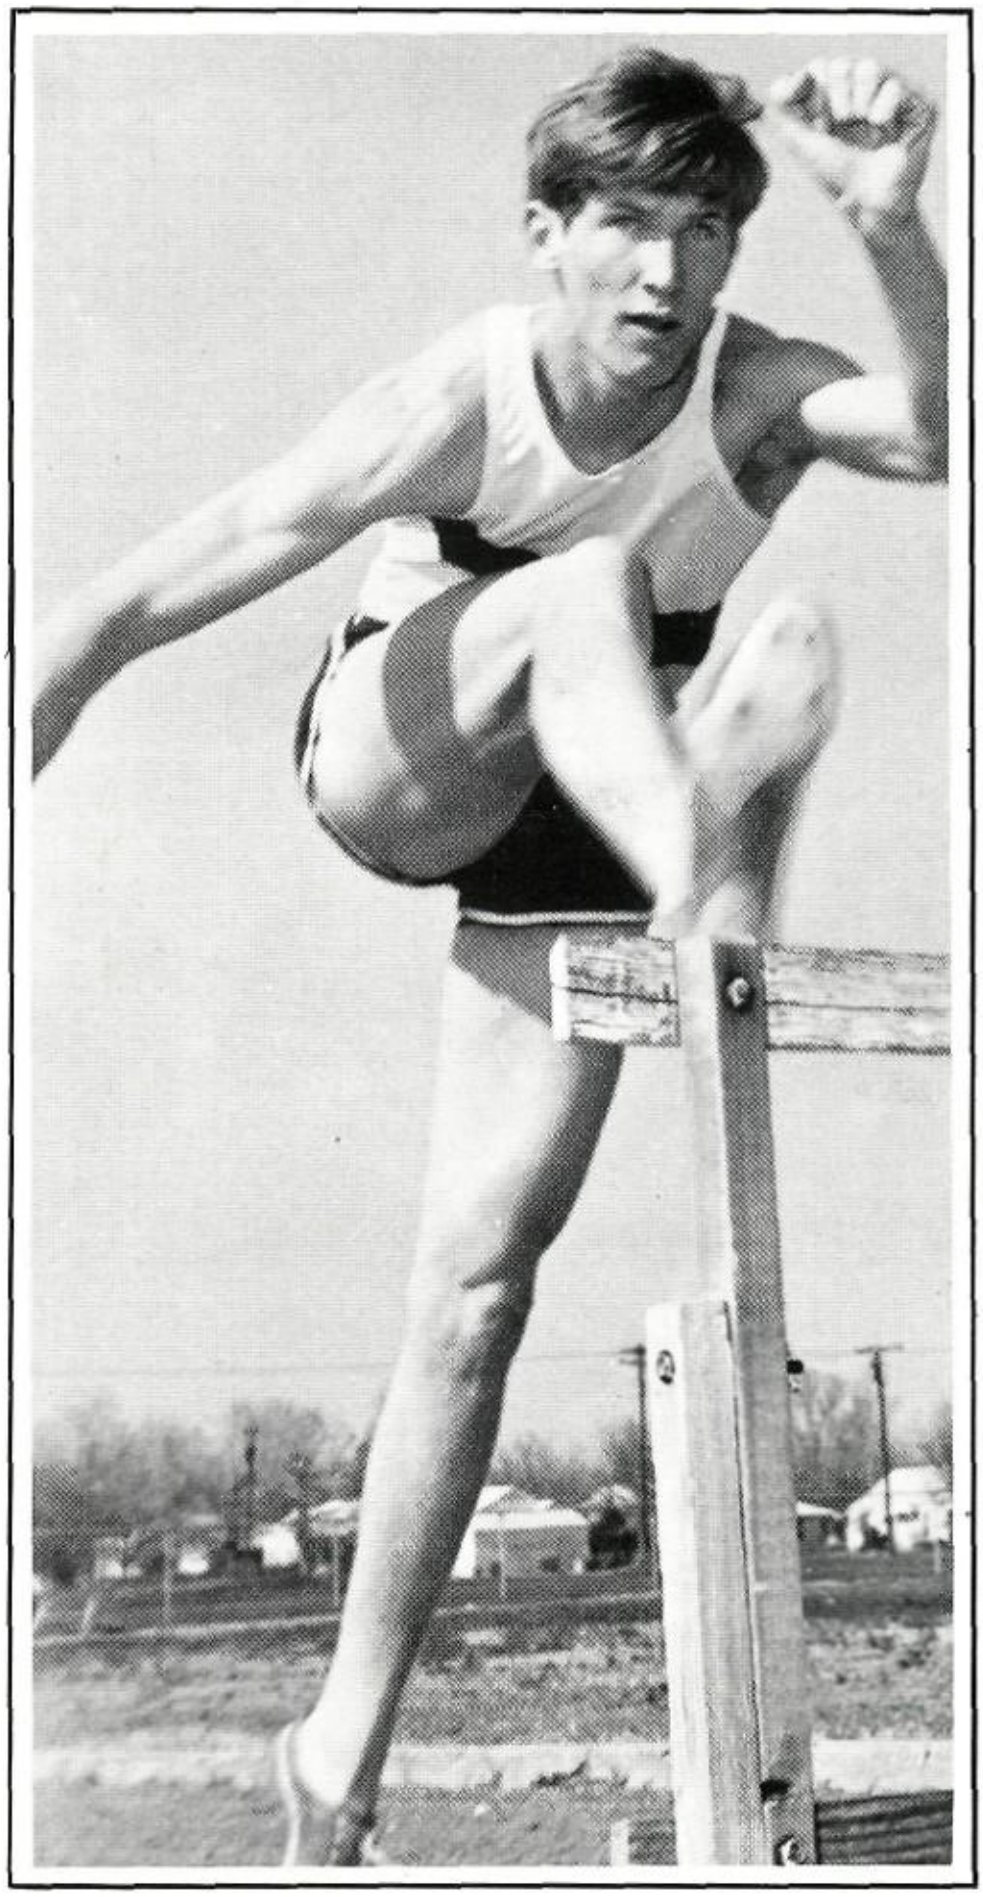
Western Day, Friday, April 23 and 24, in conjunction with the 1971 FFA rodeo, brought the look of the Old West to BHS. Highlighting the two-day affair was Saturday's downtown parade. Friday night's rodeo was open only to BHS students while Saturday night's was invitational to area "goat ropers."

Many BHS students participated in contest activities and state events that involved talent in the different fields. Competition ranged from the field of sports to the cooperative programs of ICT, VICA, and Metal Trades.



Ronald Pope, Mike Hughes, and Jerry Covington competed in the state events for Metal Trades.

Kay Edwards competed in the 100-yard dash at the State Speci Olympics while Richard Banks participated in the 50-yard dash, 100-yard dash, 880-yard run, and the 25-yard swim. Deborah Walker placed first in bowling, and third in the basketball free throw.



Tim Reid lunges over a hurdle during the 120-yard high hurdles at the State Track meet.

Competition Motivates BHS Students

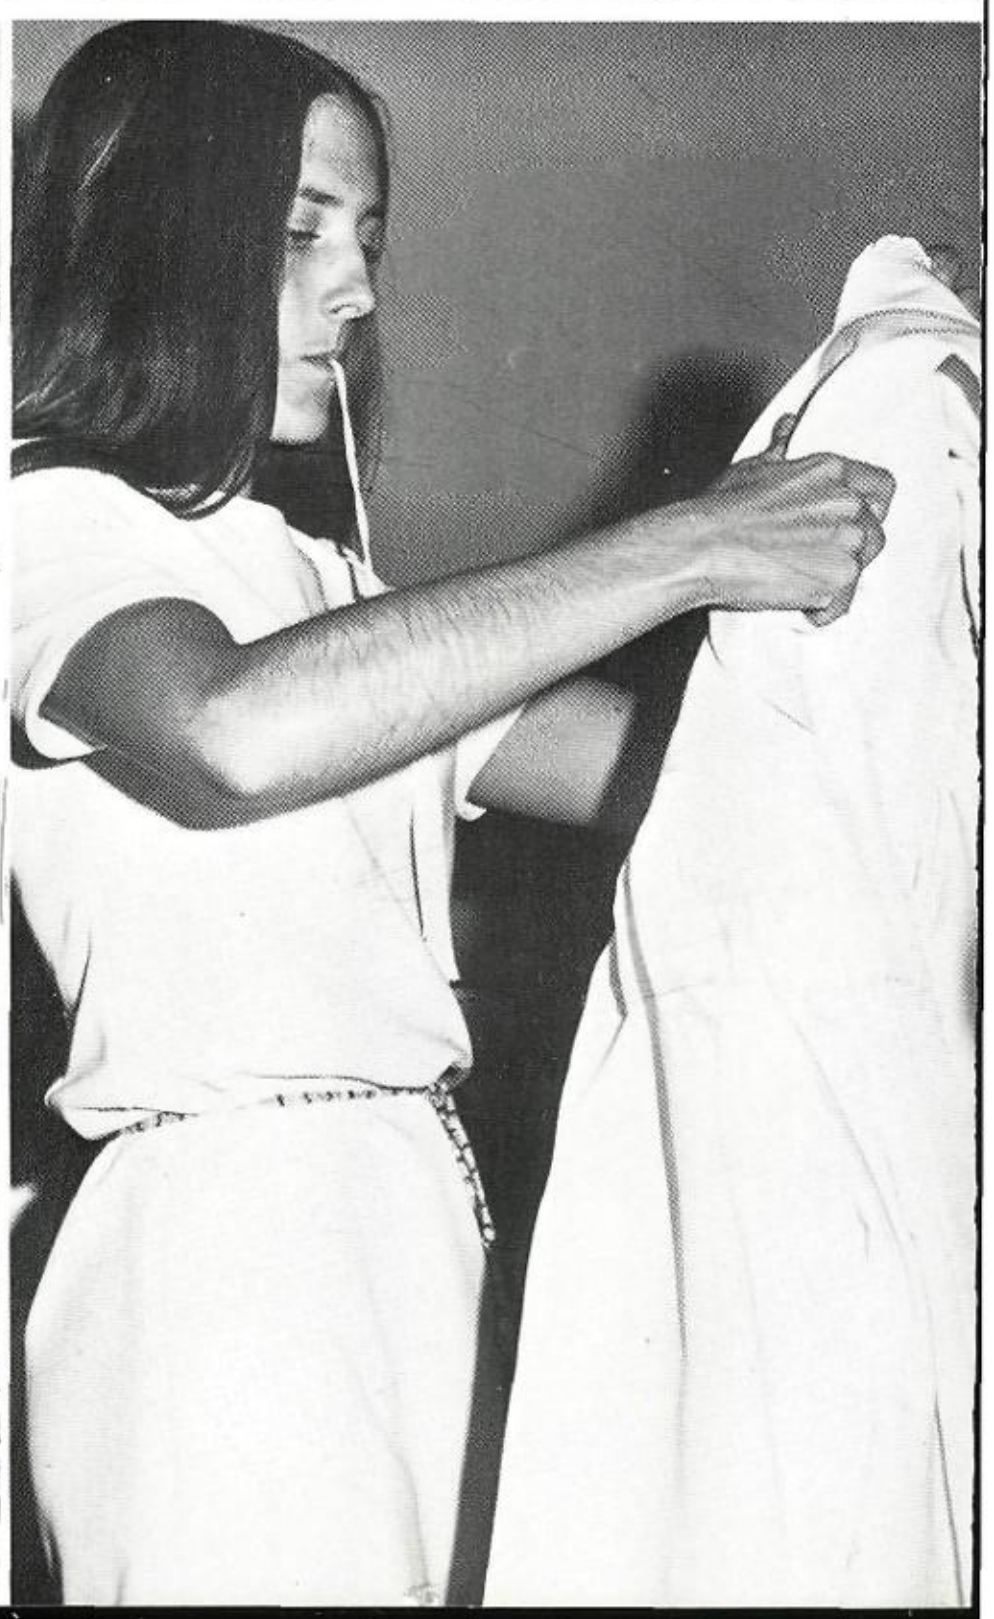
Five DE students placed first in District, which made them eligible for State. These students are Danny Piper, job application; Kathy Boyd, Sales Demonstration; Mike Nance, ad layout; Vonn Croft, student of the year; and Steve Langley, Service Station employee. Mike Nance placed in the top ten of the state, while Vonn placed fifth.

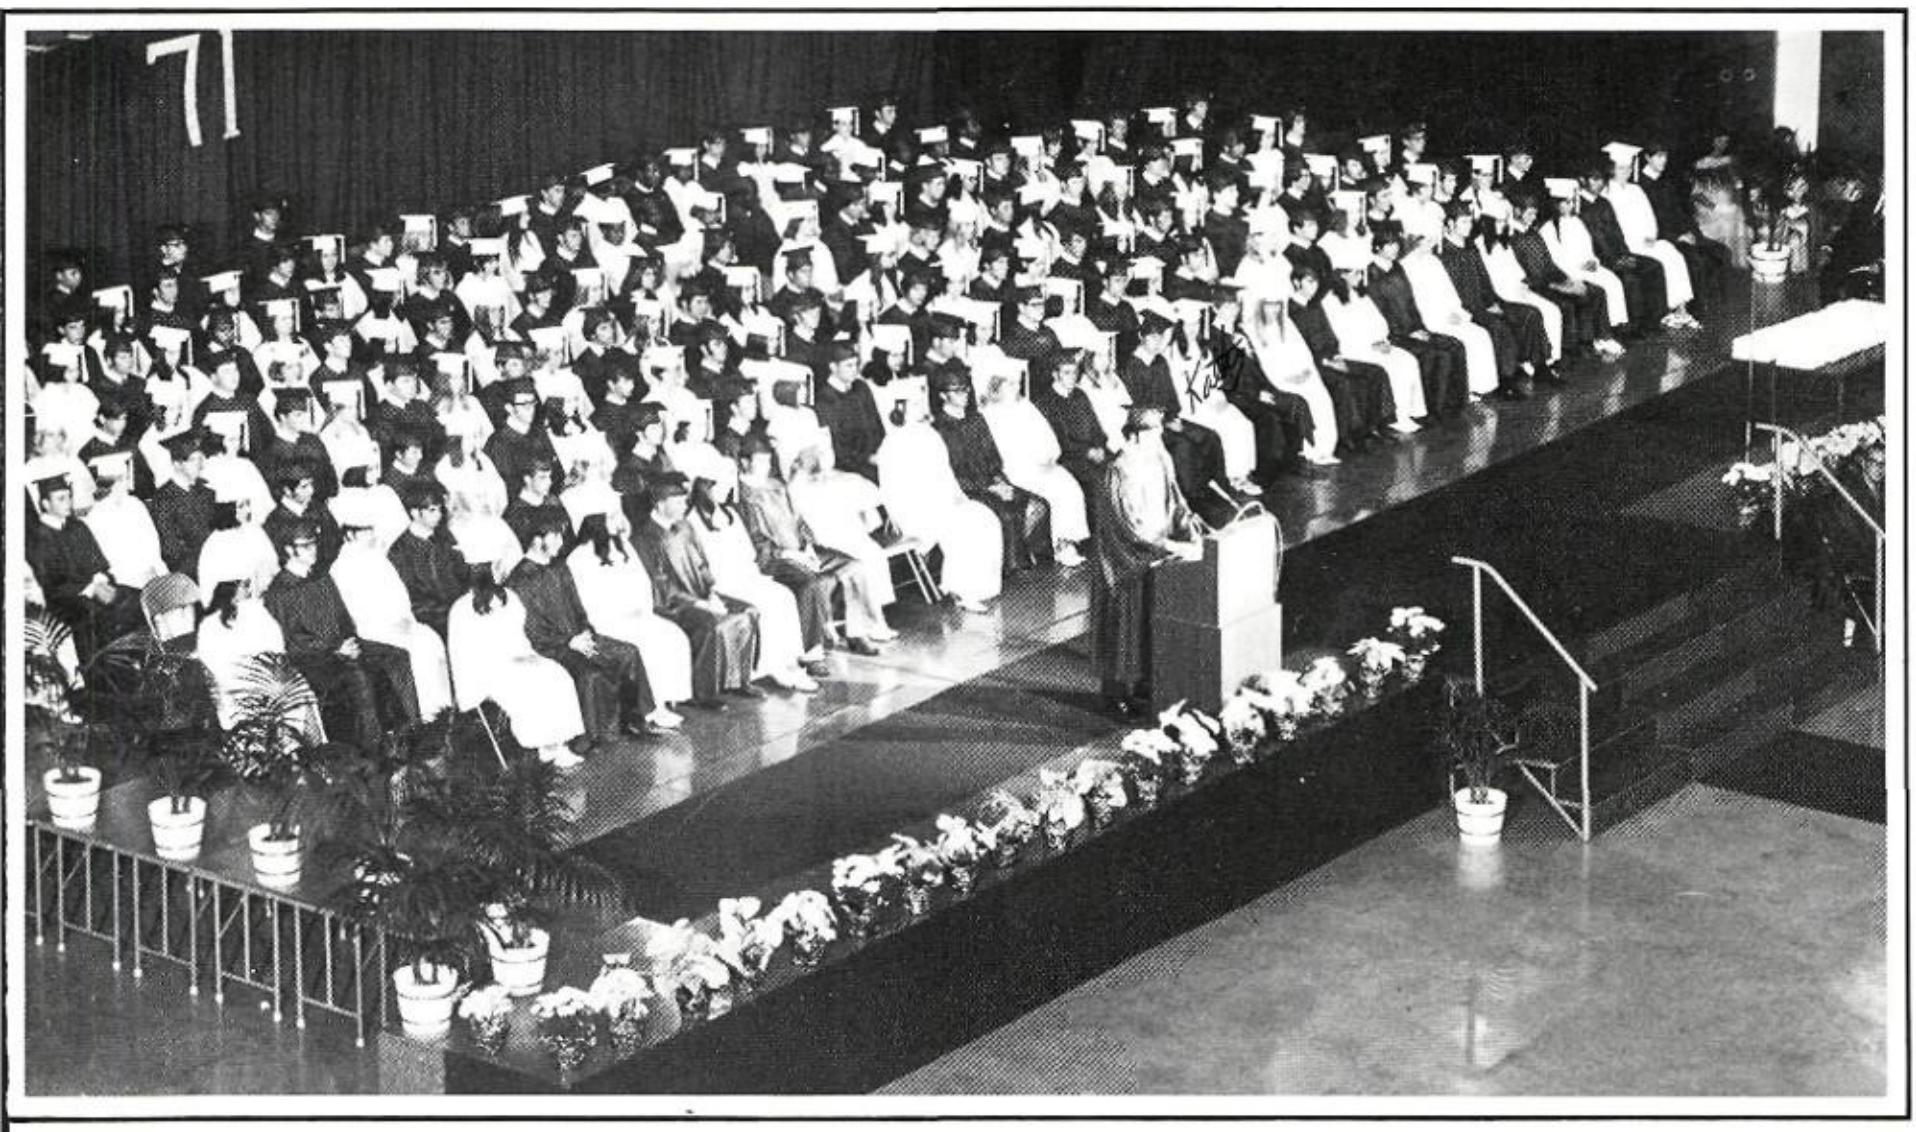
Those students who attended the State VICA meet for Auto Mechanics are Terry Key, speed skill; Victor Arteaga, project; and Ernest Painter, President.

ICT students Mona Osborn and Sherita Followell both won in District competition, while Sherita won first in notebook and fourth in job application at the state meet.

Culminating the year's events at BHS is the long-awaited graduation of seniors on the first of June. For many seniors, graduation is a time of fulfillment and yet others meet this time with a sigh of relief. When the time does arrive to don the traditional caps and gowns, the anticipation and excitement mounts for everyone. For all seniors, the end of their high school career is a time to reflect upon the past while commencement leads the road to the future.

RIGHT Jimmy Cross and Valerie Rogers wait in line to pay the cap and gown fee. BELOW LEFT Bill McClung assists Tommy King in preparing for graduation. BELOW RIGHT Darla McClain gets her gown ready for graduation.





ABOVE The 1971 graduation class listens attentively as Howard Norris delivers his Valedictory address. LEFT Donna Warren exits after receiving her diploma.

Graduation Is a Dream of Yesterday and a Vision of Hope for Tomorrow

PEOPLE . . . "In all peopl

see myself''

I am not an earth, nor an adjunct of an earth;
I am the mate and companion of all people, all just as
immortal and fathomless as myself.

. . .

With music strong I come, with my cornets and my drums,
I play not marches for accepted victors only, I play
marches for conquer'd and slain persons.

Have you heard that it was good to gain the day?
I also say it is good to fall, battles are lost in the
same spirit in which they are won.

. . .

Do you guess I have some intricate purpose?

. . .

Do you take it I would astonish?
Does the daylight astonish? does the early redstart
twittering through the woods?
Do I astonish more than they?

This hour I tell things in confidence,
I might not tell everybody, but I will tell you.

System Employees Aid School

Mr. Olen Teague, director of cafeterias for Brownwood Schools, has many responsibilities concerning the preparation of meals. He purchases all food and equipment, prepares menus, and completes required reports on quantities of food purchased.

Mr. Bill White, attendance officer at BHS, is concerned with the absence of any student. Not only does he work with the high school, but with all Brownwood schools.

The duties of the school nurse, Mrs. Thelma Grooms, cover the entire school system. As the school nurse, Mrs. Grooms weighs, measures, checks the sight and hearing, and maintains a health record of all elementary students and all PE students of junior and senior high schools. While she spends most of her time working with the younger students, she is available to the junior and senior high schools, and sponsors the Careers for Health Club at BHS.

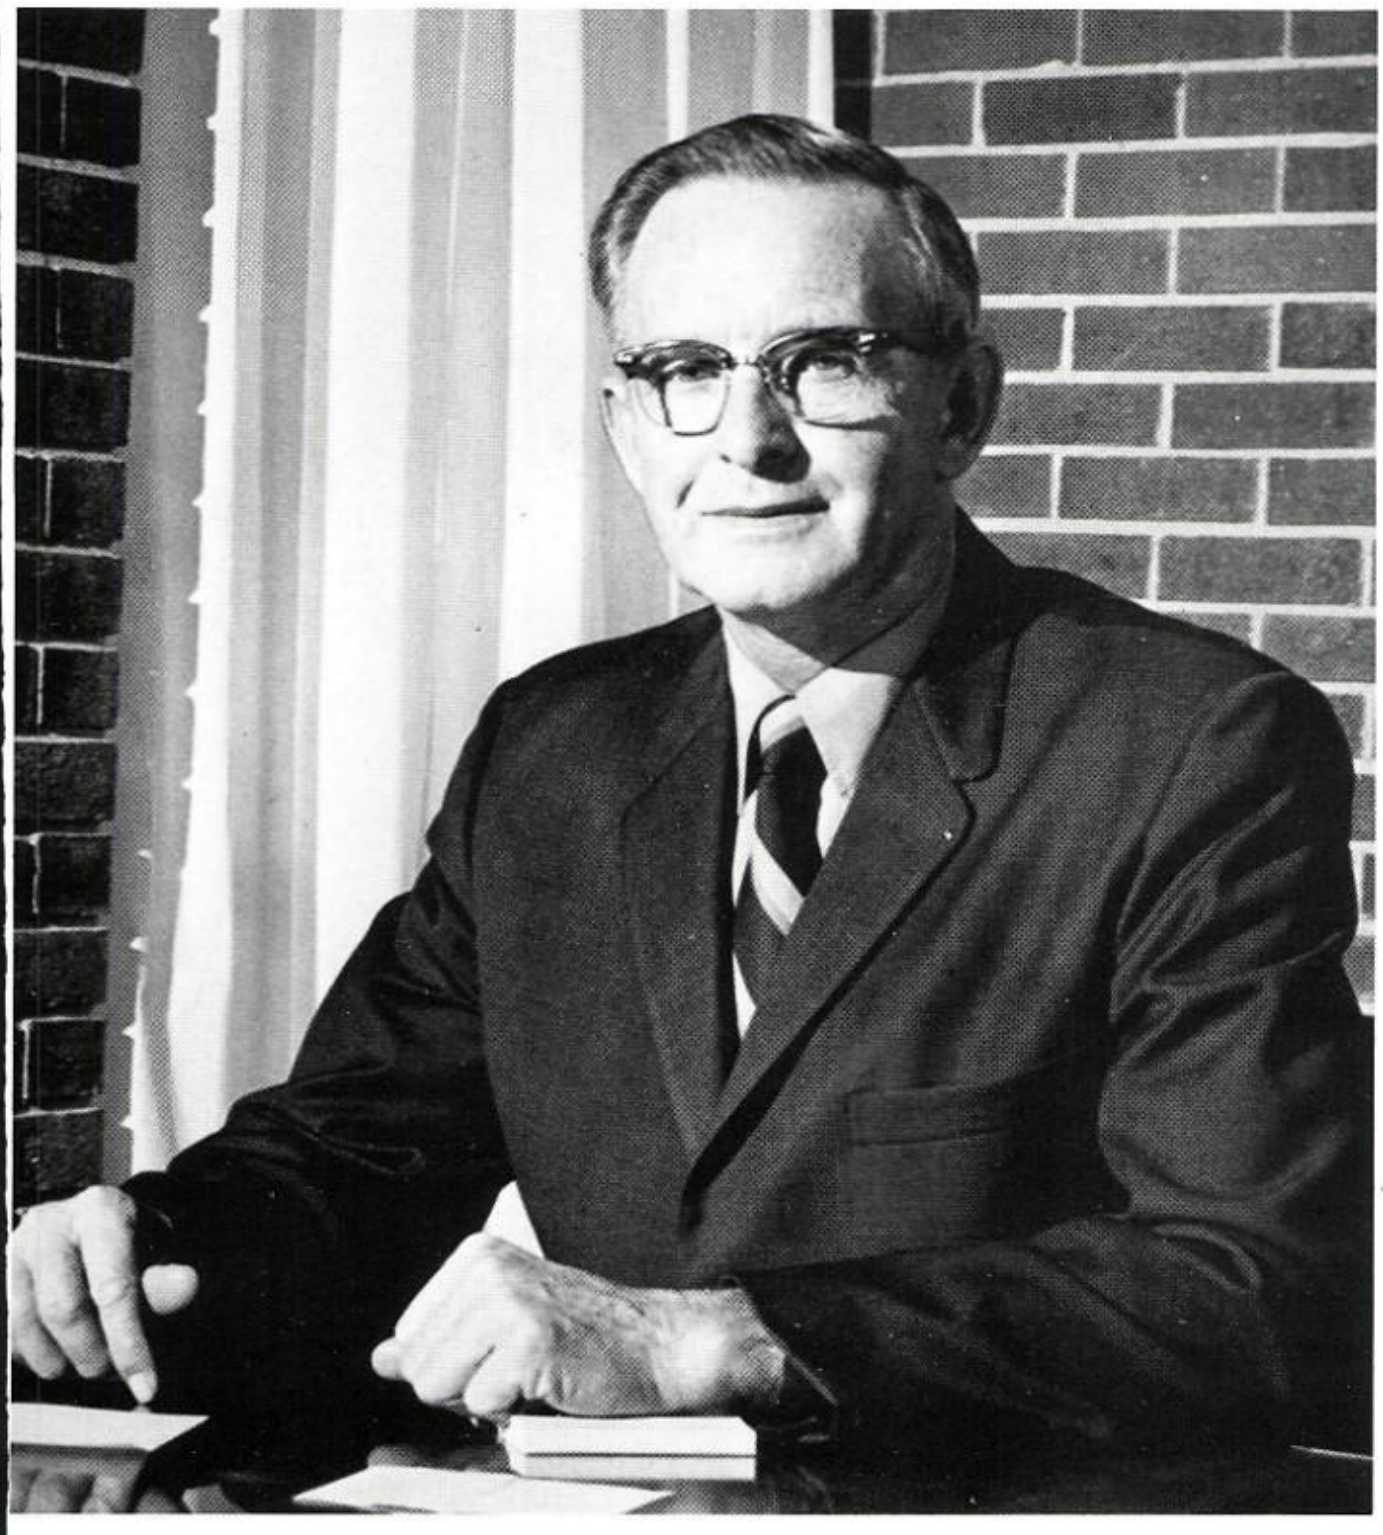
Principal Provides Leadership



During the five years that Mr. R. E. Warren has been principal of BHS he has supplied able leadership for the students and guided both students and faculty members through difficult decisions. Faced with an unlimited number of responsibilities, Mr. Warren strives to make BHS one of the top schools in this area.

BELOW Mr. Warren finds time in an overloaded schedule to give Zan Slagle individual advice.

Vice Principal, Counselor, Office Personnel, Librarian,

Mr. Milch, vice-principal at B.H.S., assists in handling the administrative department of the school. He sees that the varied activities in which the school is involved run smoothly. He does an excellent job in maintaining the superior rating of B.H.S.

Mrs. Ferguson, guidance counselor, assists B.H.S. students in many ways. She sees that seniors get their college entrance examinations taken and aids in the selection of a college and an occupation. Mrs. Ferguson is also involved in the A.F.S. Chapter at B.H.S.

ABOVE Mr. Milch typifies the many moods of B.H.S.
RIGHT Mrs. Ferguson demonstrates her willingness to help the B.H.S. student by advising Val Rhoades on his choice of college.

Attendance Clerk, and Secretary Assist Students

Miss Bertha Guggolz, BHS librarian, gives guidance to students in using the library facilities. The BHS library consists of over 8,500 books, many of which include a varied set of encyclopedias, periodicals, magazines, and books. Under the assistance of Miss Guggolz, the library provides an excellent place for students to study.

In her second year, Mrs. Barbara McHorse fulfills the duties of attendance clerk. In this capacity, Mrs. McHorse records the daily attendance of students, issues reinstatements and tardy slips, and supervises students checking in and out of school.

Mrs. Pat Dennis, secretary to Mr. Warren, has a busy day carrying out the duties that accompany a high school office. Mrs. Dennis makes stencils, takes dictation, and takes care of financial matters of the school.

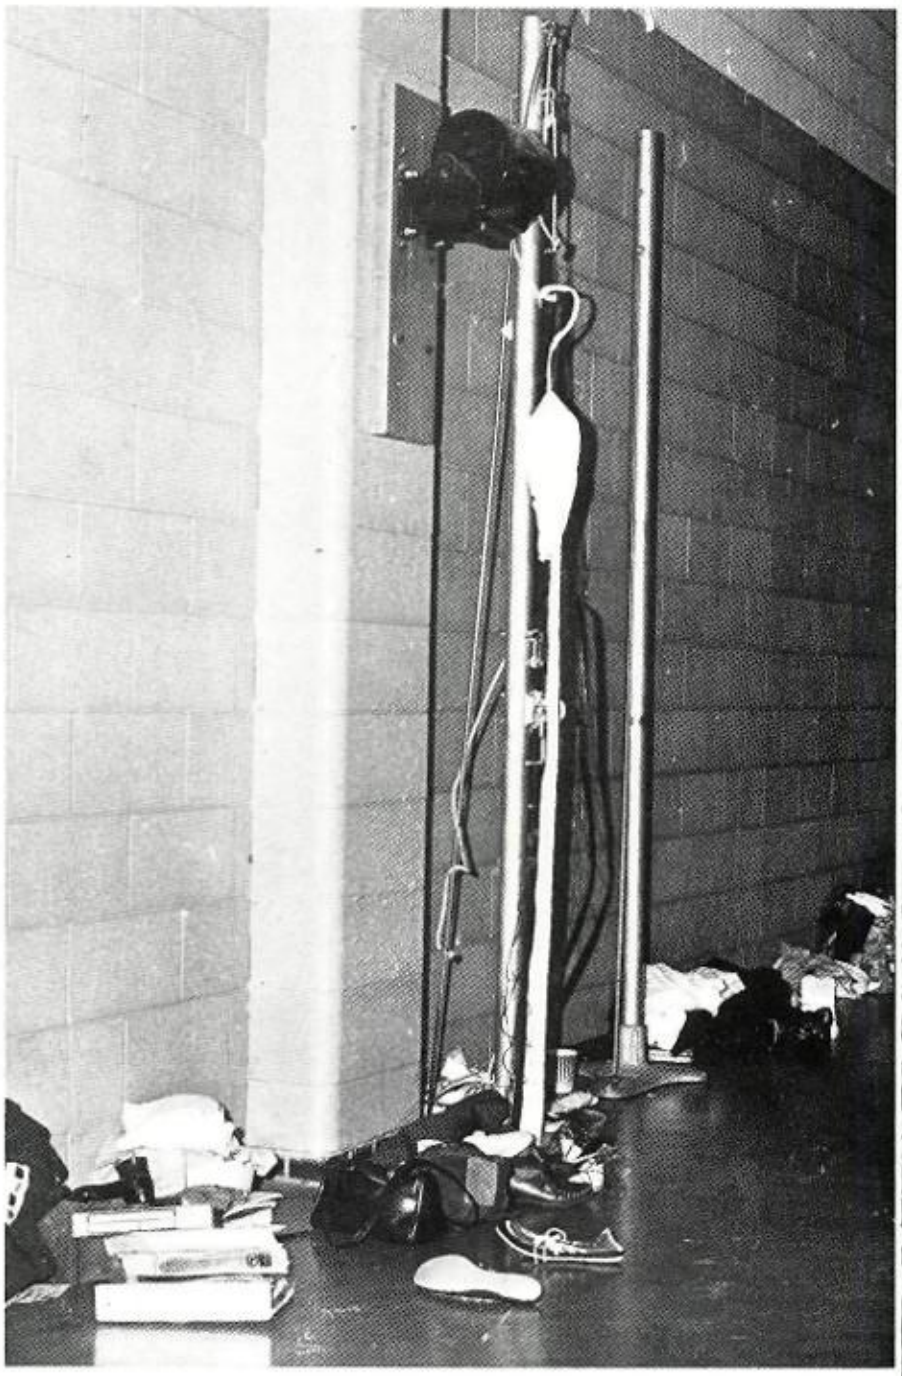
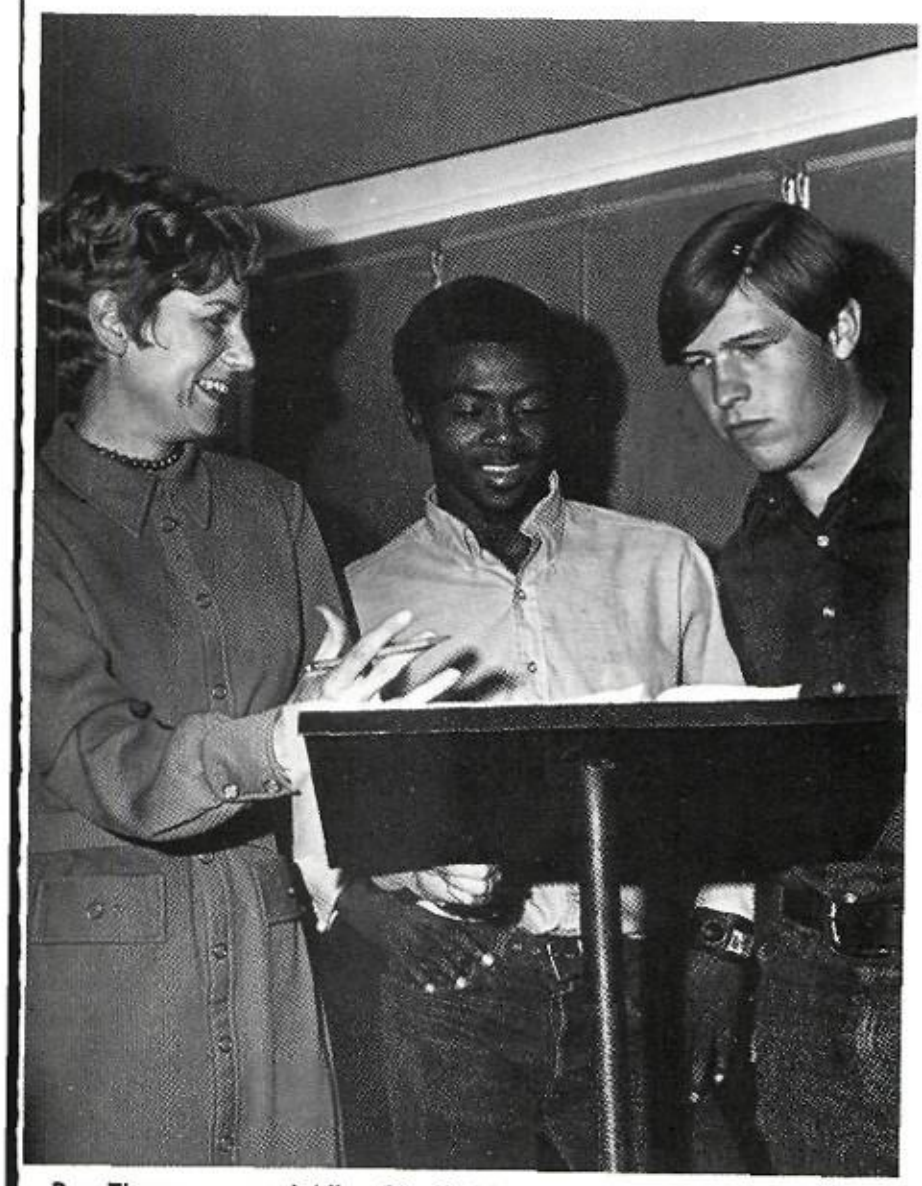
Come a little closer!

One goal of the P. E. department is to develop skills and good sportsmanship. In addition to calisthenics, both boys and girls are given opportunities to participate in intra-class competitive sports such as basketball, football, volleyball, track and wrestling.



Besides building physical fitness P. E. helps each girl become a "proper" housekeeper.



Ray Thompson and Allen Sheffield receive assistance from Mrs. Cadenhead in Junior English.

English Classes Teach Individual Expression

Through the study of literature, the English department at BHS hopes to increase the student's understanding and appreciation of man's culture in the past and present. Sophomores endeavor to gain an understanding of several different types of literature while also learning correct grammar usage. Juniors study American literature and learn to analyze and be aware of what they have read. Seniors make an intense study of English literature from the works of Shakespeare to modern-day authors.

In addition to four years of English, two years of Latin and three years of Spanish are offered for the student who plans to attend college. The student learns the customs of foreign lands as well as the language fundamentals.

Social Studies Creates Interest in the World

To provide a more complete knowledge of past and present world events, two and a half years of social studies, including civics, world history, and American history are required of each student at BHS. An additional one half year of Texas history is offered for the student who wishes to continue in a deeper study of their state. While enrolled in a social studies class, a student becomes aware of the vital importance of learning historical events of the past as related to the present.

Each student is also required to take one-half year of health to increase his knowledge and understanding of his body.

"This class lacks something," reflects Naomi Rushing.

Several courses are offered at BHS to meet the diverse needs and abilities of the student. Choir and band satisfy the musical aptitudes of many individual students, and through drama and speech courses, students increase and deepen their often limited ability to express themselves and communicate with others. Special education courses are specifically designed to meet the academic and vocational needs of special students.

Fine Arts Stress Cultural Awareness

Contributing to the educational development of the student, BHS offers Laboratory and classroom training in Math and Science. Required for graduation are two years of math and two years of lab science. These requirements aid the student in a better understanding of the elements necessary to live in our world of today. Teachers use overhead projectors, graphs, slide rules, and three dimensional figures to demonstrate principles in these fields. Students learn biology, chemistry, and Physics through lab experimentation and textbook work.

Curriculum Benefits Students

Mr. Cosgrove gives needed assistance to Steve Butler in drafting.

The student who plans to enter into the business world, either in commercial or vocational fields, learn valuable skills from the curriculum taught at BHS. Typing, shorthand, and bookkeeping students learn from the most modern equipment available. Printing, crafts, and mechanical drawing classes introduce students to life in the professional world. The agricultural department acquaints its students with the most modern methods of farming and farm management. Fundamentals in clothing construction, meal preparation, and home management are taught through practical application by the homemaking department.

Cooperative Training Awakens Interest and Kindles Enthusiasm

Students seeking aid in preparing for future occupations benefit greatly from the vocational courses taught at BHS. In addition, vocational clubs offer its students opportunities to participate in area and district contests and attain leadership skills.

Day Trades students in Auto Mechanics, Building, Trades, and Metal Trades attend academic classes for half a day and then spend the remainder working in lab and shop facilities.

Distributive Education, Vocational Office Education, and Industrial Cooperative Training comprise the Cooperative Training curriculum at BHS. Students enrolled in these classes learn from on-the-job supervision in preparation for the specialized field they intend to enter.

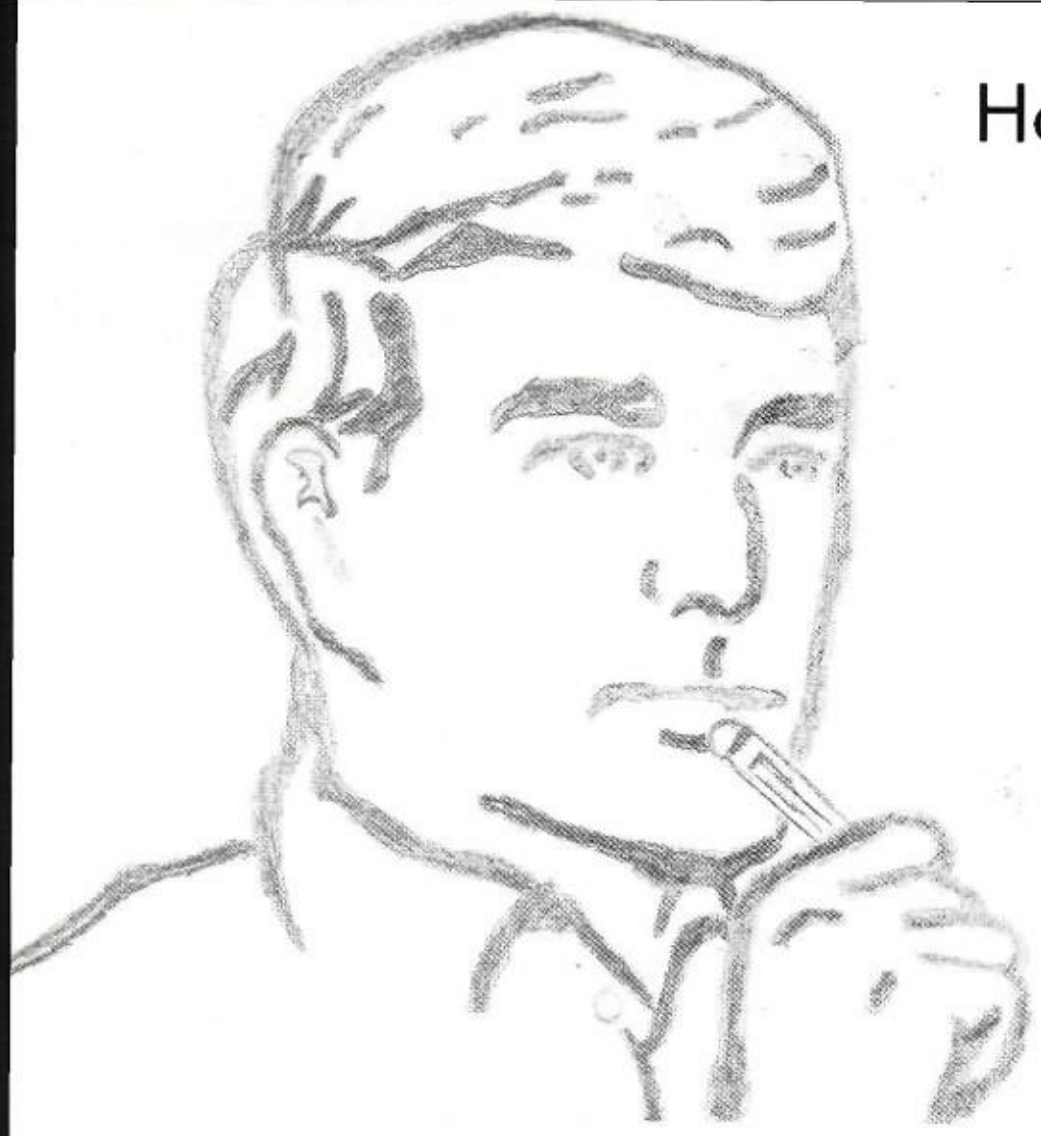
Two shifts of maintenance men work to clean classrooms, repair broken facilities, and maintain the campus grounds with the help of Mrs. Harris.

During a student's three years at BHS, he learns to appreciate Mrs. Harris' warmth and charm, in spite of the traditional birthday spankings.

Honors



Honor students and their averages are Jim Mason, 92.660; Patricia Lockwood, 97.177; Ted Shelton, 92.218; Pam Coleman, 94.950; Kala Carlisle, 92.768; Bobby Hammond, 92.293; John Blagg, 94.309. Standing is Clive McClelland, 94.478.

Norris Heads Top Ten

Howard Norris, who plans to attend Texas A & M University, will major in Pre-Dentistry. During High School, he has been interested in science, sports, and drama.

Karen Smith, a future zoology major, plans to attend Tarleton State College. She enjoys music, water sports, and horseback riding.

Outstanding Students Are Honored

On the basis of scholarship, loyalty, and achievements an outstanding senior is annually awarded the Balfour Plaque and Key Award. The sophomore and junior class officers and the high school faculty select the recipient.

In the spring of their junior year, six boys and two girls are selected by the faculty to attend Boys' and Girls' State during the summer preceding their senior year. While in Austin, the students learn more about national, state, and local governments.

Interested academic students are given the National Merit Qualifying Test during their junior year. A student first becomes a semi-finalist based on his test score. National finalists are selected from the semi-finalists on the basis of recommendations.

Chosen by the teacher in specific areas, BHS students are annually awarded Departmental and Academic Awards. To obtain one of the awards a student must excel in the given subject.

Nurses and Area Vocational

Included in the vocational curriculum at BHS is nursing, which is open to any student eighteen years or older with a high school diploma or its equivalent. Nursing students participate in classroom study for eight weeks, pre-clinical study for four months, and the remaining six months are spent in clinical training. Upon completion of this course, each student is graduated as a Licensed Vocational Nurse.

The officers are Miss Connie Brooks, Secretary; Mrs. Hazel Bates, President; Miss Rebecca Wheat, Publicity; Mrs. Jean Isom, Vice President.

Students Learn at BHS

Enrolled in the vocational program this year at BHS are boys from Cross Plains High School and Brownwood Junior High School. A student enrolled in Auto Mechanics, Metal Trades, or Building Trades works in the Lab and shop facilities half a day here at BHS. He spends the rest of the day in courses at his respective school. Each vocational course is designed to provide the student with technical knowledge and skills, as well as valuable experience.

BHS cheerleaders are chosen each spring by student body vote. Candidates try out in front of students by doing cheers which they have been taught the previous week. A boy and girl are chosen to represent each class with the senior boy being head cheerleader. The mascot, a senior girl, is chosen by a selected committee.

Each summer, cheerleaders and mascot attend cheerleaders' school which is instructed by members of the National Cheerleaders Association. Stunts, pom pom routines, and new cheers are taught. BHS cheerleaders spend the remainder of the summer practicing for pep rallies and football games.

Drill Team Stimulates Enthusiasm

Many hours of hard work during the summer and during the school season prepare the drill team for the football season. Each girl finds other times during the day to reach her personal goal for perfect performances. From the first football game to the last, the drill team is able to give an outstanding performance, which is proof of the pride the girls have in their school and their football team.

RIGHT The outstanding members are Dianne Kirksey, jr.; and Becky Sweeney, sr.

Tennis and Golf Are Competitive Sports

The Brownwood High School Tennis Team of 1970-1971 competed in several tournaments with the big one being the district 4-AAA meet held in Vernon. Ted Shelton and Jimmy Cross also did well in the boys' double until they met Iowa Park. James Richey did his share in boys' singles before bowing to Graham.

The BHS Golf Team, under the direction of Coach Don Martin, won in district competition, and managed a fifth place standing in regional competition.

ABOVE Coach Don Martin instructed the Lion Golf Team. LEFT Members of the Golf Team were Timmy Little, Randy McHorse, Charles Porter, Jimmy Cunningham, and Danny McNeal.

Organizations

My year's stay in Texas is passing by too quickly. I am enjoying every minute of it. I only wish that I could thank everyone who made it possible for me to come here and all those who have made this year a year to remember for me.

American Field Service Promotes Friendship

To bring nations close together in the bonds of mutual friendship is the main objective of the American Field Service. Brownwood High School and the Brownwood community strive to promote a better understanding between the peoples of the world by accepting a foreign exchange student into the city each year. This year marks the arrival of our sixth exchange student.

Brownwood students who have the necessary requirements have equal opportunities to go abroad to study and live with families in other countries.

JOHN ISOM
President

The Student Council functions in many capacities for the benefit of the whole student body. President John Isom guides the council through the strategic moments of a successful school year. Besides dealing with the lighter side of school life, the council hears and discusses complaints or suggestions of students in each session and accomplishes more along this line than many realize. Even though the student council meets every other week, most of its work is done out of session in the committees. In the last six weeks of the school year, the student council holds elections for the following year for council and student body officers, thus successfully completing its duties for 1971.

NHS Membership Is the Reward

BHS confers no higher honor than membership in the Eisenhower Chapter of the National Honor Society, because it gives recognition to those students who, in the opinion of their teachers and administrators, are building in their school life a fourfold foundation — Character, Scholarship, Leadership, and Service.

The character traits of NHS members must exemplify their pride in the organization by maintaining an outstanding academic average. Members are leaders in school activities and perform varied functions which include an annual appreciation tea for both the faculty and parents, a Christmas tree for the student center, and aid to the Little Flame School by providing tables, tricycles, and other articles necessary for their education and entertainment.

Building Trades Helps Build the Future

Diversified Teaching Fields Are Examined

Open to sophomores, juniors, and seniors interested in becoming teachers, Future Teachers of America presents guest speakers representing different fields connected with education. The members divide into groups and practice the art of teaching so as to experience their occupational desire. The FTA observes American Education Week and serves as ushers for the District IV TSTA convention. Other projects during the year include a series of films and operation of the concession stand to raise money.

"Lion's Roar" Reports School Happenings

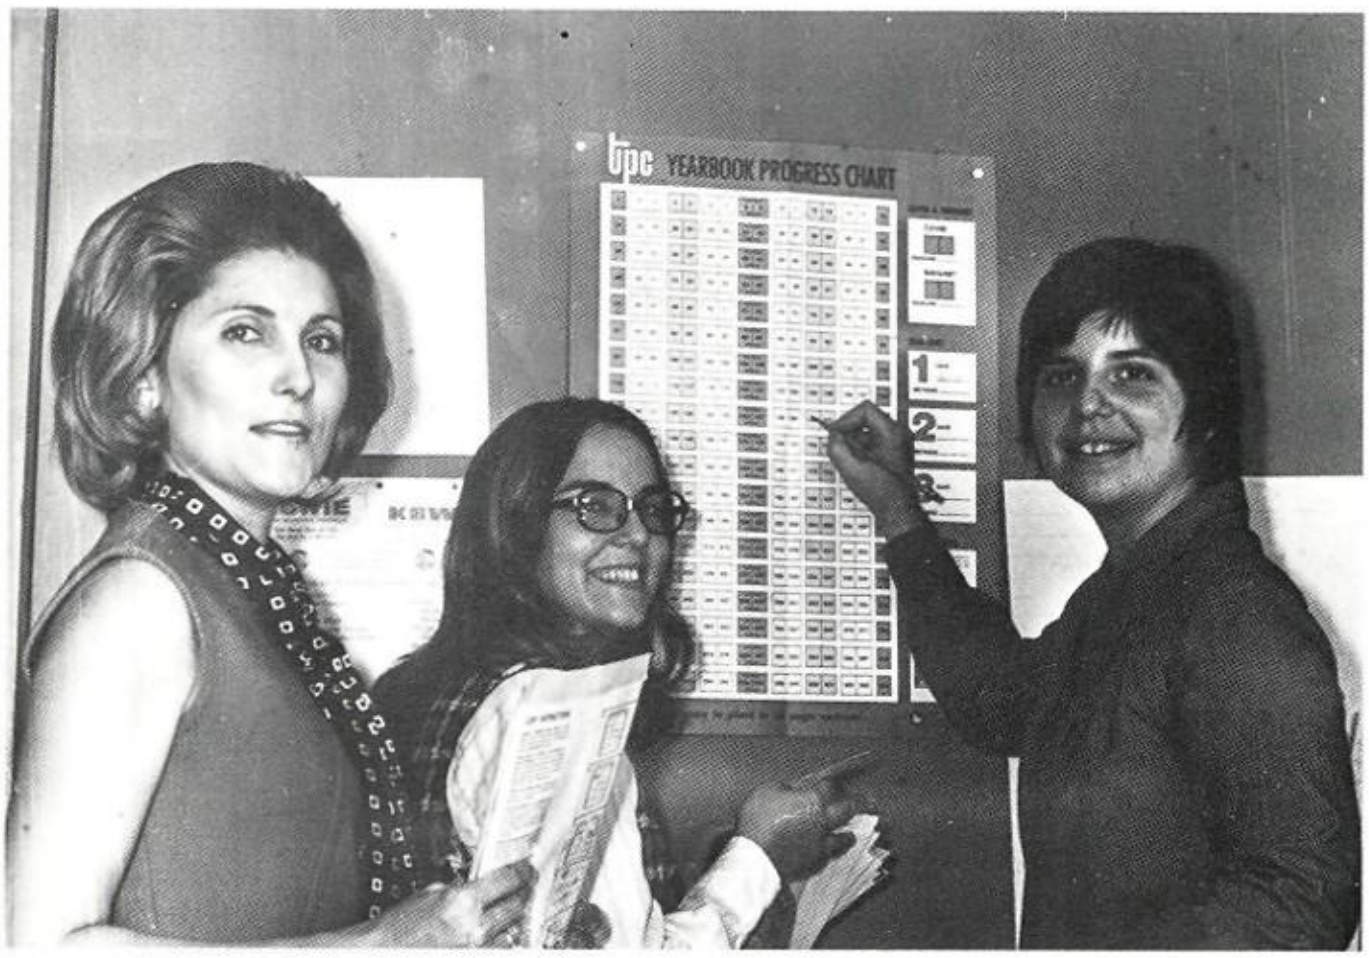
The Lion's Roar forms a connecting link between the students, the teachers, and the community. To become a member of the staff, a student must be enrolled in a journalism class. Mr. McQuain serves as sponsor for the strictly self-supporting school paper. The paper is financed by advertisers and by the students who pay ten cents per copy.

Tyann Cosgrove, Editor; Stark McQuain, Sponsor; Gary Black, Assistant Editor.

Gene Day, Sports Editor; Kathy Kirkland, Cubs Corner Editor; Gwen Johnson, Feature Editor.

Brenda Perkins, Typist; Ronald Nichols, Circulation Manager; Phyllis Wells and Paul Hollingshead, Advertising Managers.

Pecan Staff Pictures Year's Events



Cries of anguish when a headline will not fit, tears when a roll of film turns out blank, exclamations of delight when an idea turns out right, and laughter when students work as a team on a common project symbolize the efforts of the 1971 Pecan staff to publish a yearbook for their fellow students at BHS.

The Pecan staff wishes to express a special note of thanks to the members of fifth period study hall and to Sue Hudson for the time and effort which they so willingly dedicated to help make the '71 Pecan a success.

LEFT Co-editors Vicki Kitner and Pam Stevens discuss the Progress Chart with sponsor, Mrs. Collier.

ABOVE Yearbook work brings the staff together. Staff members are Evelyn Ratliff, typist; Paul Wright, sports editor; Kala Carlisle, student life editor; Janet Willis, index editor; Donna Low, caption writer; Tony Krischke, business manager; and Patsy Donahoo, class editor. LEFT Head photographer Gaylon Day explains the techniques of using the enlarger to Rodney Rountree and Roland Balderrama.

A Memoriam to Our Friend

Ricky Knutson

Forgive my grief for one removed,
Thy creature, whom I found so fair.
I trust he lives in thee, and there
I find him worthier to be loved.
— Tennyson

Dear Gwen,

Your a great girl with a great future in front of ~~you~~. Good luck with Jerry & hope ya'll have much happiness. I've enjoyed being friends with ya and I hope even after your married we can be friends.

Have fun & smile

Love Becky

Gwen
your a great gal
& will have
a alot of fun
in years
to come
Hope we're
friends always
Beth

Dear Gwen,

I hope Jerry doesn't see this but I LOVE you a lot. God bless you always

Val

I'm a really great gal with a great personality. I hope you the best luck in the future. Ray West

Gwen

You a sweet girl. I feel for you putting up with Jerry. Ha; I hope you stay as cool as you are know.

Jeff

Well Gwen, I've had great times with you (:) I'll always remember you. Be glad we were friends. Call me sometime. Hope you have a great summer. Love ya, Debbie

Ole never forget
our school years together.
We had so much fun in
Shorthand + Homemaking. I
can still hear you ady,
"Mrs. O'Brian, can we play
password?"

Love ya'.
Valerie

Hi
We've been in
homeroom together for
six years but never
a class. Think about
it?

Always
Bill Hawkins

Dear Gwen,
You're a great friend
& a cute dancer.
Keep smiling.
Always
Bill Hawkins

Gwen,
I will really miss you (especially on drill team trips). Hope you have a wonderful future because you deserve the best.

Love,
Sheila

Gwen,

It was great being your typewriter partner. I hope to get better maybe, huh? I'll see ya later.

Wish you all the luck,
Pat

For the first time in approximately fifteen years, the Brownwood High School senior class selected new ring designs. One side of the new ring features the official high school crest while the other side, a lion's head, represents the school mascot.
